NEW YORK, Oct. 6.—At the semi-annual meeting of the New York pres-bytery, held yesterday in the Scotch Presbyterian church in West Fourteenth Presbyterian church in West Fourteenth street, Rev. John C. Bliss, pastor of the Washington Heights Possbyterian church, presided as moderator. The prosecuting committee appointed last spring to prepare papers in the trial of Professor Charles A. Briggs presented its report, embodying the charges against him against him.

Dr. Alexander, who moved that the presentation of the charges be postponed and the committee

postponement. Dr. Birch replied, and the presbytery took a recess for an hour and a half without settling the matter. The report of Dr. Birch's committee arraigns Dr. Briggs on two charges: First, that he teaches that the Bible is not the only source of divine truth. Second, that he denies the immediate sanctification after death of those who have died in the faith.

The report is very long and contains many excerpts from Professor Brigg's sermons and books. Dr. Briggs Must Stand Trial.

When the presbytery reassembled Dr. Birch read the report. While it was being read Dr. Briggs entered and took a seat in the front row. At its conclu-sion Dr. Alexander reintroduced his
