MUSICAL COLLEGE.—The Summer Term opens August 1st., in Vocal and Instrumental Music. For catalogues address Henry B. Moyer, Free-burg, Pa.

THE OPENING OF THE SEASON

The extraordinary success of the series of Pennsylvania Railroad excursions to the New Jersey coast for several years back demonstrates the enormous popularity of these trips. Last year the success was unprecedented. For the season of 1892 the very best dates have been selected and every detail to promote the comfort and pleasure of the excursionist will be added. The dates are July 7th and 21st, August 4th and 18th, 1892. These dates cover the time when sea bathing is finest, fishing is in its prime, and all manner of seaside attractions in the best form for thorough enjoyment. One who misses the opportunity of taking one of the series gives up a delightful experience of the summer.

The tickets include the choicest points on the coast and are available for Cape May, Atlantic City, Seal Isle City, or Ocean City at the same rate. The excursion tickets, good for twelve days, are to be sold at a rate of \$10.00 from Pittsburg, and at correspondingly low rates from other stations.

A special train of Parlor Cars and Day Coaches will leave Pittsburg at 8.50 A. Passengers will spend the night in Philadelphia and proceed to the sea-shore by regular trains of the next day.

FARMERS' MILLS.

Interesting Items as Given by our Wide-awake Correspondent.

The recent heavy rains did much damage to hilly corn fields.

By present indications, corn, potatoes, oats, etc., are promising a good crop about here.

An infant of Mr. and Mrs. Scott McMurry was buried here about a fortnight ago.

Dunkard meeting at the Logan school house, one mile north of here, next Saturday evening.

Rev. C. S. Stover, of Bedford county, is paying a few days' visit to his many friends at this place.

David Foreman and Charles Kurtz, both candidates for prothonotary, were here recently looking up their chances.

Grass and grain will yield a heavy crop here, and the recent rain storms have caused much of it to lodge badly, and some of our farmers intend cutting grass for hay the latter part of this week.

About a baker's dozen of our young sports rigged up in the Long Bros. hack last Saturday and hid themselves to Coburn, Millheim, etc., and report having a good time generally, but considered the Coburn festival a big farce.

Canada thistles are getting very numerous about here, and many patches get very little, if any attention, and when fellows declare they "will not touch them" it's about time to apply the thistle law, to prevent them from spreading.

A Full Equipment.

The REPORTER office received a full and fine equipment of job type of the latest styles and designs, for the execution of all kinds of job work. All old type has been thrown out and their places supplied with new, and we now have a modernly equipped office. Work will be executed with neatness and dispatch. \$10,000

will be paid for a recipe enabling us to make WOLFF'S ACME BLACKING at such a price that the retailer can profitably sell it at 10c. a bottle. At present the retail price is 20c.

This offer is open until January 1st, 1893. For particulars address the undersigned.

ACME BLACKING is made of pure alcohol, other paid ingredients are made of water, water containing nothing. Alcohol is dear. Who can show us how to make it without alcohol so that we can make ACME BLACKING as cheap as water dressing, or put it in fancy packages like many of the water dressings, and then charge for the outside appearance instead of charging for the contents of the bottle?

WOLFF & RANDOLPH, Philadelphia.

PIK-RON is the name of a paint of which a 25c. bottle is enough to make six scratches and dilled cherry chairs look like newly finished mahogany. It will do many other remarkable things which no other paint can do. All retailers sell it.

PASTOR KOENIG'S NERVE TONIC

Two Bottles Cured Her. VI

CARROLL, Iowa, July, 1889.

I was suffering 10 years from shocks in my head, so much so that at times I didn't expect to recover. I took medicines from many doctors, but did not get any relief. One day I saw Pastor Koening's Nerve Tonic. The second dose relieved me and 2 bottles cured me.

S. W. PECK.

HARRISVILLE, Pa., March, 1891.

We began using Pastor Koening's Nerve Tonic for our 15-year-old daughter (who had had epileptic fits since she was 5 years old) over a year ago with but little hope of any good, as we had been so often disappointed in other remedies, but soon after using this medicine she began to get better, and we hope that any and all ailments with this terrible disease will try your wonderful remedy. I recommend your medicine to every one affected with any nervous affection whatever.
