sostume is an expensive handsome purchase.
The chemise, long kirt, is very richly embough to form a ackets of white cloth, and are elaborate. part of the dress. silver ornaments
for the head neck and arms, a red named articles are luxuries, however,
and vary according to the means.
Rich maidens braid long strings of coins into their tresses, and at a
country dance, where the costume is the suitor are as much attracted by
the back vew as by the faces of the
fair creatures. For every-day use handkerchief over the head, and they Where roligglase Comes Prom.
The best Isinglass comes from Russ
where it is obtained from the Casplan Sea and the rivers which run
into it. This fish often grows to the
length of twaty-five feet, and from processes before belogg ready for sale,
but the Russians, knowing it has the repuratoin of being the best, take
great pans its preparation, and in
the world's markets in no rival. A great deal is made along
the Amazon, in Brazi, but it is very
ierse and interlor and in the refning of liquors and similar
purposes. The adulteration of good
isinglas. with the always be detected by placing sam.
ples in boilling water. The best isin-
glass will dissolve completely, leaving an visisle residuum, while the inferiog
rariety will show threass of fibrous
lisue and be of dark coll most brown.-sh.
