The Speaker's Constituents Give Him an Increased Majority.

RUNNING AHEAD OF HIS TICKET.

The Complete Republican Ticket Elected by About the Usual Majority - Governor Burleigh Receives a Plurality of 15,000, Reed's Plurality Over 4,500.

AUGUSTA, Me., Sept. 9. - Chairman Manley, of the Republican state committee, sent at midnight the following dispatch to President Harrison: Maine gives the largest Republican majority known in an off year since 1850, an 18-11 majority over the Democratic ticket since 1868, with the single exception of 1884 and 1888. Governor Burleigh is elected by a majority exceeding 15,000. Speaker Reed is re-elected by the largest majority he ever received, exceeding 4,500. Representatives Dingey, Boutwell and Milliken are re-elected by majorities ranging from 2,500 to 3,000. The Fine Tree state endorses your administration and remains in its advocacy of protection to American industry and American labor.

PORTLAND, Me., Sept. 10. - In the election in this state yesterday Governor Burleigh (Rep.) and the four Republican congressmen, Reed, Dingey, Milliken and Boutwell were re-elected. Forty-eight out of fifty-three towns in the First district gave Reed 10,091, Frank 11,339. Reed's plurality 4,732, against 2,439 in 1888. The remaining towns are small and will not materially change these figures. Cumberland county is incomplete, but no doubt the Republican county ticket is elected by pluralities ranging from 1,500 to 2,000. The total vote of Portland is: For Governor-Burleigh 3,570; Thompson 2,127; Clark 142. For Congressman-Reed, 3,648; Frank, 2,169; Hussey, 77. Four Republican legislators are elected and one Democrat, the latter on account of local dissension.

There is great enthusiasm in the city over Reed's election, and a big meeting was held in city hall last night, with an address by Reed.

In Biddeford the Democratic vote fell off 300, Reed carrying the city by 55. One hundred and ninety-six towns give Burleigh 39,026, Thompson 26,235, scattering 3,029. Burleigh's plurality, 12,791. The same towns in 1888 gave Burleigh 48,443, Putnam 35,648, scattering 2,770. Burleigh's plurality, 12,795. One hundred and fifty towns give Burleigh 30,799, Thompson 21,000, Clark 608, scattering 609. Last time Burleigh had 38,192, Putnam 28,372, Cushing 1,112, scattering 844.
