We began using Pastor Koenig's Nerve Tenie for our 14-year-old daughter (who had had epileptic fits since she was 5 years old) over a year ago with but little hope of any good, as we had been so often disappointed in other remedies, but soon after using this medicine she began to get better, and we hope that any and all stillet ed with this terrible disease will try your won-derful remedy. I recommend your medicine to every one affected with any nervous affection whatever.
