We could go on and quote for whole pages, like reductions, but have not the space. We intend to convert our entire clothing stock in side of the next 60 days and we propose to save you at least 20 to 30 per cent. in your purchases

This is not merely a blow to make money but it is an actual bona fide reduction of all men's wearing apparel at wholesale cost prices for the purpose of making some radical change in our stock and to commence business on January 1st, or thereabouts, with an entire different line of goods. Remember that our entire stock is nearly all goods purchased this season. In our Dry Goods and Dress Goods we have the most complete stock in the county.
