WHERE IS THE RACKET?

Is a question often asked by persons not acquainted in Bellefonte. Do you come via L. & T. B. E. V., or B. R. Railroads, go up High Street about 2 1/2 squares to the Diamond; turn to the left; pass 1st Nat. Bank, Montgomery's Clothing House, Erhard & Co., grocers, and next you find "The Racket," being the middle room of Crider's Exchange the largest and most noticeable building in the town. If you can't find it ask the first boy you come to, they are our especial friends, they say, "There is no flies on The Racket."

And they know. G. R. SPIGELMYER, SHEN SPIGELMYER, Jr.

Centre County Census.

Capt. Bricker, Census Superintendent for this district furnishes the following returns which, with the exceptions of a few townships and precincts are substantially correct. It will be observed that the enumerators, in reporting, have consolidated some of the townships. The result, although not entirely perfect shows a gratifying increase in the population of the townships.

Table with 2 columns: Township/Precinct Name and Population. Includes entries like Bellefonte, North Ward, South, West, Centre Hall, etc.

LOCAL ITEMS.

Rebersburg has been made a money order office. Frost in some localities on Monday morning last. Light and heavy flynets from \$1.60 up—Booser Bros.

Death of Thomas Sankey.

Thomas Sankey, son of John Sankey, died at his home on last Monday morning, at 2 o'clock. He was a model young man, and the main support of his widowed mother in the management of the farm.

The Picnic.

The grangers are at work preparing their new ground, above the railroad depot on the summit, for the picnic in September. They are clearing out the bushes and tearing away the fence. In a few days they will commence staking off the ground and begin the erection of buildings.

A Big Fire in Lock Haven.

A destructive fire broke out on Monday afternoon at three o'clock in the steam saw mill of Kintzing & Beckford, and raged for over three hours among the piles of lumber in the yard before it was under control.

He Would Not Answer.

A Hungarian named Vincent Corso was before Commissioner Bentley at Williamsport, Friday last. He balked from this county, and refused to answer the enumerator. He stated through an interpreter that he at one time told a man his man out in Ohio, and a few days later was asked to pay tax. Now he proposed to keep his mouth to himself, and would not answer even if the President of the United States would propose the questions. He was held and was sent to Erie for trial this week.

Grasshoppers Plenty.

The grasshoppers have been getting in their work the last month or more in this section, and many farmers complain of their depredations, ruining the grain, John Arney near town had several acres of barley completely ruined by them and does not think it worth cutting, also S. W. Smith reports about eleven acres of barley almost eaten up by the hoppers. The fields seem alive with them, and are more plentiful than for years.

Dress Cutting School.

With Newton's improved French and tailor system of dress cutting, we teach curves that no others can, every form can be fitted with equal ease and exactness by this system. No refitting done, time not limited for those learning, instructions given until the work is thoroughly understood. Ladies are requested to call and see the work.

Local Briefs

Reporter, \$1.50 per year. Mifflinburg's population is 1416. Light and heavy flynets from \$1.60 up—Booser Bros. Overcoats were needed the past few days. Men wanted to work in the woods. Apply to D. B. Brisbin, Centre Hall. Father Panley, of near Tusseyville, has been quite ill the past few weeks. A son of farmer Fetterolf, of this place has been quite ill for some time. A gain of 447 in ten years is the increase in the population of Clearfield boron h. The festival season has arrived and there are several billed in the surrounding towns. Drayman Jim McCleahan hurt his back las. week while loading a bag of salt and is laid up. Uriah Osman is getting around with the aid of a cane. Rheumatism got him and is making him crawl. Mrs. John Slack, of near Pottery Mills, is quite ill of fever; Mrs. Ed. Kline, of near Tusseyville is also very ill. Simon Loeb's new clothing store opposite the Conrad house, is the place for bargains in men and boys' suits. Rev. Baskerville, was installed as pastor of the Presbyterian charge, on Tuesday last. Rev. Dr. Hamill officiated. Mary Jane Spigelmyer, aged 64 years, 8 months and 27 days, wife of Shem Spigelmyer, died in Mifflinburg, July 12. Miss Lizzie Wagner, daughter of John Wagner, who died last week at Tusseyville, is dangerously ill of typhoid fever at her home. Bellefonte papers are complaining of a scarcity of water, Centre Hall, in the dryest seasons, always has plenty and of the best in the world. Mr. Philip Kemp, of Pleasant Gap had been dangerously ill of typhoid fever, Dr. Emerick informs us that the prospects of his recovery are good. Lewins makes suits to order, parties can select their own goods from samples. Satisfaction guaranteed in all respects, and at prices 25 per cent lower than elsewhere. Rev. Wolfe, the new pastor of the Aaronsburg Lutheran charge, will be installed on Sabbath, Aug. 3rd. Rev. Fischer, of this place will preach the installation sermon. Big stock of new suits, for spring at Lewins, head quarters for low prices and genuine goods—no shoddy or auction stock. The Philadelphia Branch always leads. In last week's issue we stated that the Farmers Mills Union Sunday school would hold a picnic and festival in Long's woods on Saturday. It should have been the Union Sunday school at Murray's school house in Brush Valley. Lewins is putting out new suits like hot cakes. Everybody wants them because they are so cheap and well made out of the best goods. He takes your measure and will make a suit to order if desired. The offer of a free trip to the World's Fair, by the "Williamsport Grit," to the person guessing the circulation of that paper for six months, was won by Mr. James C. Leighow, of Woodland, Clearfield co., who guessed the exact figures—1,197,432. Have you been to A. C. Mingle's shoe store in the Brockerhoff house block? Never miss going there when at Bellefonte, he always has something new and offers none but genuine goods, which he warrants. For low prices in boots and shoes Mingle's is the place. It is an old story that the Delaware peach crop is a failure, but this year there seems to be no doubt this will be case. An official of the Pennsylvania railroad whose duty it is to make estimates of the crop to regulate transportation facilities reports that the entire yield of Delaware peaches this year will not exceed 12,500 bushels. Lewins is piling up spring clothing, all new stock, for men and boys. He has the largest and best assortment in Bellefonte and at prices that none can compete. Suits made to order, by one of best tailors in the state and perfect fits guaranteed. The passenger train went on Saturday evening was over an hour late, caused by delays at Beaver Dam tunnel. The timber used as supports for the roof was found to be on fire, supposed to have caught from sparks from a freight, and was not considered safe for passage, and the train had to lay over. The tunnel has been repaired again. The census report for Mifflinburg shows an increase of more than 21 per cent. over the report of 1880. The West Ward has seven more houses and three more families than the East Ward and the East Ward has four more of a population than the West Ward. The increase is not nearly up to the expectations of many of our people but it is all that we could expect. We have had no "boom" in the past ten years and the increase of 248 in population represents a healthy growth. Contrasting our own town with Lewisburg we have great reason for congratulations. In 1880 the population of that town was 3381, while the present report makes it 3967, a decrease of two hundred and sixty-four—Mifflinburg Times.

