#### DOCTOR LEMON.

## What the Little Fellow Will do for You. In Saving Doctors Dills.

Do you want to know a name of one of the best all around household doctors and certainly the cheapest that can be found in any country?

It is Dr. Lemon. Yes, an ordinary, sour, yellow lemon, which you can buy at any grocery for a few cents. Here are some of the things Dr. Lemon will do for you if you will give him the chance.

Squeeze him into a glass of water every morning and drink him with very little sugar. He will keep your stomach in the best of order and never let Mr. Dyspepsia, whom he hates cordially, get into it.

If you have dark hair and it seems to be falling out cut a slice of the doctor and rub him on your scalp. He will stop that little trouble promptly. Squeeze him into a quart of milk and he will give you a mixture to rub H. N. Grenninger, member of the on your face night and morning and

get a complexion like a princess. Pour him into an equal quantity of glycerine and rub your hands with the mixture before going to bed. If you don't mind sleeping with gloves on, that is better still, and helps the doctor considerably in the task of whitening your hands. In the morning wash your hands thoroughly in warm water and apply the doctor again pure, but only a few drops of him this time. You must not keep this up too long or your hands will show such a dazzling whiteness as to make all the other young ladies in the vicinity jealous.

If a bee or an insect stings you clap Newport and Marysville-S. P. Reem- a drop of the doctor on to the spot and you will find yourself the better Nervous Prostration, Sleeplessfor it.

If you have a troublesome corn the doctor can be again put to good account by rubbing on the toe after you S. W. Seidert, member of Newport have taken a hot bath and cut as much and Maysville Quarterly Conference. as possible of the trublesome intruder

Besides all this the doctor is always H. B. ## We use Alco

pure alcohol to make WOLFF'S ACMI BLACKING. Alcohol is good for leather; it is good for the skin. Alcohol is the chief ingredient of Cologne, Florida Water, and Bay Rum the well known face washes. We think there is nothing too costly to use in a good leather preservative.

and at that price sells readily. Many people are so accustomed to buying a dress-ing or blacking at 5c. and 10c. a bottle that they cannot understand that a blacking can be cheap at 20c. We want to meet them with cheapness if we can, and to accomplish this we offer a reward of

for a recipe which will enable us to make WOLFF'S ACME BLACKING at such a price

that a retailer can profitably sell it at 10c. a bottle. We hold this offer open until Jan. 1st, 1893.

WEST BROUGHTON, Quebec, Oct. 1, '90. The Pastor Koenig's Nerve Tonic I ordered was for a young lady of my household, who was almost useless to herself and others, owing to nervous prostration, sleeplessness, weakness, &c., &c. To-day there is quite a change. The young person is much better, stronger, and less nervous. She will continue to use your medi-cine. I think it is very good. REV. P. SARVIE.
