SPRING MILLS.

The Southern Precinct of Gregg Divided, Other Interesting News.

Mrs. C. P. Long is visiting friends at Howard.

No serious damage was done here by the late heavy rains.

Farmers are ready for haying; they have the grass cut and are now waiting for the sun to shine.

Mr. Elias Fetterolf together with his daughters Mrs. G. B. Crawford, Mrs. J. K. Bitner, and Mrs. C. A. Krape, left for Selinsgrove to attend the wedding of his son, Rev. R. F. Fetterolf.

On the 29th and 30th of July Centre Castle, No. 169, K. G. E., will hold a Harvest Home festival, up at the town hall. All the neighboring Castles together with the public generally are invited. A band has been secured for the occasion and a good time is anticipated. Refreshments can be secured on the ground. As the eagle here does not often flap his wings or ruffle up his feathers, it will undoubtedly be of interest for lovers of fun to attend.

A number of our citizens went to Bellefonte on Monday with a petition praying the court to divide the Southern precinct of Gregg township into two precincts. After hearing some of the members of the delegation, Judge Furst granted the division as set forth in the petition. The new voting place will be in the public house of D. H. Ruhl, and will have the following election officers: Judge of election, J. W. Shook; Inspectors, W. Goodhart, and Wm. S. Musser; C. F. Ripka has been appointed registration assessor.

THE THIRD AND FOURTH PARTIES.

The Prohibitionists will hold their National Convention at Cincinnati on Wednesday. The number of delegates is 1,140. This is one delegate at Cincinnati for every 215 votes cast for Finch four years ago, so that it will be seen that the Convention is representative to a degree not usual.

The fourth party, the People's party, meets at Omaha one week from today, on Independence Day, to make nominations for President and Vice-President. The principles and demands of this organization were declared with sufficient distinctness at the St. Louis conference held on Washington's Birthday. These are: First, the Sub-Treasury plan of the Farmers' Alliance; secondly free and unlimited coinage of silver; thirdly, the increase of the circulating medium to not less than \$50 per capita; fourthly, a graduated income tax; fifthly, postal savings banks, Government ownership of all the railroads, and Government telegraphs and telephones; sixthly, the resumption by the Federal Government of all lands held by railroads under land grants, and the reclamation by the Government of all lands now owned by aliens; and, seventhly, the issue of legal tender notes to pay to all Union soldiers and their heirs the difference between the gold value of the depreciated currency in which the soldiers were paid during the war, and its full face value in gold.

COBURN.

Interesting Items as Given by our Coburn Correspondent.

Farmers have now commenced making hay, of which there will be a bountiful crop, but the rain has retarded the making of it the last few days. Ta-ra-rah-boom-the-hay.

The Aaronsburg Lutheran charge has voted Rev. Wolf, its pastor, a vacation. He accordingly on Monday left for Adams county, accompanied by his estimable wife, where they will spend several weeks among friends at the old homestead.

On Monday afternoon the mail train going east, killed a cow belonging to Henry Snaveley. This is the second cow killed in that way in a short time.

On Saturday evening a large number of people gathered at the home of T. W. Hosterman, P. M., at this place to participate in a party given in honor of the 21st anniversary of the birth of his son Luther, who was the recipient of a large number of costly presents, given to him by his numerous friends.

After a sumptuous repast the guests indulged in a number of plays, and music, and returned to their homes just in time to prevent breaking the Sabbath, all being well pleased with the evening's festivities. But whisper it softly ye winds, some uninvited guest stole the cakes. It was probably those two fellows who had no invitation, and had to wait on their best girls until after eleven o'clock.

E. H. Auman is now keeping books for Luther Guisewite. The man with the longest pole knocks down the persimmon every time.

Miss Kate Garthoff, of Bellefonte, is spending a few days with her brother, J. F. Garthoff and family. She had been on the sick list for a few weeks prior, and came down here to recuperate.

Elmer Cooney, of Altoona, Pa., came home on Saturday to spend a few days with his family and parents. He reports Altoona booming at present.

Luther Guisewite had a serious mishap the other evening. He was piling some bark on the roof of his coal shed presumably to keep the roof dry, when his footing gave way and he found about five feet six inches of himself lying on the bosom of mother earth. He now sports a few scratches on his hands, and a badly swollen and bruised face.

