A Resolution Indorsing Senator Blair for Re-election Creates Some Excitement-Reports from Superintendents of Departments-The Illness of Miss Willard.

ATLANTA, Ga., Nov. 18.—The Wo-men's Christian Temperance union at yesterday's session devoted the morning hours to hearing reports of the superin-tendents of different departments. Then came the election of officers, which re-sulted in the re-election of all the old officers, as follows: President, F rences E. Willard; Mrs. Caroline E. Buell, corresponding secretary; Mrs. Mary A. Woodbridge, recording secretary; Miss

Pugh, treasurer. Resolutions indorsing Senator Blair and urging his re-lection were introduced and created a little excitement. An effort was made to have that part referring to his re-election stricken out, and there was an animated discussion. Finally the matter went to the committee on resolutions.

## Miss Willard's Address.

ATLANTA, Ga., Nov. 15 .- The Woman's Christian Temperance union of the United States assembled in Trinity church, of this city, yesterday, with an attendance from every state in the Union and the Canadas. The principal event was the address of Miss Willard. The address of the president covers 107 pages, and was distributed in the

convention. It had over thirty sub-di-visions and included Miss Willard's annual report as president of the World's Woman's Christian Temperance union. The address dealt with the year's work, and declared the Woman's Christian Temperance union to be now closing its best year, and the one of its largest increase in membership. It asserted that the original package decision resulted in the most helpful temperance agita-tion of the year. It declared against high license and for prohibition by law,

by politics and by woman's ballot.

In Miss Willard's report among other

recommendations were the following:

The organization of a woman's council
