MCKEESPORT, Pa., April 24.—A 4-year-old son of Frank Greenwalt, of this place, was fatally burned by his clothing catching fire from a pile of burning brush. Death resulted in a few hours.

HARRISBURG, April 24.—The governor yesterday sent to the house a message vetoing a bill for the creation and distribution of a fund for aged and disabled policemen in cities of the second class.

WEST CHESTER, Pa., April 23.—Amos Fehoff, of West Cain, was killed in a runaway. He was one of the best known men in northern Chester county. The horse he was driving ran away, and he was thrown out on his head.

READING, Pa., April 22.—Jefferson Betz was severely beaten and had his leg broken by being struck with a club in a fracas on Maple street. Two of his assailants have been arrested and warrants have been issued for the others.

READING, Pa., April 23.—Dr. Walter J. Hoffman, of this city, connected with the Smithsonian institution, has just received the "Royal Ludwig Medal" for his services in behalf of science and art, from his royal highness, Prince Luitpold, prince regent of Bavaria.

NORRISTOWN, Pa., April 23.—At a meeting of the board of trade a resolution was adopted inviting the First brigade, National Guard of Pennsylvania, to encamp at Norristown, where elegantly located ground is offered by C. F. Malley, and a committee was appointed for arranging the proper inducements.

HARRISBURG, April 24.—Governor Pattison today, on the application of District Attorney Brownback, of Norristown, issued a requisition for Antonio Frederico, an Italian who is in custody in San Francisco and is wanted on the charge of wantonly murdering Ciracoco Cannelli in Conshohocken on May 30, last year.

READING, Pa., April 23.—Samuel Schmel, an aged retired farmer from Ruscombmanor township, lives entirely alone in a small house near Pricetown. During a temporary absence from home his house was entered and a small chest carried off containing \$2,900 in money and bonds. A young man residing in the neighborhood has been arrested on suspicion.

SCOTSDALE, Pa., April 22.—Five hundred Pinkerton detectives have arrived in the coke region. They will be stationed on guard duty principally at Frick's works. The strikers are exasperated and a feeling of uneasiness is very noticeable. The strike leaders are making strong speeches against the introduction of "Pinkerton thugs," as they call them.

NORRISTOWN, Pa., April 24.—At an early hour yesterday morning a dying man was picked up on the turnpike in Plymouth near the spot where Ryan, the mysterious stranger in the Chester hospital, says he was shot by an unknown assailant. The man was brought to the Norristown lockup, where he subsequently died. It has been learned that the dead man was August Schmocker, aged 51, a shoemaker, of Philadelphia, who had been on an extended spree.

NORRISTOWN, Pa., April 24.—H. U. Brunner, Esq., of counsel for the Italians, representing the families of the men injured and killed by the dynamite explosion in the quarry of John T. Dyer in Plymouth township on Sunday last, issued a capias for Mr. Dyer, William Davney, his superintendent, and Peter Barua, his quarry boss. Civil suit for damages will be instituted, with a claim of \$10,000 damages for each of the three men.

BRADDOCK, Pa., April 22.—Yesterday afternoon a frightful explosion of gas occurred in the "bottom house" in the rear of the converting department at the Pagar Thomson Steel works. One of the workmen opened an oven door when a huge volume of gas shot out and burst into flame enveloped John Soles, Thomas Rantrauff, David Hoon, and Otto Onedrake, burning them very seriously. They may possibly recover. Two boys, William Fordworth and August Anderson, aged about 16, were also severely burned.

READING, Pa., April 24.—The dime museum which opened in this city several weeks ago, under the title of "Wonderland," has been closed, and the three proprietors have been held in \$2,100 bail to answer charges of conspiracy and intent to commit fraud. The prosecutions have been brought by the "breakers" who claim salaries due them, and allege that they are without a cent of money in a strange city. They have arranged to give three exhibitions for the purpose of raising sufficient funds to enable them to leave Reading.

READING, Pa., April 24.—Joseph Cronauer, collector of city taxes, called at the residence of John E. Schaeffer, in the Ninth ward, and inquired as to the ownership of the property. Mr. Schaeffer, who was lying in the front room on a lounge, called out, "A gentleman by the name of McGinty owns it." Upon this Cronauer, it is alleged, rushed into the house, and a hand to hand combat ensued, in which the tax collector was badly worsted. Schaeffer then had Cronauer arrested for assault and battery, and the latter swore out a counter charge.

FLORAL WELCOMES.

The President's Royal Reception in California.

PATHWAYS OF SWEET PERFUME.

Beautiful Tributes of Esteem from School Children in the Land of Fruits and Flowers—Secretary Rusk's Promptness Prevents a Tragedy at Riverside.

