As sure as the world moves so sure does Spring Mills. The station trio has lost a member;

he having lately acquired the art of making pills. There are more mud holes in the

Coopertown road than you can tramp into in one day. Mr. James Beaty was buried on Wednesday, June 1st, in the Georges

Valley cemetery. Secrecy does not cause strife, and it might smoothen affairs considerably if the swells in town would keep their affairs a secret.

It would be a good thing if some parents would accompany their children to church and keep an eye on them during the services. What say you who have been annoyed?

Mr. M. H. Guise and J. N. Leitzell signed a contract for making the new bridge, on Decoration day. "The better the day the better the deed." Of course this is also the reason why Grover Cleveland catches more trout on Memorial day than any other.

It is exceedingly kute and kweer to be near the foot log about sunset and and see big boys like John and Bob and Tom and Jake crowd around the mistress of the house, each humbly begging for the door key, like so many wee, wee kittens begging for a bit of milk.

Spring Mills, together with its suberbs, can boast of having more names than any other town of its size in the state. But Guinea Hill is on top just now. Whether it consists in the name or not is hard to determine, as the guinea is usually regarded as a timid fowl. Be that as it may, they sometimes become independent and give a person a good flopping. Williams and Wasson can tell you more about this.

As gently sinks the setting sun, Shedding his last departing ray, Spooky goes to R's, on the run, And stays until next day.

The pensive twilight intervenes And draws its mantle close around; Till they usurp the quiet scenes, And wrap each other in arms so round.

Can any view these scenes so dear, And turn unmoved his eyes away, Nor feel the watchful presence near Of two who are so true and gay.

Decoration day passed off very quietly at Spring Mills. The crowd was not as large as on former occasions but a more earnest, truly patriotic crowd was never seen in town before. At 5 p. m. the Veterans began to assemble at the Grange hall, and at 9 quite a respectable number of the G. A. R. and K. G. E. left that place for the Presbyterian cemetery accompanied by a drum corps. Rev. Minnich addressed the people at the cemetery in a very instructive and able manner, after which all went home satisfied that a more orderly crowd was never seen in Spring Mills on Decoration day before.
