How to get a Supervisor in Jail.

Judge Woodward, of Wilkesbarre, like other Judges, has been imposed upon a great deal and annoyed by the indefinite way constables have of reporting the condition of the public roads. The other day Judge Woodward reproved a constable for his indifferent report and closed: "Many of the roads are in wretched condition. The court knows it but there seems to be almost as great a distance as ever between the knowing of this fact and the amending of it." Then spoke up another constable saying that the roads in his section were just passable. "Well, sir, replied the judge, sharply, "you return those supervisors and get them in jail quick if you can. The law says that the roads must be in good condition and not just passable."

A Wonder Worker.

Mr. Frank Huffman, a young man of Burlington, Ohio, states that he had been under the care of two prominent physicians, and used their treatment until he was not able to get around. They pronounced his case to be Consumption and incurable. He was persuaded to try Dr. King's New Discovery for Consumption, Coughs and Colds and at that time was not able to walk across the street without resting. He found, before he had used half of a dollar bottle, that he was much better; he continued to use it and is to-day enjoying good health. If you have any Throat, Lung or Chest Trouble try it. We guarantee satisfaction. Trial bottle free at J. D. Murray's Drugstore.

Good Book to Read on the Cars.

Boerhaave's library contained a thick volume, richly bound, which the owner said would be found to comprise the finest secrets of the medical art. On opening it all the pages from first to last were discovered to be blank. On the title page alone was to be read the following sentence: "Keep your head cool, your feet warm, and your stomach free, and you may laugh at the doctors."

will be paid for a recipe enabling us to make WOLFF'S ACME BLACKING at such a price that the retailer can profitably sell it at 10c. a bottle. At present the retail price is 20c.

This offer is open until January 1st, 1893. For particulars address the undersigned.

ACME BLACKING is made of pure alcohol, other liquid dressings are made of water. Water costs nothing. Alcohol is dear. Who can show us how to make it without alcohol so that we can make ACME BLACKING as cheap as water dressing, or put it in fancy packages like many of the water dressings, and then charge for the outside appearance instead of charging for the contents of the bottle?

Warned In Time.

People will have themselves largely to blame if the horrid grip secures a foothold here this winter. The Board of Health should be warned of a few days ago. Physicians all agree that with proper precautions the disease may be prevented. And not only persons, in fact any one whose system is run down, require a healthful stimulant just now. The medicinal value of this point. Kleins' "Silver-Ag" and "Doqense" are the whiskeys which respectively at \$1.50 and \$1.25 per full quart are the purest and best stimulants known. The most skilled practitioners in the country endorse and prescribe these brands and leading hospitals use them exclusively. Major Klein also sells duck-embroidered, Frach-Gibson, Overholt, and a Creek at \$1 per quart or six quarts for \$5. His establishment is headquarters for everything in the liquor line. It is a Good Thing. I say this for Pan-Tina: I have been in the drug business many years and this is one of the most successful Cough remedies I have sold. A case in point, a neighbor, Mr. L. H. Nicodemus had a chronic Cough of six years' standing, which no medicine would relieve. I recommended Pan-Tina, and its effect was magical. It is a good thing. J. ROSS MATHER, Altoona, Pa.
