Post Office "Don'ts."

Don't mail any letters until you are sure that it is completely and properly addressed.

Don't place the address so that there will be no room for the post mark.

Don't fail, in the hurry of business, to write the name of the you intend and not your own—a very common error.

Don't fail to make certain that your manner of writing the name of an office or state may not cause it to be mistaken for one similar in appearance. It is often better to write the name of the state in full.

Don't fail, if you are in doubt as to the right name of the office for which your letter is intended to consult the Postal Guide, which any postmaster will be pleased to show you.

It is calculated that the number of immigrants who have come into the United States in the last hundred years in round numbers is 16,000,000, or the equivalent to one-fourth the present population of this country.

Those who may fail to qualify at the regular examinations and any wishing to better their marks may have a second trial at any of the specials.

A Contract for 250 Cars.

The Huntingdon and Broad Top Railroad will in a few days award a contract for 250 hopper-gondola cars of 60,000 pounds capacity, Pennsylvania railroad standard, to accommodate its rapidly growing local trade.

The New County Boom.

A Tyrone special says: The new county boomers now claim to have a pledge from a candidate from the legislature; whose election is beyond a doubt, that he will offer and press the bill for a new county at the next session.

Barbed Wire Fences.

An exchange makes this excellent suggestion: "Persons who use barbed wire for fences should, in all cases, have a substantial rail or board at the top of the fence, and it would be well if the top rail or board be kept white-washed."

A Leader.

Since its first introduction, Electric Bitters has gained rigidly in popular favor, until now it is clearly in the lead among pure medicinal tonics and alternatives—containing nothing which permits its use as a beverage or intoxicant, it is recognized as the best and purest medicine for all ailments of Stomach, Liver or Kidneys.

Communion Services.

The Lord's Supper will be administered in the Georges Valley Lutheran church, Sunday, May 1st, at 10 a. m. Preparatory services Saturday previous at 2 o'clock, p. m.

We have received from Richard A. Saalfeld, 794, 796 and 798 Tenth Ave., New York, the first number of a musical monthly entitled, The New York Musical Monthly. It is a marvel of cheapness and excellence. It fairly staggers us. How any publisher can afford to give so much for so little surprises us. We all know what music costs, but here is a publication of 32 pages of music, large size, large print, equal in every respect to high priced music, which is offered to the public at 15 cents per copy, or \$1.50 per year, postpaid. The number to hand contains, Nightingale Song, from the Tyroler, by Genée; Ta-ra-ra-Boom-de-ay, by Ascher; Love and Duty, song, by Dryden; Senenata (Italian) waltz, by Jaxone; Kitsin Schottische Militaire, by Leggett; Darkie's Dream, by Lansing; Tyroler waltz, by Pratt, any one of which is worth the price asked, while the Ta-ra-ra-Boom-de-ay is the piece that is being sung everywhere and made such a success in London and Paris.

Consumption Cured. An old physician, retired from practice, having had placed in his hands by an East Indian Missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe in German, French or English, with full directions for preparing and using, sent by mail by addressing with stamp, naming this paper, W. C. NOYES, 820 Poyers Block, Rochester, N. Y.

Guaranteed Cure. We authorize our advertised druggist to sell Dr. King's New Discovery for Consumption, Coughs and Colds, upon this condition. If you are afflicted with a Cough, Cold or any Lung, Throat or Chest trouble, and will use this remedy as directed, giving it a fair trial, and experience no benefit, you may return the bottle and have your money refunded. We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottles free at J. D. Murray's Drug Store. Large size 50c. and \$1.00.

A Full Equipment. The REPORTER office received a full and fine equipment of job type of the latest styles and designs, for the execution of all kinds of job work. All old type has been thrown out and their places supplied with new, and we now have a modernly equipped office. Work will be executed with neatness and dispatch. We carry in stock a fine line of wedding invitations, wedding envelopes, cards, letter and note heads, etc., etc., and guarantee our work to be strictly first class, if in need of anything enumerated give us a call, and we will gladly quote prices.

Two Valuable Friends. 1. A physician cannot be always had. Rheumatism, N. uralgia, Sprains, Bruises and Burns occur often and sometimes when least expected. Keep handy the friend of many households and the destroyer of all pain, the famous Red Flag Oil, 25 cents. 2. Many a precious life could be saved that is being recked to death with that terrible cough. Secure a good night's rest by investing 25 cents for a bottle of Pan-Tiss, the great remedy for Coughs, Colds and Consumption. Trial bottles of Pan-Tiss free at J. D. Murray's Drug Store.

Locating a New Railroad. A corps of engineers are at present running lines and making surveys through Nittany Valley. They are now in the vicinity of Nittany Hall. The engineers have but little to say, and what the result of the work will be is only conjecture.

Not Having the Best of Luck. Trout fishermen are not having the best of luck, so far this spring.

Wanted.—25 bushels of Pound apples, at once.—G. O. Benner.
