The Road Question.

While light is breaking upon the road question, remarks the Altoona Tribune, a good many farmers regard it with suspicion. They are afraid of the cost. But they ought to know that there is an economy which leads to waste. Bad roads are the most expensive luxury in which any people can indulge. They wear out horses, destroy wagons, make half loads imperative, wasting time and shortening the lives of both man and beast. Farmers who are constantly compelled to make use of the miserable apologies for roads, which are the rule in this country, ought to be able to see that the most profitable investment they could make would be to put into the improvement of these roads a sum sufficient to make them really serviceable.

A Leader.

Since its first introduction, Electric Bitters has gained rigidly in popular favor, until now it is clearly in the lead among pure medicinal tonics and alteratives—containing nothing which permits its use as a beverage or intoxicant, it is recognized as the best and purest medicine for all ailments of Stomach, Liver or Kidneys.—It will cure Sick Headache, Indigestion, Constipation, and drive Malaria from the system. Satisfaction guaranteed with each bottle or the money will be refunded. Price only 50c. per bottle. Sold by J. D. Murray.

AN EGG-LAYING ROOSTER.

It is Double-Barreled and Astonishes the Doctors.

A rooster that lays eggs is attracting great attention in Lancaster county. This strange fowl is owned by E. E. Eshleman, a well known and reputable miller. Since March 6th it has laid thirty-nine perfect eggs. In the barn-yard it fulfills the usual duties of a rooster and it has a large red comb and wattles. Dr. J. H. Musser, of the Lancaster county Medical Society, to test the accuracy of the statement, took the fowl two weeks and had it confined and closely watched. Since that time it has laid 27 eggs.

A Full Equipment.

The REPORTER office received a full and fine equipment of job type of the latest styles and designs, for the execution of all kinds of job work. All old type has been thrown out and their places supplied with new, and we now have a modernly equipped office. Work will be executed with neatness and dispatch. We carry in stock a fine line of wedding invitations, wedding envelopes, cards, letter and note heads, etc., etc., and guarantee our work to be strictly first class,—if in need of anything enumerated give us a call, and we will gladly quote prices.

Will Make a Fortune Out of It.

A dispatch from Lock Haven says: Professor A. D. Meloy, of the Normal school, has a fortune in hand. He has invented a "burner" for the electric light, so that it can be managed the same as an oil or gas light. He uses one in his room and it works like a charm. It will do away with the old system—"full blaze or out." He has applied for a patent, and it is understood that the sockets for new burners will be manufactured by an organized company at Lock Haven.

Nothing Succeeds Like Success.

It can be said without fear of contradiction that no medicine has had greater success in curing Coughs, Colds, Hoarseness and Consumption, than Pan-Tis. This celebrated remedy stops coughing, soothes the throat and lungs, and induces a good night's rest. Hundreds can testify to the remarkable and life-saving virtues of this great remedy. Pan-Tis costs only 25 and 50 cents. Trial bottles free at J. D. Murray's Drug store.

Sleeplessness Cured.

ST. SEVERIN, Keplerton P. O., Pa. I am glad to testify that I used Pastor Koenig's Nerve Tonic with the best success for sleeplessness, and believe that it is really a great relief for suffering humanity.

OLDTOWN, Md., September, 1893. One of the parties to whom I sold some of Pastor Koenig's Nerve Tonic was telling me today that he had suffered from great distress and pain through his whole body. After using one bottle he was entirely cured.

My wife suffered for a number of years from violent nervousness and spent hundreds of dollars for doctors and medicine, but all to no avail. After taking only two bottles of Pastor Koenig's Nerve Tonic her trouble has subsided.