EL PASO, Tex., April 21.—The presidential party spent two hours here this morning. Governor Carrillo, of Chihuahua, Mexico, accompanied by his staff, participated in the reception to the president here. They are accompanied by a battery of artillery and a large band of music. The Mexican military authorities came as the representatives of President Diaz, of Mexico, and fired a salute in honor of the president on his arrival. They are here by special permit of Secretary Foster. The permit allows the governor and his staff to wear side arms. The entrance of the Mexican soldiery into the United States is quite an event, being, it is said, the first time since the Mexican war that they have trod American soil. At the court house addresses of welcome were made by Gen. J. Mallory and Governor Carrillo. In responding the president spoke feelingly of our relations with Mexico, and hoped they would continue pleasant.

A Presidential Plea. TUCSON, A. T., April 22.—The presidential train arrived here on time, having made several stops on the way. At Downing, N. M., the president said: "I feel great interest in your people and thinking that you have labored under a disadvantage by reason of the unsettled state of your land titles, because no country can settle up and become populous while the titles to its land remain insecure, it was my pleasure to urge upon congress, in both a general and special message, the establishment of a special land court to settle this question once for all. I am glad that the statute is now a law, and immediately upon my return from this trip I expect to announce the judges of that court, and to set them immediately to work upon these cases, so that you shall certainly within two years have all these questions settled."

In the Land of Flowers. LOS ANGELES, Cal., April 22.—Governor Markham and staff met the president at Indio at 8.15 this morning and welcomed him to the state. From Indio to this place his progress was a continuous floral ovation. At every stopping place school children pelted him with all sorts of fragrant wild flowers. In the procession at this place the president stood erect in his carriage, knee deep in flowers. At the city hall a grand stand had been erected, and here the chief magistrate was welcomed by Mayor Hazard. He responded briefly, and Messrs. Rusk and Wannamaker also made short speeches.

A Message from Mexico. SAN DIEGO, Cal., April 23.—San Diego gave the president a magnificent reception on his arrival here this morning. The party was received by ex-Governor Murray, Mayor Gunn and members of the San Diego reception committee. Governor Torres, chief executive of Lower California, and his staff, representing the president of Mexico, were introduced to the president. A procession was formed and school children to the number of 2,500 liberally provided with calla lilies and roses, were formed along the line of march, and as the president passed by they showered him with flowers and scattered blossoms beneath the feet of his horses, so that he passed along a continuous floral pathway. After speeches by Mayor Gunn, the president and others, Governor Torres read a telegram of congratulation from President Diaz. In responding the president said: "Governor Torres, that message from a progressive and intelligent gentleman who presides over the destinies of our sister republic is most grateful to me. I assure you that all our people, and the government through all its constituted authorities, entertain for President Diaz and for the chivalrous people over which he presides the most friendly sentiments of respect. We covet, sir, your good will, and we hope that the two republics may forever dwell in fraternal peace."

Secretary Rusk Prevents a Tragedy. RIVERSIDE, Cal., April 23.—The train halted at 8:45 p. m. near Arlington, about six miles from Riverside, where carriages were in waiting and the party was driven to Riverside through a succession of orange groves. The children of the town repeated the novel ceremony of throwing flowers in front of the president's carriage and of raining bouquets on him. The fiery spirited horses attached to Mrs. Harrison's carriage, in which were also seated Secretary Rusk and Mrs. Dimick, became frightened and dashed into a mass of school children. The secretary jumped from the carriage, seized the unruly animals and soon had them under control. Several children were frightened into hysterics, but no further harm was done.

At Pasadena and Santa Barbara. PASADENA, Cal., April 24.—The president and party enjoyed a two hours' ride this morning, and were treated to a beautiful floral display. The carriage in which was seated the president, Mrs. Harrison and the mayor of the city was decorated with acacia blossoms. Secretary Rusk and Postmaster General Wannamaker followed in a carriage decorated with red, white and yellow roses and orange blossoms.

SANTA BARBARA, Cal., April 24.—This city was reached at 4 o'clock this afternoon. Again were the school children out in force, and again were flowers showered on the distinguished visitors. A splendid banquet was a feature of the entertainment here, and at 10 o'clock tonight the party left for San Francisco, where they expect to arrive at 7 o'clock tomorrow evening.

SAN FRANCISCO, April 27.—President Harrison and party arose at 6 o'clock Saturday morning while their train was crossing the Tehachapi mountains on the way to the valley of the San Joaquin and had a splendid view of the celebrated railroad loop at that point. The first stopping place of the day was Bakersfield, where the party arrived at 8.30 o'clock. The train remained there ten minutes. They reached this city at 8 p. m., receiving the usual floral welcome which is everywhere the main feature of the president's visit to California.

Spends a Quiet Sunday. SAN FRANCISCO, April 27.—President Harrison spent a quiet Sunday here. In company with Mayor Sanderson and ex-Congressman Morrow he attended divine services at the First Presbyterian church. Mrs. Harrison, Mrs. McKee and Mrs. Dimick went to another church. In the afternoon Postmaster General Wannamaker addressed a great concourse of Sunday school children at the Cavalry Presbyterian church, and
