Death of Mrs. Jacob Arney.

The death of Mrs. Rachael Arney occurred on Friday morning last after an illness of only a little more than a week, from pneumonia, superinduced by an attack of the grippe. She was the wife of Jacob Arney, deceased, whose death occurred a few years ago. Her illness was not at first considered serious but being a lady well up in years the disease rapidly made advances, and on Friday morning she breathed her last, surrounded by the members of her family. Mrs. Arney was a member of the Centre Hall Reformed church, and was a true and consistent Christian. She was the mother of a very large family, all of whom survive her and are married. They are Rev. Arney, Dr. George Arney, Altoona; Mrs. James Herring, Altoona; Mrs. John Mullen, Renova; Mrs. C. E. Peck, Kansas; Mrs. Dasher, Kansas; Mrs. M. B. Richard, Mrs. John T. Lee, J. J. Arney, B. H. Arney, and Charles Arney, Centre Hall.

Her funeral took place on the following Sunday morning and was very largely attended. Rev. Eisenberg conducted the funeral ceremonies, interment being made in the Centre Hall cemetery. She was aged over seventy years.

Praiseworthy.

The new Presbyterian church, in this place is moving to completion. The success of the work is mainly due, we believe, to the efforts of the ladies of the congregation, who have shown praiseworthy zeal in pushing forward the completion of the edifice; they have done much to raise funds for this end. At a recent meeting Mrs. George Odenkirk volunteered to have the upholstering of the seats done at her own expense and Miss Emily Alexander, with her characteristic liberality agrees to have the lighting of the new church provided for at her own expense. Such women are a lift indeed, and when they make up their minds to pull they do it with a will, that is deserving of all praise.

Mrs. J. P. Runkle.

Mrs. Runkle, the wife of Mr. John P. Runkle, died on Sunday last about noon, at her home at Centre Hill, of a complication of dropsy of the heart and asthma, after an illness of only a few days duration. She was a very old lady, being over seventy-nine years old, and was the mother of seven children, who with her aged husband, survive her. Her funeral took place on Tuesday, Rev. Eisenberg of the Reformed church, of which she was a member all her life, conducted the services. Interment was made at the cemetery at Tusseyville. She was the mother of Mr. Wm. Rankle, Mrs. Wm. Meyers, and Mrs. Samuel Shutt, of Centre Hall.

Arney-Shenafelt.

Mr. Frank Arney and Miss Lizzie Shenafelt were the happy couple who were joined in holy bonds of wedlock on Tuesday evening at eight o'clock, at the Reformed parsonage, Centre Hall. Rev. Eisenberg performed the ceremony. Frank is one of our exemplary young men and has taken unto himself a young lady in Miss Shenafelt in whom he can justly be proud. Mr. and Mrs. Arney will reside in the future in Centre Hall, occupying the Arney homestead on East Church street, and will commence house-keeping at once. We extend to the newly wedded couple our sincerest wishes for future happiness and success thro life.

Watch For Them.

J. Witmer Wolf, of the firm of Wolf & Son, has gone to Eastern cities to select a new stock of goods for the spring and summer. His selections heretofore in dry goods, etc., have never been equaled by any in this section, but this trip he expects to far exceed his former purchases, and lay in a stock which will astonish the people. The goods will arrive the latter part of the week and speedily opened for inspection. Watch for the new goods as they will be of the very latest styles and at low prices. You will regret it if you miss this.

Now Try This.

It will cost you nothing and will surely do you good, if you have a Cough, Cold, or any trouble with Throat, Chest or Lungs. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to give relief, or money will be paid back. Sufferers from La Grippe found it just the thing and under its use had a speedy and perfect recovery. Try a sample bottle at our expense and learn for your self just how good a thing it is. Trial bottles free at J. D. Murray's Drug Store. Large size 50c. and \$1.00.

Death of Rev. Colburn.

Rev. N. W. Colburn, a superannuated minister of the Methodist church, died at his home at Lewisburg last week. Rev. Colburn had been a member of the Central Pennsylvania Conference of the M. E. church for almost forty years, but ill health for several years past compelled his retirement from active duties.

Prolific.

Our farmer friend, Edward Kline, from near Tusseyville, has seventeen old sheep and these have thirty four lambs. Who can show up a better score?

New Clothing.

New clothing, new hats, new furnishing goods, everything new for the coming season is now opened and ready for your inspection at the Philad. Branch, Bellefonte.

The Carrie C. Sankey Case.

Readers of this paper will no doubt remember the famous Carrie C. Sankey adoption case, which was before our courts and the Supreme Court of the state several years ago. It will be remembered that our courts held that Carrie C. Sankey was legally adopted by Samuel Sankey, a wealthy Californian, and as he died childless, she was therefore entitled to his large estate. The case is called to mind just now because of a contest going on in the Chicago courts. The same struggle that was witnessed here, bids fair to be seen there. Samuel Sankey's collateral heirs are trying to get control of his Chicago property. In this they are being resisted, of course, by Carrie C. Sankey. Depositions of Judge Metzger and J. L. Meredith, Esq., were taken Wednesday before W. C. Gilmore, Esq., Commissioner, which are expected to play a prominent part in the controversy at Chicago. Jno Sankey, of Millinburg, Pa., was present before the Commissioner also.—Williamsport Gazette & Bulletin.

Samuel Sankey was a native of Millheim, and years ago well known in this valley.

Specimen Cases.

S. H. Clifford, New Cassel, Wis., was troubled with Neuralgia and Rheumatism, his Stomach was disordered, his Liver was affected to an alarming degree appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.

