Miss Flora Love departed last Thursday morning for Mechanicsburg for a visit with the family of Rev. W. K. Foster. She returned again on Tuesday evening. Mr. J. Swartz, of Dakota, Ill., writes us: "We had the worst blizzard on 9th and 10th that we had all winter; we had a very changeable winter, and will have a late spring the way it looks." After quite a wrestle for several weeks past with pneumonia and other complications, Mr. James W. Runkle, east of Centre Hall, is again able to be out, and on the road to full recovery of health. R. B. Spangler having disposed of his interest in the meat market, will move to Hastings, Pa., where he will take the management of a hardware store. Vought, formerly a pastor of the Centre Hall Evangelical church, but a minister in the Methodist field, stopped off on Wednesday, at this place, while on his way home from the conference at York. He has again been assigned at Ramey, Clearfield county. Ex-Sheriff Spangler who had been laid up of pneumonia, at New Berlin, for near two weeks, arrived home by last Saturday evening's train accompanied by Mrs. Spangler. DEATH OF JOHN KREBS.

A Highly Respected Citizen of Ferguson Passes away. In last week's issue of the REPORTER mention was made of the serious illness of Mr. John Krebs, of Pine Grove Mills, from an affection of the heart, and it becomes our sad duty this week to announce his death which took place on Wednesday evening last, 9th at ten o'clock. He had been in precarious health for a year or more from an affection of the heart and stomach and his condition grew gradually more and more serious until death ended his sufferings. He was a man about 58 years of age and was born and raised on the farm from which he will be buried. He was the oldest son of Squire Krebs and a brother of Judge David Krebs, of Clearfield. He was married to Miss Annie Musser, a sister of Mrs. Frank B. Stover, of Bellefonte. The deceased leaves a wife and five children which are as follows: Mrs. Wm. Roush, of Pine Grove Mills, Miss Ina, Baker, Newton, and Henry. Two brothers survive him; Levi who lives on a farm near by and William who is in Kansas. His mother is still living, who is a very aged lady. The deceased was a consistent member of the Lutheran church, and lived an upright Christian life. The funeral took place from his late residence near Pine Grove Mills on the following Saturday afternoon and was largely attended by friends who wished to pay last tribute to deceased. Stricken Live Stock. There is no little anxiety among some of the farmers in this section owing to the diseases which manifest themselves in the horses, cattle and sheep. A number of horses have died the past several weeks from a disease which seemingly paralyzes their hind quarters, until death sets in. A number of sheep have died lately from a disease much resembling the staggers, and once they are seized with an attack of the disease they seldom recover. Some sheep owners have lost several already from their flocks, and we expect to hear of more. The cattle also have some disease raging among them, but the nature of it we have failed to learn. Aged Couple Found Dead. The Milton Record says: Conrad Cotner and wife, who have lived for years in Limestone township, Montour county, Washingtonville, were found dead in bed last Thursday morning. They were both advanced in years, but retired in usual health. When their son called them to breakfast the following morning he received no response and upon going to their room found them both dead. Death is supposed to have been caused by apoplexy. Mr. Cotner was a man of considerable wealth and he and his wife were well known and estimable persons. Their sudden calling off created no little excitement in the community where they were universally respected. A Centre Hall Boy Married. Mr. John Miller, of Johnstown, Pa., and Miss Grace Achenbach, of Loganton, were married in the Lutheran church at Loganton, on Thursday evening, March 14, by Rev. E. E. Dieterich. John is a son of the late Rev. J. K. Miller, who resided in Centre Hall for a number of years up to a few years ago when he removed to Loganton. Mr. and Mrs. Miller will reside in Johnstown, where he is engaged in the grocery business in connection with his brother. The Good Man Will Was Wroth. The flitting season is here and the roads will soon be lively with wagons filled full of household effects. Some are glad to flit—others sad—at best it is not profitable nor pleasant, except to the invited ones who look ahead to a good meal and a hoe-down. But to the owner, who has his goods damaged and a big time until he gets "fixed" in his new home, there is not the same amount of enjoyment in flitting. Committed Suicide by Hanging. Miss Kate Baker, aged about 45 years, committed suicide on Monday morning, 7th, by hanging herself from a joist in an outbuilding at the home of her sister, in Buffalo township, near Cowan, Union county. Temporary aberration of mind is attributed to Miss Baker's rash act. Red Nose Mike's Body Stolen. The body of "Red Nose Mike," the famous Hungarian, who was hanged for the murder of paymaster McClure, in 1888, has been stolen from its resting place in the cemetery at Wilkes-Barre. It is supposed that the body was stolen for dissection. Death at Egg Hill. Miss Kate Dashmer died at Egg Hill on Friday last, March 10th, aged about 80 years. She was interred at Farmers Mills cemetery on the following Sunday. The services were conducted by her pastor, Rev. W. E. Fischer. Every well dressed gentleman get his clothing from the Philad. Branch Bellefonte. They can fit you out in anything you want, at a bargain. You'll miss it greatly if you don't call to see his stock.

