Jay Gould's ambition, according to one of the latest eulogists "writing him up," is to be the richest man in the world, or at least in America. That dis* tinction now rests between Rockefeller of the Standard and the head of the house of Astor, Wm. Waldorf. They are rated at over a hundred million. It is believed Gould made many millions in the recent stock panic, when the best securities ran down to panic prices, and only ready money and good judgment za. No one has a better insight into the --- Uriah Osman will leave town past, present and future of stock operaand within a week has expended \$10,----- Charley Arney, with a sled load 000,000. At the outbreak of the panic it available, but this does not, by any means, represent the limit of Mr. Gould's resources. He has no end of securities upon which he can borrow millions upon millions. There is no doubt, says his atest biographical gossip, if it were nec eseary for the success of his operations. that be could get together by the use of bis credit \$75,000,000 in cash. He is rated as worth a round \$100.000.000. As to his recent stock operations, purchasing at panic prices, it is stated he now holds 1,000,000 shares of stock altogether. He believes that in time there will be an -Give Lewins, Bellefonte, your or- advance of from 25 to 50 per cent of their lik-ly to do, an advance of 10 per cent in their value would increase his wealth cent would increase it by \$50,000,000.

NO. 47

So, the probabilities are Gould willreach the goal of his ambition, and bes come the richest man in the world. He has unlimited resources, and the coolest head and best information on Wall street. Still, it is not all happiness. He is stated to have declared he would give a million of dollars to be cured of neuralgia. A dollar-a-day laborer may get more comfort out of life. That is one of the compensations of this world of care and trouble .

Charles Dudley Warner called one day upon his neighbor. Mark Twain, and indorsement of his constituents. The which the Republican party can retrieve its lesses and meet its opponent with there.
