

HUMOROUS.

A tramp spends his life going to dine. The trouble with a crank is that he will only turn one way. It is the un-instructed delegate that is ordinarily the most intelligent. The love of the man who marries for money is founded upon the rocks. It's odd that by devoting all her time to Browning a girl can get pale. A new choir-master in a church ought to make everything just hum. It is singular how a surgeon retains his popularity when he so often cuts his friends.

Make friends with your creditors if you can, but never make a creditor of your friend. A great many men are like new ground—do better when they are broken up. What is monopoly? A corporation in which other fellows hold all the stock. When they say the bride's costume was a dream do you mean to imply that it was an illusion? "How's business?" asked one pick-pocket of another. "I manage to keep my hand in," was the reply. Some duties are best performed by deputy. When a man is bearing stocks, he doesn't like to carry them himself. Woman uses powder as a defence against Time; but the old fellow isn't scared away by that kind of ammunition. Queer things happen sometimes. An Ohio man recently opened a jewelry store and got six years for doing so. "Gunpowder blue" is a new color. The girl who meets her match dressed in that will be sure to go off. Character is like the grand old cathedral bell. Reputation is the brass tinnabulum of the loud-mouthed auctioneer. First dude—I say—aw—where did you get your hair cut? Second dude—On my head. Man—Why don't you follow some trade? Tramp—I did so; but I never caught up with it. Cleverton—That's a beautiful suit you have on. Was it so very expensive? Travers—It cost my tailor about \$40. The Oldest Inhabitant: Tourist—How long have you been living here, my friend? Native—"See that big hill over that?" Tourist—"Yes." Native—"Wal, that was yere when I came here."

German Syrup For Throat and Lungs Hemorrhage "I have been ill for about five years, have had the best medical advice, and I took the first dose in some doubt. This resulted in a few hours easy sleep. There was no further hemorrhage till next day, when I had a slight attack which stopped almost immediately. By the third day all trace of blood had disappeared and I had recovered much strength. The fourth day I sat up in bed and ate my dinner, the first solid food for two months. Since that time I have gradually gotten better and am now able to move about the house. My death was daily expected and my recovery has been a great surprise to my friends and the doctor. There can be no doubt about the effect of German Syrup, as I had an attack just previous to its use. The only relief was after the first dose." J. R. LOUGHEMAD, Adelaide, Australia.

Hood's Sarsaparilla is Being a Constitutional Remedy, Readily Reached and Cures It. "A sense of gratitude and a desire to benefit those afflicted, prompts me to recommend Hood's Sarsaparilla to all who have catarrh. For many years I was troubled with catarrh and indigestion and general debility. I got so low I could not get around the house. I tried almost everything I saw recommended for catarrh, but failing in every instance of being relieved, I became very much discouraged. At last I decided to take Hood's Sarsaparilla and began to get relief. I have now used, within two years, ten or twelve bottles and I feel better than I have for years. I attribute my improvement wholly to the use of Hood's Sarsaparilla. Mrs. CHAS. RHINE, Corner York and Pleasant Streets, Hanover, Penna. Where is Johnsonville? "I have bought a farm of 700 acres with the money made working for you, and it is in a flourishing country I think I shall establish a town on it, and call it Johnsonville." This is the young man started in business something over two years ago, with scarcely a dollar, and his profits footed up to over \$1000. There are hundreds and thousands of young men in this glorious country of ours who can do just as well as B. F. Johnson, Esq., Johnsonville, Va., and they will give you an opportunity to do as well or better.

Ice cream was first made and sold in Philadelphia ninety-one years ago. Mr. Rudolph Kriele, Superior, Wis., writes I have tried the St. Bernard Vegetable Pills, received from you some time ago.