DISTRICT INSTITUTE.

The Opening Session Friday Evening. An Interesting Program Prepared. The Teachers' District Institute, composed of teachers of Ferguson, College, Harris, and Potter townships, and Centre Hall borough, will meet in session, in Centre Hall, on Friday evening next, March 18th, and to continue until the following Saturday afternoon. For the Friday evening session, the committee have secured W. I. Swope, Esq., of Bellefonte, to deliver an address. He will also give several recitations. An effort was made by the committee on arrangements to secure one of the churches of the town in which the sessions of institute could be held, but they were unsuccessful, and the institute will be held in one of the rooms of the school building. Various topics will be discussed during institute and they will not only be of interest to the teachers, but the spectators as well, and it is hoped that there will be a big turnout by the citizens and a full attendance throughout it all. Death of Mrs. Russel Moyer. Ella, wife of Russel Moyer died on last Monday morning at about nine o'clock after a short illness of only about one week, of pneumonia, at the home of her husband on Hoffer street. Mrs. Moyer was a victim of an attack of the grip which developed pneumonia. She was a daughter of Michael Confer, of near Potters Mills, and was aged about 24 years. She was the mother of four children, three of whom with her husband survive her, one having died only a few weeks ago. Her funeral took place on the following Wednesday afternoon from her late residence. Rev. Eisenberg, of the Reformed church officiating. Hunters See a White Deer. The Lock Haven Express is responsible for the statement that deer hunters in the vicinity of Caledonia are excited over a white deer which has been seen in the mountains near that place. It is said that it is a large white buck with spreading antlers and the fleetness of the wind. A party of hunters came suddenly upon the animal recently and fired at it, but none of the bullets took effect. Four Generations. The census enumerator at Warrensburg found a child three months old; the mother, Mr. Frederick Chandler, one month less than fifteen years; the grandmother, Mrs. John Allen, aged 33 years, and the great-grandmother Mrs. Oscar Greene, aged 54 years all residing in close proximity about six miles south of Warrensburg village. That represents four generations. These people evidently have done their level best toward increasing the next census count. A Handsome Fortune. It is reported that John Cable, of Pardee, recently fell heir to a handsome fortune by the death of a rich uncle, an old bachelor, who lived in Virginia. His portion of the estate will amount to about \$43,000, part of which he will receive April 1st and the balance in one year. Some time ago John Cable was employed by the Thompsons at Lemont. The Road to be Built. The Marsh Creek correspondent of the Gazette says: The through line of railroad from New York to Chicago is a certainty. Houses are being rented all along the line for the men to occupy while grading, and ere the storms of another winter begin to blow around us cars will be running up and down our own beautiful valleys. One Killed and Three Injured. A railroad tie sliding from its position on a car that was being removed at Huntingdon on Friday, was caught by a passenger train and hurled a gang of railroad builders nearby, killing Frank Waite, of Three Springs, instantly, and seriously injuring three others. Waite's back was broken and every rib dislocated. He was to have been married next week. Cut Down Prices. Lewins, at the Philadelphia Branch, Bellefonte, has made a big reduction in prices on all winter goods. An overcoat or warm suit of clothes can now be secured at cost. The goods must be sold to make room and he proposes to make the low price sell them regardless of any profit. No shoddy and every article purchased a bargain. Take advantage of this cut in price and you will not regret having done so. Three Years in Jail. On the 12th day of this month Charles Cleary will have been three years in the jail of Clinton county. The attorneys interested in the case were expecting a decision by the supreme court on Monday, but they were disappointed. The case has not been decided. Not Very Favorable Condition. Hon. J. C. Bucher, of Lewisburg who has been ill for some time past with typhoid fever, had a relapse Friday night, making his condition a very serious one.

