#### TC WONDER!

"Can you te'l me where I can go to hear some good singing" au eagerlooking guest asked of the hotel clerk. "I haven't heard any in ten years." "You haven't?" exclaimed the clerk.

"Where've you been? Traveiling in Africa?"

"No; I've been on the road with a comic opera troupe."

Paterfamilias (furiously) - You scound.ell why did you elope with my daughter?

New Son-in-Law-To avoid the insufferable fuss and nonsense of a society wedding.

Paterfamilias (beamingly) - Thank Heaven, my daughter got a sensible busband anyhow.

### HORSE SENSE.

Mrs. Eastern - My goodness me, Hiram, I see by the apers that a man has just died aged 118 years. Mr. Eastern-Waai, wan't it 'bout time, Maria?

PROOF POSITIVE.

Clara - I wonder if George drinks? D lile - Of course he does. "How do you know?" "His breath smells of cloves every time he comes to sée me.

ECONOMY.

"You are getting extravagant," remarked Mr. Trotter as his wife drove home in a cab

"No, my dear," she answered, "it was a matter of economy. I was made late by waiting haif an hour for two cents change."

### WANTS A GENILE.

"Do you warrant this bicycle to be gentle?'

"I don't understand you, sir." "I want to know about is habity. The last bicycle I had not only threw but whirled about as I struck me, the ground and jumped all over me.

No Safer Investment Can Be Found The Atlantle-Pacific Railway Tunnel is now the longest and deepest underground work in Colorado, its heading being more than 2,300 feet below the surface. It is to be completed in three years, and the Denver, Apex and Western Railway, in its new direct route from Denver to Salt Lake, will use it on a right-of-way lease for twenty years, paying \$1.00 a head for passengers and 50 cents a ton on all freight transported through the tunnel. This will give the \$3.000 per day for its use for railway purposes alone, aside from the millions they will yet obtain from the sale of gold, silver, copper and lead taken from he veins the tunnel will cross-nineteen having already been crossed. It is the greatest enterprise of its kind in the world, and all who invest in the bonds and shares of the company will be great gainers. The new twelve-page pamphlet, as sent to those who address Mark M. Pomeroy, President, Room 46, Palitzer Building, New York City, is very interesting, giving as it does, facts and so many endorsements of the work by leading newspapers and business men of Colorado. The Rocky Moun-tains are being tunneled, for a fact, and SEAL { there are millions of profit in it for all investors.