When the Vanderbilt system came into possession of the Beek Creek railroad, it was said that they would not be satisfied until they had a line across Pennsylvania. This fact will now soon be clearly established. On Tuesday a contract was awarded for the building of thirty miles of the road from the western terminus of the Beek Creek at Clearfield up Anderson creek. When these thirty miles are built it will complete the connecting link between the Beek Creek and the Rochester & Pittsburg at DuBois, and thus give the New York Central control of a trunk line through Pennsylvania. The work is to be pushed as rapidly as possible, and it is expected that 3,000 men will be put on the line within the next ten days.

The Beek Creek is having a survey made to build a branch from Phillipsburg through Houtzdale to Altoona, and the right of way has been about all secured from Bellefonte to Mill Hall for the completion of the Bellefonte Central, which will be an adjunct to the Beek Creek and an important feeder thereof.

A Full Equipment. The REPORTER office received a full and fine equipment of job type of the latest styles and designs, for the execution of all kinds of job work. All old type has been thrown out and their places supplied with new, and we now have a modernly equipped office. Work will be executed with neatness and dispatch. We carry in stock a fine line of wedding invitations, wedding envelopes, cards, letter and note heads, etc., etc., and guarantee our work to be strictly first class,—if in need of anything enumerated give us a call, and we will gladly quote prices.

Mr. Cleveland's election will mean lower taxes and relief to the people, with an economical administration of the Government. Mr. Harrison's will mean a still further advance towards the ideal of the McKinley bill—the taxation of the people for the enrichment of a favored class, the embarrassment of trade and the aggrandizement of monopolies.

Mr. Cleveland's election will mean an end of bounties. Mr. Harrison's will mean their enlargement.

Mr. Cleveland's success will mean free elections. Mr. Harrison's will mean Force bill.

Mr. Cleveland's election will mean an end of squandering. Mr. Harrison's will inaugurate a new era of still greater extravagance.

Mr. Cleveland's election will mean government in the interest of the people. Mr. Harrison's will mean government in the interest of the plutocracy.

THE OPENING OF THE SEASON.

The Pennsylvania Railroad's Twelve-Day Excursions to the Shore.

The extraordinary success of the series of Pennsylvania Railroad excursions to the New Jersey Coast for several years back demonstrates the enormous popularity of these trips. Last year the success was unprecedented. For the season of 1892 the very best dates have been selected and every detail to promote the comfort and pleasure of the excursionist will be added. The dates are July 7th and 21st, August 4th and 18th, 1892. These dates cover the time when sea bathing is the finest, fishing is in its prime, and all manner of seaside attractions in the best form for thorough enjoyment. One who misses the opportunity of taking one of the series gives up a delightful experience of the summer.

The tickets include the choicest points on the coast, and are available for Cape May, Atlantic City, Sea Isle City, or Ocean City at the same rate.

The excursion tickets, good for twelve days, are to be sold at a rate of \$10.00 from Pittsburg, and at correspondingly low rates from other stations.

A special train of parlor cars and day coaches will leave Pittsburg at 8.50 a. m. for Philadelphia, stopping at all important junction points, where connections will be made with trains from branch lines. Passengers will spend the night in Philadelphia and proceed to the seashore by regular trains of the next day.

Tickets will be sold also from East Liberty, Irwin, Uniontown, Connellsville, Scottsdale, Alverton, Greensburg and Johnstown for regular trains leaving Pittsburg 4.30 and 8.10 p. m., with Pullman sleeping cars attached, arriving in Philadelphia next morning, whence passengers will proceed to the seashore by any regular train of that day.

Application for information and tickets should be made to nearest ticket agent, or address T. E. Watt, Passenger Agent Western District, Pittsburg, Pa.

A Great Sticker.

There are pastes and pastes, but the number of those that stick compared to the number that do not is insignificant. The following recipe is for a paste that is asserted will stick to almost anything: Take three parts of alum, five parts of gum arabic and sixteen parts of wheat flour. Dissolve the gum arabic in two quarts of warm water. When cold stir in the wheat flour and add the sugar of lead and the alum, both of which, by the way, must be first dissolved in warm water. Cook the mixture until it shows signs of boiling. When cool the paste is ready for use.—Ex.