Edward Shepard, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker Catawba O., had five large Fever sores on his leg, doctors said he was incurable. One bottle Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by J. D. Murray's Drug store.

Preachers Should Have No Less Than Five Dollars.

The Williamsport Republican believes that clergymen should insist on receiving at least five dollars as a marriage fee, and thinks if men who get married are not able to pay five dollars they are not in shape for the ceremony, and the minister will not be the only person benefitted by postponing the marriage until the groom pays five dollars and has enough left to buy a meal or two. There is wisdom in this. The trouble is that many young people rush into marriage with no means at hand or in prospect for properly supporting themselves, and their married lives cannot be happy. Let the minister reject any sum less than \$5 as a fee, and a reform will ensue.

Would-be Train Wreckers Arrested.

Two young Frenchmen, of Ocoola, named Caesar and Charles LaForte, were seen placing obstructions on the T. & C. R. R., in the State Cut, near Ocoola, on February 24th. They ran away when discovered. Warrants were issued for their arrest, and on Wednesday night Capt. Harry Simler arrested them while at work on the night shift at Fulton mine. They were given a hearing before Squire Sanford on Thursday, and in default of bail, were taken to Bellefonte to await trial. The evidence is very strong against them.

Stricken With Blindness.

J. T. Farnsworth, of this city, was suddenly stricken with blindness Saturday night, and is in that condition yet today. Mr. Farnsworth had walked out of the back door of his residence to the hydrant for the purpose of obtaining a drink of water when the attack came upon him, and in a moment of time he was blind. It is hoped that the blindness may be only temporary and that something may be done to restore his sight again. It is a terrible affliction, and he has much sympathy.—Lock Haven Express.

Miners Preparing to Strike.

The miners of the Clearfield district are preparing for the general shut down which they threaten to inaugurate May 1. This section was very strong in asking for the eight hour concession on the part of the operators, and is resolved to go out unless its demands are granted. The men say they are sure of success, and are not alarmed as to the outcome should the strike take place.

Burned to Death.

Mrs. S. F. Hassenplog, of Millinburg, on Wednesday, 15th inst., while boiling soap had her clothing catch fire and before the flames could be extinguished, her body was terribly burned, from the effects of which she died the following Friday morning. Several persons were also severely burned about the hands from the attempts to extinguish the flames.

Strange Fatality.

David Woome, the railroad brakeman, who was hurt at Port Matilda on Friday night, dying on Saturday morning, was the last of three brothers, all of whom were railroad men, and all of were killed inside of three months.

The P. R. Double Lines to Atlantic City.

SUPERB SUMMER SCHEDULE.
The coming summer promises to be a most notable one for sea-shore travel. Engagements already made in advance for hotel accommodations at Atlantic City and inquiries received indicate the widespread popularity of this great resort.

Never before in the history of the City-by-the-Sea have the railroad facilities been so perfect as they will be over much of the summer. Arrangements have been perfected by which this popular route will consolidate its two railroads (the West Jersey and Camden and Atlantic) between Philadelphia and Atlantic City, so as to be operated on the plan of a double track. This mode of management will greatly facilitate the handling of the enormous passenger traffic, and will present the safest and most novel system of double lines in the country.

The schedule of trains will be greatly improved over that of previous years, both in the number of trains, their equipment, and speed. A large number of trains will run on a time-table best adjusted to the needs of the public. They will be equipped with comfortable and handsome new passenger coaches and attractive parlor cars drawn by the Pennsylvania Standard hard coal burning locomotives. The majority of the trains will make the run in each direction in eighty minutes, thus reducing the time of transit to the minimum consistent with safety and good management.

Following is the list of marriage licenses issued during the past week from the register's office Bellefonte:

Cassett, widow of the Bald Eagle Valley railroad fireman recently killed at Milesburg by the train wreckers, has been made happy by the receipt of a check for one thousand dollars, bearing the signature of S. S. Blair, superintendent, and coming from the relief fund of the railroad company.

Beware of Wild Parsnips.

Three little children died at DuBois on Friday afternoon from the effects of having eaten wild parsnips, and four others are very sick. Two of the dead children were named Weigleman—Mary, aged five, and Annie, aged seven, and the other was Floyd, a three-year-old son of J. M. Boring.

They Must Hang Now.

Heretofore, persons who wrecked a train of cars by which any person or persons were killed could only be tried for manslaughter. The Legislature has passed a law making it murder in the first degree. This is one of the most sensible things our law makers did this session.

They Kicked.

The patrons of the post office at Pleasant Gap did not approve of the change recently made in the appointment of John Griff as postmaster, and the removal of the office from Noll's store, and the office was moved back to its former location to the old management.

A Slaughter of Cows.

On Saturday evening four cows struck by the local freight train going west at Arxeman were killed. They all were owned by a man living near that place, who likely will have a small claim to present to the railroad company for damages.

The Enemy in Ambush.

Every one knows that at this season of the year disease lies in ambush, ever ready to pounce and prey upon the weak. And any fair-minded physician will tell you that the only safeguard lies in keeping the system thoroughly keyed up by the use (not abuse) of a reliable stimulant.

Hundreds of tonics are advertised for this purpose, but experience shows that a pure and true tonic is the only one to be depended upon. Max Klein's "Silver Age" and "Dyogenese" brands are guaranteed to give absolute purity, an affidavit accompanies each bottle. "Silver Age" sells for \$1.00 and "Dyogenese" at \$1.25 per full quart bottle. The difference in age makes the difference in price—both brands are warranted to be unadulterated.