BRANDON-PATTERSON.

An Interesting Wedding Event in Bellefonte Last Thursday Morning. The daily Gazette of Thursday morning says: This morning at 8:30, Mr. George B. Brandon, proprietor of the Brokerhoff House, and Mrs. Lucy Patterson, were united in the holy bonds of matrimony by the Rev. Dr. Laurie at the residence of the bride on West Allegheny street. The wedding was a quiet one and the newly married couple left on their wedding tour at 9:17 a. m. The bride is a sister of Mrs. C. D. Krider and Mrs. Ed. Rowe. They will visit all the principal cities of the East and we wish them much joy in their new life. On their return, they will locate permanently in this town at the new Brokerhoff House. Missionary Society Anniversary. Last Sunday evening the Ladies Aid and Missionary Society of the Reformed church, held their seventh anniversary. The opening services were the same as used at evening worship. This was followed by a dialogue and recitations by Jennie Thomas and Grace Alexander and one by three little girls. The solo by Miss Emily Alexander was well rendered. The essay by Mrs. Eisenberg was well written and the pleasing manner in which it was read deserves credit. This was followed by an address by the pastor, Rev. S. H. Eisenberg, the collection, a fine quartette entitled, "Abide with me, fast falls the eventide," doxology and benediction. Owing to sickness in many families the committee was much retarded in preparation—but we believe that this anniversary will compare favorably with other anniversary exercises. May success attend all the ladies' efforts put forth for the spread of Christ's Kingdom. Hunters See a White Deer. A DESPERATE LAD.