Paying the Enumerators.

The men who trudged about in the sun during the hot days of June counting the members of Uncle Sam's big family are now waiting anxiously for their pay. There are some 50,000 enumerators all told, throughout the country, and the names and addresses of each one are in the possession of Mr. J. C. Stoddard, the disbursing officer of the Census Office, at Washington, D. C. As soon as he receives the necessary voucher and it is approved by Superintendent Porter he makes out a check directing the United States Treasurer or the assistant treasurer in New York to pay the person named the sum due him. It will be some time before any large proportion of the entire number of enumerators receive their pay for their part of the work of taking the census. The work of determining how much is due to each man is one of some magnitude. In the population division of the Census Office there is a force of clerks who do nothing else but determine how much is due the enumerators. Their compensation is fixed by law, 2 cents for each name enumerated, 5 cents for each soldier, etc, but the clerks are obliged to examine every schedule and make a computation as to the number of person enumerated and the different classes, and in this way the amount due to each enumerator is determined. As the schedules are in the hands of clerks who are making the count of the population, and as this work takes precedence over everything else, the enumerators' accounts have to wait.

A Mysterious Disappearance.

The Middleburg Post of last week says: "Mrs. Robert Hasinger, residing one-fourth mile south of Troxelville, mysteriously disappeared on Tuesday of last week and the closest search has not revealed her whereabouts up to our going to press, this (Wednesday) morning. Mrs. Hasinger has been suffering from mental aberration for some time and has made several attempts upon her life. Her disappearance has caused great excitement, and bands of men are scouring the wood's in every direction. An unpleasant odor arose from the hay-mow in Mr. Hasinger's barn and it was feared she had concealed herself in the hay and was covered up and smothered under the new hay hauled in last week. Some six tons of hay were removed from the mow and the weather-boarding torn from the building last Sunday, when it was discovered that the odor was caused by a partly decomposed chicken which was buried under the hay. It is thought she is in hiding somewhere in the mountains and will be found and returned home to her anxious and distressed family."

Religious.

Rev. Baskerville, of the Presbyterian church, will preach at Centre Hall next Sabbath morning and at Spring Mills in the afternoon. Sunday following, Aug 3, the Lord's Supper will be administered in the Presbyterian church at Centre Hill. All the churches of our town are now supplied with ministers, viz: Rev. Eisenberg, Reformed; Rev. Davis, Evangelical; Rev. Baskerville, Presbyterian; these pastors are of recent appointment. Rev. Fischer, Lutheran and Rev. Hicks Methodist, have been here a number of years. The organists of the different churches are Miss Annie Keiler, Ref., J. W. Wolfe, Luth., Miss Annie Dinges, Evang., Miss Jennie Boal Presby., and Miss Annie Bible, M. E.

Stands Just as They Left it.

About fourteen miles from Westport on Kettle creek, stands an old mill that was built in '59 and was used at that time by a lumber firm of Williamsport," says the Jersey shore Vidette. "When the civil war broke out the mill was deserted, and it was never put into operation again. What is peculiar about the old mill to day is that the men employed at that time quit the mill in the midst of work—for in the centre of the mill stands an old upright saw, without a buzz, with a cut half way through a thirty-foot saw-log."

To Drive Away Flies.

People in the country who are annoyed by flies should remember that clusters of the fragrant clover which grows abundantly by every roadside, if hung in the room and left to dry and shed its faint fragrant perfume through the air, will drive away more flies than sticky saucers of molasses and other fly traps and fly papers can ever collect.

Following are the list of marriage licenses issued during the week: Frank P. Bassett, and Marion F. Hughes both of Bellefonte. Charles J. Hood and Elizabeth A. Hendly, both of Philipsburg. Harry C. Gingerich and Mary Alice Barger, both of Roland, Pa.

Josephine Holt, of Allport P. O. was badly gored by a bull on Monday a week. She sustained an ugly wound under the jaw, another severe flesh wound on her hip, and her shoulder blade is broken. She is badly prostrated from the effect of fright and shock, but with careful nursing it is thought she will recover.

Prospects for Harvest.

Despite the fact of there having been too much rain throughout the country, the present outlook for crops is equal to that of any previous year, and when tired from severe toil and fatigue, the farmer returns to the shady trees, dips for a cool drink of water. He forgets that his life is in danger from the sudden cooling of the system. In the good old times the apple jack and pure old rye were awaiting the return home and why not now? Because you fear the impurities.
