The tenth annual meeting of the Juniata Valley Editorial association was held in the Tribune office, Altoona Friday afternoon and was quite well attended. The secretary and treasurer's report was read and approved. The following officers were elected for the ensuing year: President, H. C. Dern, Altoona Tribune; vice president, Frank Mortimore, New Bloomfield Times; secretary and treasurer, E. Conrad, McVeytown Journal; executive committee, Hugh Lindsay, Huntingdon Local News; T. H. Harter, Middleburg Post; and W. W. Trout, Lewistown Free Press. The time of the next annual excursion was fixed for September 5th. The place and details were left to the executive committee to arrange. The following resolution was adopted:

Besolved, As a protection to the publishers of the Juniata valley who are members of the Juniata Valley Editorial association, that each publisher furnish the secretary with a list of subscribers who fail to pay their subscriptions after due notice, this list to be printed and sent to the members of the association at least once a year. Also, that the names of advertising agents and foreign advertisers who de fraud publishers be printed and sent to members in January and July of each year.

POLITICAL WOOL-PULLING.

The chief protection organ opens the campaign against free wool by asserting that "in effect the destruction of wool-growing as an American industry would inevitably result" from remov-

What a high tribute to the American farmer is involved in the baby-act plea that we cannot raise sheep unless "protected" by a tax.

Will the organ explain to its benighted readers how it was that the infant industry of sheep-raising and wool-growing existed and prospered in this country without the aid of any tax up to 1824—thirty-five years after the adoption of the constitution and the first tariff?

Will it tell why the greatest slaughter of sheep for their pelts in the history of the wool industry in this country occurred directly after the heavy increase in the tariff in 1866—'67.

Will it explain how, if "protection" is necessary to sheep raising, free-trade Great Britain maintains on her highpriced lands a larger proportion of sheep to population than this country can show, with its boundless extent of cheap lands and after nearly seventy years of "protection?"

Finally, will it tell why the price of domestic wool dropped after the Me-Kinley act raised the duties?

The old game of pulling the wool over the eyes of the people will not work this year .- New York World.

The "Chronicle" Syndicate.

According to the Lewisburg News on last Saturday the Lewisburg Chron- BUGGIES, CARTS, :. icle was sold at public auction, the consideration being \$1,226. The plant was bought by a syndicate composed of Messrs. C. H. Hassenplug, A. M. S. Potter, Senator S. D. Bates and W. C. Gretzinger, and the purchase includes building, type, presses, good will, etc. At one time the Chronicle was a Republican paper, and before the newspaper field in Union County became so thoroughly occupied, did a good business. What its policy will be will doubtless be announced in this week's FARMERS :.

pure alcohol to make WOLFF's ACMA BLACKING. Alcohol is good for leather; it is good for the skin. Alcohol is the chief ingredient of Cologne, Florida Water, and Bay Rum the well known face washes. We think there is nothing too costly to use in a good leather preservative.

Acme Blacking retails at 20c. and at that price sells readily. Many people are so accustomed to buying a dressing or blacking at 5c. and 10c. a bottle that they cannot understand that a blacking can be cheap at 20c. We want to meet them with cheapness if we can, and to accomplish this we offer a reward of

for a recipe which will enable us to make WOLFF'S ACME BLACKING at such a price that a retailer can profitably sell it at 10c. a bottle. We hold this offer open until Jan. 1st, 1893.

Perfectly Well. FILLMORE, Dubuque Co., Ia., Sept., 1839. Miss K. Finnigan writes: My mother and sister used Pastor Koenig's Nerve Tonic for neuralgia. They are both perfectly well now and never tired of praising the tonic.

It Was Indeed a Miracle. 384 First St., Brooklyn, N. Y., Aug. 3, '00. 384 First St., Brocklyn, N. Y., Ang. 3, 90.

I wish to state what a wonderful benefit Prator Koenig's Nerve Tonic has been to my brother, who has suffered from rheumatism since 1885 and has not been able to do work of any kind since that time. He has tried all kinds of patent medicines and different doctors of skill, but all without benefit, until he took the Tonic He has continually improved since, and I will say, and hundreds besides me who have seen him during his sickness, that it was indeed a miracle to see him restored to health.
