A PERILOUS WEDDING TRIP.

Thrilling Experience of a Bride and Groom at Denver.

DENVER, Aug. 18.—The escape from instant death of Professor Samuel A. King, of Philadelphia, and Mr. and Mrs. Sherman Hunt, who accompanied the aeronaut on his balloon voyage from Manhattan Beach, is considered almost a miracle.

The words that made them man and wife were pronounced by Justice Talbot and the couple announced themselves ready for the voyage.

The people cheered and shouted as the air ship arose higher and higher. Big black clouds covered the ground and the lightning flashed and flickered.

When the rapid descent began the professor told them they would get to the ground without being killed, but to do everything possible to ease the shock.

Down the balloon dropped until it struck the ground with a tremendous crash near Fort Logan. Everything was dark, and the occupants of the basket, or rather the three astride of its sides, were scattered pell mell over the ground.

The married couple on picking themselves up found that they had escaped injury, not even a scratch being visible. Professor King, however, owing to his age and heavy weight, fell on his right shoulder, which is badly bruised, while his right arm is helpless.

An Aeronaut's Plunge to Death.

ROME, Aug. 18.—An aeronaut who made an ascent at Macerata met with a terrible death. The large crowd assembled to witness the ascent were watching the balloon sail away to the eastward, when they were horror-stricken to see the aeronaut fall from the car and plunge rapidly downward from a dizzy height.

CURIOUS RIVALRY

France Also Claims the Coat Worn by the Saviour.

LONDON, Aug. 18.—The rivalry between France and Germany is reaching curious lengths. This was illustrated in the exhibition of the Holy Coat of Argenteuil. No sooner did it become known, a few weeks ago, that the ecclesiastical authorities of Treves, in Rhenish Prussia, were about to exhibit a garment claimed to have been worn by the Saviour than the French were alive to deprive the Germans, as far as possible, of the honor and profit it appears that Argenteuil, within easy access by rail from Paris, also possesses a coat claimed to have belonged to Christ.

Gloriana's Eighth Victory.

NEWPORT, R. I., Aug. 18.—The big annual sweepstakes of the New York Corinthian Yacht club was sailed yesterday, and resulted in a splendid victory for the Rhode Island boat Gloriana. The Gloriana was started in eight races and won all of them, and Rhode Island is now dominant.

An Unfounded Report.

WASHINGTON, Aug. 18.—The state department has received a report on good authority in regard to the recent rioting in China, but the reports are not of a serious nature at present, and no reference to the trouble is expected. In reference to the reported joint naval demonstration between the American and European fleets in Chinese waters against the Chinese government, the Secretary of the navy department said: "No orders for a joint naval demonstration such as is described have been issued by the navy department, nor have I heard that any such demonstration is proposed. As far as I know, there is no foundation for the report."

Deluged by Cloudburst.

St. JOSEPH, Mo., Aug. 18.—A special from Agency says: A cloudburst in the vicinity of the junction of the One Hundred and Two and the Platte rivers caused much loss of property. The river rose twenty feet in six hours and twelve or fifteen farms were ruined. Houses, barns and stock were swept away and crops ruined. Many narrow escapes are reported, but no lives are yet known to be lost.

THIRTEEN KILLED.

Another Deadly Disaster on a Swiss Railroad.

AGAIN AN EXCURSION TRAIN.

Dashed Into by the Paris Express and One Car Completely Wrecked. In Addition to the Killed, Eighteen Received Severe Injuries—The Accident Due to Negligence.

BERNE, Aug. 18.—The people of Switzerland have hardly recovered from the railroad scare caused by the terrible accident at Moenchstein in June last, by which over 130 persons on an excursion train lost their lives and about 300 were injured, when they were startled by another wholesale loss of life by reason of a railroad accident.

This last disaster occurred on the Jura-Simplon railroad lines, near the village of Zollikofen, not far from this city.

A special train carrying a large number of excursionists from the country districts to this city was on its way here, the passengers intending to take part in the centenary fetes which are now in progress here and elsewhere throughout Switzerland.

