THIRTY PERSONS KILLED.

The Horrors of a Hotel Fire In New York Sunday Night.

NEW YORK, Feb. 7 .- A disaster appalling in horror, bringing to mind the terrible occurrence in Park Place, still fresh in the public mind, occurred in this city early this morning. Hotel Royal, that well-known landmark, which has stood for more than a quarter of a century at the southeast corner of Sixth avenue and Fortieth street, was burned to the ground and a large number of people were burned, suffocated or crushed in the ruins.

At the time of the disaster there were nearly 150 guests in the hotel. The hotel employees all told number fifty five. Of this number of people five have thus far been found dead, six are in the hospital and sixty-three have been reported alive. One hundred are still missing. The number dead will probably not exceed, at a later estimate, thirty persons.

To The Ladies of Centre County.

Ladies who are interested in the art of dress cutting should call at Mrs. G. S. Clements, agent and teacher at Centre Hall, for Newton's French and Tailor System of dress cutting, and receive thorough instructions without the use of patterns; also teach economy in drafting seams. The First Step.

Perhaps you are run down, can't eat, warned In Time.

A Full Equipment.

The REPORTER office received a full and fine equipment of job type of the latest styles and designs, for the execution of all kinds of job work. All old type has been thrown out and their places supplied with new, and we now have a modernly equipped office. Work will be executed with neatness and dispatch. We carry in stock a fine line of wedding invitations, wedding envelopes, cards, letter and note heads, etc., etc., and guarantee our work to be strictly first class,-if in need of anything enumerated give us a call, and we will gladly quote prices.

Henry Vincent, a colored man, aged about thirty years, died in jail, at Carlisle, under peculiar circumstances. He was serving a sentence of eighteen months for furnishing liquor to minors, and wanted a release. He had lung trouble but was not seriously ill. He resorted to starving himself with a view to breaking down his health so as to secure the desired release. The result was that he carried the experiment too far and his death followed.

Increase of Wages

The P. R. R. has decided to increase the wages of the employes as follows: Conductors, \$3.30 a day an increase of 25 cents; brakemen, \$1.80 a day, an increase of 15 cents; parlor car conductors, \$2 a day, an increase of 25 cents, through baggagemen, \$1.95 a day, an increase of 10 cents; local baggagemen \$1.85 a day, an increase of 20 cents.

Governor Pattison has issued an appeal to the citizens of this State to contribute toward the starving people in Russia.

The Little Ones

Should be carefully considered, especially when thes con ract Coughs and Colds. Croup is the demon of childhood, as many a fond mother knows. Do not allow a Cough or Cold to run on. Whether young or old, it may be the forerunner of an untimely death. We can confidently recommend all readers to use Pan-Tina, the celebrat, d remedy for Coughs, Colds and Coesus pa tion, costs 25 and 50 cents. Trial bottles of Pan-Tina free at J. D. I, the undersigned, suffered from epilepsy for 8 years, had no appetite and could do no work whatever; consulted a number of doctors, but all said there was no remedy for my disease.
