Democratic County Ticket.

For Delegate to Constitutional Convention. ELLIS L. ORVIS. Subject to action of district conference.

Jury Commissioner-GEORGE BOWER

They say Bardsley makes good box28 in prison. Why should he not, with his experience with the big money boxes of

Two popular notions are shattered by the authoritative statement that Michigan raises twice as many peaches as Delware, and that Illinois produces twice as much whiskey as Kentucky.

I write to say that Livsey will be appointed State Treasurer, and that so far as receipts are concerned matters are moving in the same channel they formerly did .- McCamant to Bardsley, No- history. vember 13, 1889.

The new city ball of Philadelphia is to be surmounted with an immense statue message to the Senate extra session. of William Penn. Some idea of its size still it won't weigh him down like Mc-Camant's weighs him.

vote of the district going for Bucher.

From private sources we are informed that affairs at Philipsburg are not so rosy as the printed statement of the closed bank goes to show, and the peooutcome. Judgments have already been entered against a number of wealthy business men of Philipsburg who did business with the bank, and whose in-

Day by day the duty of the people of the Senate to his assistance. the state of Pennsylvania becomes clearmust be ended. The laws must be re- the alleged unlawful acts. *pected.

Can all this work be accomplished by the removal of the inefficient incumbents and the appointment by the governor of two honest clean, fearless men who The question is its own answer. No.

Where can further and even more certain and more effective because more continuous relief be obtained? At the polls. The temporary relief is in the hands of the senate and then rests with of good government would only be a must have perpetual sunlight. Give us three years of Wright and Tilden.

The Evangelical Conference, now in Bishops Bowman and Esher of the charges preferred, and also expelled Bishop Dubs. The committee in charge of the matter declared that the trial proin strict accordance with the church laws; that all the charges against him were fully sustained; that after his trial and suspension he published a pamphlet which contained misrepresentations and defamations of the trial conference and its transactions; that he then traveled over the country, and under the pretext of delivering lectures preached from Scripture texts, and in his paper, and other ways, slandered the conference of bishops and the officers of the church.

The report closed with a resolution declaring that "not only his suspension be ratified, but he is hereby deposed from his office as dishop and preacher in the Evangelical Association and expelled from the church."

Concurrence in the report of the combishop was unanimously deposed and miss it greatly if you don't call to see and price and goods, style, work and floor of the bank building where the no misrepresentations, either in adverexpelled from the church.

A Revolution at Hand.

Commenting upon the curruption now leaders of that party, the Philadelphia and that is the present admirable politics of the young Democratic leaders of the State. The old time Democratic prostitutes of power have long since perished, and they perished under the bold, able and clean leadership of Republicanism in its better days, just as Republicanism must perish now unless it can cleanse public officials upright and faithful, and can defeat in Pennsylvania this year.

Secretary Harrity will doubtless soon be called to serve on the National Com. mittee in place of Mr. Scott, deceased, and thus meet Senator Quay in the broader field of the nation. There would be entire fitness in his selection, as is now clearly foreshadowed, and if chosen by the Democratic State Committee, he would enter the National Committee equipped with well trained ability and with what is vastly more important-the Quay is greatly over matched in the present Democratic leadership in the State, because equaled in ability and courage and surpassed in every element of power of mercantile taxes. in a popular contest; and be may be prepared to see this opposing leadership carry its prestige into the national political arena just when the decline of his

Tue Governor's Message.

On Tuesday the governor sent his

The Governor gives in sharp, clear, may be conceived when it is stated that concise language, the history of John the necktie is to weigh 500 pounds. Of Bardsley's transactions while acting as course that is a pretty heavy cravat, but fiscal agent and officer of the Commonwealth.

The Governor recites the story of the numerous investigations, not less than Our good looking friend, B. Kurtz seven or eight which have undertaken Focht, of the Lewisburg News, is in the to prove the losses of the State by Bardfight against the re-election of Judge sley. They all conincide in the results of twenty-two inches and broke off. Mr. district will be in attendance during the months ago. He sentenced the seven Bucher with the earnest of an alligator in a substantial manner that the loss Stoner says it was a herculean job to expendings. that has its eye on a darkey kid. Focht amounts to over a million and a tricate the paling, requiring the assisis in the fight with his coat, vest, shirt quarter of dollars, and point to the fact tance of several strong men. However, and undershirt off, to prevent the entire as the Governor states, that Bardsley it was accomplished and the injured anientitled by law," nearly \$300,000.

This portion of the message will readis ly be admitted in its major part as fact, and the only deplorable thing about it is,

recovery. The next portion of the message is a as viewed by the Governor, and sub- known. stantiating his line of action in calling
