While they were laying plans to shut down the refineries here he went to Philadelphia, built a \$3,000,-000 refinery, and opened an active fight petition until this winter, when they became weary of the struggle and agreed to Spreckels' terms, \$8,000,000 for his Philadelphia refinery and liberty to controll all the sugar interests on the coast. So Spreckels came back with his \$5,000,000 in profits, ready to meet the Hawaiian planters and secure control of all the sugar crop of the islands. Spreckels gave \$1,000,000 each of his three children. The old man is worth fully \$20,000,000, all made out of sugar.
