The peop le of the Union, Mifflin and Snyder judicial district, take the correct view of the Judgeship question, narrowed down to three points, viz: 1, Bucher is fit. 2, He has been tried. 3, Politics has nothing to do with it.

Clearfield has a population of 2,700 inhabitants. It has thirty practicing lawyers; what town of its size in the United States can beat this? Our legal representatives are all happy and prosperous too. Perhaps some of their clients are not so happy and prosperous since going thro their hands.