Due to Negligence.

This excursion train was stopped at Zollikofen in order to enable it to be shunted into a siding so as to let the Paris express pass. By some gross negligence, apparently, upon the part of the railroad officials, the Paris train, loaded with foreign travelers, was not warned to look out for the excursion train while passing Zollikofen, and the result was that the express dashed into the special train.

Luckily the engineer of the express had caught sight of the excursion train in time to put down the brakes, and so the damage done and the loss of life were not so great as it might have been. As it was, the engine of the express cut into and almost entirely demolished the guards' van at the rear of the excursion train, which was empty, and then crashed into the rear of the passenger cars, completely wrecking it.

Thirteen Killed, Eighteen Injured.

Thirteen people were killed and eighteen persons seriously injured. In addition to these thirty others have suffered more or less severe wounds or bruises.

The bodies of the dead were carried to the waiting room of the railroad station at Zollikofen and were there laid in rows while awaiting identification. The interior of the station, as a result, presented a most sickening spectacle, for many of the dead were so terribly mutilated as to be practically beyond recognition. The wounded were attended to by the relief corps sent to the scene from this city. Those of the wounded who were in a state to be removed have been taken to the hospitals in this city; others are being nursed near the spot where their injuries were received.

DEATH OF MRS. POLK.

The Venerable Ex-Mistress of the White House.

NASHVILLE, Tenn., Aug. 15.—Surrounded by a few loving friends and relatives, Mrs. James K. Polk, widow of the tenth President of the United States, departed this life yesterday peacefully and quietly in the full possession of her faculties.

Mrs. James K. Polk.

of her mental faculties. Mrs. Polk had been in perfect health until last Wednesday evening, when on returning from a short drive she was taken suddenly ill. From this attack she never rallied. Had she lived until Sept. 4 next she would have reached the age of 88. The cause of her death was simply exhaustion, resulting from old age.

A Burglar's Syndicate.

MILWAUKEE, Aug. 18.—A well known crook arrested here on suspicion gave to the police the details of a burglar's syndicate which has been in existence for nearly a year. With skillful management the members of this syndicate have traveled a regularly mapped out route, committing their depredations and escaping without trouble. Only once was a member captured, and he secured his release through the money of the syndicate.

Ate Poisoned Cakes.

GRAFTON, W. Va., Aug. 18.—Mrs. George Mallonee, niece and five children are lying in a dying condition from eating poisoned cakes. The lady made the cakes, and while absent from the house a few moments it is believed some enemy attempted to poison the entire family by placing arsenic in the dough. The death of one or two of the children is expected. Suspicion points to certain parties as the poisoner, and arrests may be made.

Charged with Stealing State Scrip.

LITTLE ROCK, Ark., Aug. 18.—A great sensation was created here by the arrest of J. L. Bay on a warrant sworn out by State Treasurer Morrow, charging him with the larceny of \$100,000 of state scrip. Bay was a clerk employed by the bondsmen of ex-State Treasurer Woodruff to examine the books of the defaulting state treasurer.

A Challenge to Dixon.

NEW YORK, Aug. 18.—A special dispatch to the Police Gazette from Denver says the backer of Dan Daly, of that city, has issued a challenge in behalf of Daly for a fight with George Dixon, colored, of Boston, for \$2,500 a side and the featherweight championship of the world.

ABOUT SPRING FEVER.

Who suffers from this disease? We say disease advisedly, for such it is. It is a general relaxation of the system, the result of a relaxed attention. Unless the constitution is kept up when these symptoms appear, some acute ailment attacks the most vulnerable point and life is endangered. A good stimulant promptly and properly used soon tones up the weak spots. Leading physicians of the land invariably recommend the use of Pure Rye Whiskey in such cases. Max Klein's "Silver Age" and "Dunquene" are of purity so that the consumer takes no risk—"Silver Age" at \$1.50 and "Dunquene" at \$1.00 per bottle.