Ex-Com. Henderson's Son Attempts to Shoot Morgan Richards. The Centre Democrat of the 10th, inst says on Tuesday rumors were afloat about town of an affray at Julian on Monday night, in which Elmer Henderson attempted to shoot another young man, by the name of Morgan Richards. Upon inquiry, at the District Attorney's office, it was found to be correct and the following are the circumstances as related: Elmer Henderson is a son of ex-commissioner John C. Henderson, and clerks in his father's store at Julian, this county. On Monday evening young Richards was at the store and a quarrel arose between the two in regard to some lady friend of Henderson's living in that section. Richards made a remark about the young lady that angered Henderson, who swore that he would shoot Richards if he did not retract. Richards refused and left the store at once and went up town. Henderson then threatened that if he should pass that store on his way home he would blow his brains out. A brother heard the remark and warned Morgan of the threat and accompanied him on his way home. When they passed the store, being on the opposite side of the street, Henderson saw them and ran out. He drew his revolver and demanded a retraction or he would shoot. Richards backed when Henderson shot at him. Richards turned and ran up the road and Henderson followed shooting a second time. Neither shots, fortunately, took any effect. Information was made out on Tuesday at Bellefonte, and Capt. Montgomery was sent to make the arrest. It is said that the young man is in the habit of making such threats and that others may appear against him. Bail to the amount of \$500 was given for his appearance at April court. There are various stories afloat in regard to the affair but the above is as near the correct one as could be learned. Spring Military Announcement. Just received an elegant stock of spring hats and bonnets, ribbons, flowers, laces and trimmings of all kinds. I have a fine assortment of these goods and all hats will be trimmed in latest style. The ladies of Centre Hall and vicinity, are respectfully invited to call and inspect my stock of goods and they will find something that will suit them. The price also will be reasonable on everything. Thanking you for past favors, will respectfully solicit your further patronage. CORA B. BOOB, Centre Hall. Another Proposed New Railway. Citizens of Huntingdon, acting for the welfare of the town, have asked the attention of the Philadelphia and Reading railroad authorities to the project of making a railroad from Huntingdon to Northumberland and have received a favorable reply. The proposed new road is intended to connect the Huntingdon & Broad Top with the Reading system. President McLeod of the Reading, in a letter just received says that the connection can be made on the west side of the Susquehanna, so that a bridge at Northumberland will not be necessary. Has Been Called In. It has been discovered that the new twenty-five-cent silver coin is a dangerous piece on account of its striking resemblance to the ten-dollar gold piece. The coin had hardly begun to circulate freely when some scamps gold plated them and passed them for eagles. Will Prosecute. The St. Louis owners of the election booth patent, said to have been adopted by the Penna. commission, have sent notices to the county commissioners of the state warning them against the infringement. Farms Sold. The Bloom farm in Gregg township, containing 100 acres, was sold to Benjamin Stover, of Haines township, for \$7,000. Mr. James Hanna sold his farm in Georges Valley to J. D. Long, merchant at Spring Mills, for \$6,000. That Will Help Revive the Town. The Daily News says the rents in Bellefonte will be lower the coming year than they have been in ten years in Bellefonte. This is an evident fact that an inducement will be thrown out to have the citizens remain. Two Sales Every Day. In the county this month there will be two sales on every day except Sunday. The farmers are seemingly on a move and stock and implements ought to be purchased very cheaply from the amount that will be disposed of. Robbed in the Narrows. Jacob Fischer was robbed of \$16 in the Penna Valley narrows below Woodward one day last week by two highway robbers who stopped him on the road and asked in a threatening manner for his money or his life. When you want a shoe that will give you satisfaction both in price and quality, go to Mingle's shoe store, Bellefonte. He guarantees all goods sold and you get a genuine article.

In Memoriam to John Emerick.

In the death of Bro. John Emerick, Progress Grange, Centre Hall, Pa., lost a very valuable and devoted member; an officer who for many years served as its honored Treasurer; a Patron steadfastly devoted to the principles of the order; a citizen upright and honest; a Christian devoted and consistent. The members of the Grange deeply mourn the loss of his pleasant and congenial fellowship, and greatly miss him in his accustomed place and association. We extend to his family our sincere sympathies and pledge to his devoted wife (Sister Emerick) our support and protection in this hour of her great bereavement. In memory of his good name and fellowship we drape our charter in morning and record on a special page in our journal this memorial in his memory and send a copy to the wife of the deceased by direction of the Grange. C. F. ROMICK, COM. J. J. ARNEY, LEONARD RHONE. An Engineer Gets \$19,656. Erastus R. Bellows, an engineer on the Lehigh Valley road, who was struck by a railroad bridge a year ago near Towanda and had his skull fractured, incapacitating him from further labor, was awarded \$19,656 damages by a Bradford county jury last week. He had previously been awarded \$9,000 by arbitrators, but the jury thought this too small. Bellows was leaning out of the window of his cab looking for lights when he was struck. The cab he was in that night was narrower than the rest he had been working with and the company claimed that he was negligent by leaning out too far. The Poor Editor Again. If a doctor makes a mistake he buries it; if a merchant makes a mistake he never tells it; if a lawyer makes a mistake he crawls out it; if an editor makes a mistake he puts it up on a large piece of paper for the world to look at, and in every community there are cranks who think they are models of wisdom because they occasionally discover them, and for a week keep their jaws wagging about their greatness for astute wisdom.
