FUNNY, when a man starts out on a business career the more checks he receives the sooner he gets there.

IT is one of the curiosities of natural history that a horse enjoys his food most when he hasn't got a bit in his mouth.

"IT seems that I am not in it," said the boy to the shark.
"No," replied the shark, picking its teeth, "you're out of sight."

WHAT is more pathetic than to see the simple faith with which a bald-headed man will buy an infallible hair restorative from a bald-headed barber?

Canine remorse—"I am extremely sorry my dog has bitten your wife, sir."
Affable Old Gent—"Don't mention it, I pray, sir, I like a dog to be a dog."

The kiss I stole from Eulie,
With my choicest poem ranks
Because, to tell you truly,
It was, "Returned with thanks."

Every person on earth must have some sort of a pet, even if it is nothing better than himself.

The Progress of Science.

The progress of science during the past few years has been so great that we look almost with anxiety to what the future may have in store. The Medical science alone has developed wonders sufficient to startle the world; but perhaps no other discovery in the medical world has created so great a stir or been productive of so much as Beecham's Pills. Sold by druggists generally. B. F. Allen Co., 365 and 367 Canal St., New York, Sole Agents for the United States, will mail a box of Beecham's Pills on receipt of the price, 25 cents, if your druggist does not keep them.

Totally Helpless

From Sciatic Rheumatism.

"May, 1885, I was taken with sciatic rheumatism in my legs and arms, and was confined to my bed entire helpless. In August I was just able to move around. I was reduced to a mere skeleton, my appetite was entirely gone and my friends thought I could not live. I took almost everything I could hear of, but with no good results, during that winter. One day, reading about taking Hood's Sarsaparilla in March, April and May, I concluded to try it. One bottle gave me so much relief that I took four bottles, and since then I have not been troubled with rheumatism, and my general health has never been better. My appetite is good and I have gained in flesh. I attribute my whole improvement to taking Hood's Sarsaparilla." WM. F. TAYLOR, Emporium, Cameron Co., Penn.

N. B. If you make up your mind to try Hood's Sarsaparilla, do not be induced to take any other.

No one doubts that Dr. Sage's Catarrh Remedy really cures Catarrh, whether the disease be recent or of long standing, because the makers of it clinch their faith in it with a $500 guarantee, which isn't a mere newspaper guarantee, but "on call" in a moment.

That moment is when you prove that its makers can't cure you.

The reason for their faith is this:

Dr. Sage's remedy has proved itself the right cure for ninety-nine out of one hundred cases of Catarrh in the Head, and the World's Dispensary Medical Association can afford to take the risk of your being the one hundredth.

The only question is—are you willing to make the test, if the makers are willing to take the risk?

If so, the rest is easy. You pay your druggist 50 cents and the trial begins.

If you're wanting the $500 you'll get something better—*a cure!*

Messrs. F. J. Have prescribed it a great many times and its effect is wonderful, and would say in conclusion that I have yet to find a case of Catarrh that it would not cure, if they would take it according to directions.
