Snow.

Tuesday morning mother earth was eovered with about two inches of snow. This of course was not enough for sleighing, and was about the first we Albert Schenck, farmer, Liberty twp. had. Wednesday morning we had Andrew Whitehill, farmer, College about four inches more and it kept up nearly all day, but it is not exactly the kind for good sleighing, being light and flakey, however, many are making good use of it and sleighs have been numerous.
