Cool Retreats.

A Little Girl's Experience In a Lighthouse. Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at Sand Beach, Mich, and are blessed with a daughter, four years old. Last April she was taken down with Measles, followed with a dreadful Cough and turning into a Fever. Doctors at home and at Detroit treated her but in vain, she grew worse rapidly, until she was a mere "handful of bones."-Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at J. D. Murray's Drugstore.

During the epidemic of flux in this county, in 1888, I had hard work to keep a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. People often came ten or twelve miles in the night to get a bottle of the remedy. I have been selling patent medicines for the past ten years and find that it has given better satisfac tion in cases of diarrhœa and flux than any other medicine I have ever handled. J. H. Benham, Druggist, Golconda, Pope Co., Ill. Over five hundred bottles of this Remedy were sold in that county during the epidemic referred to. It was a perfect suc cess and was the only remedy that did cure the worst cases. Dozens of persons there will certify that it saved their lives. In four other epidemics spent Sunday at the home of E. H. cent bottles for sale by J. D. Murray

The doings of the striking switchmen at Buffalo look very much like anarchy. Their violent proceedings, stead strikers, make an impression up- sea is where he should land. on the public mind that can have no other effect than to turn popular sympathy away from organized labor. The people naturally spmpathize with the cause of labor, for it is their own cause, but when organizations gotten up for the promotion of that cause resort to a forcible assertion of what they consider their rights, adopting a line that is destructive of life and property and subversive of law and order, popular sentiment will array itself against a cause maintained by such means, and will demand that in opposition to such demonstrations of violence the authority of the law shall be exerted to the fullest extent of its suppressive power.

The idea of Fiedler proposing Rev. D. M. Wolf for associate judge is not very complimentary to the latter.

MCKINLEYISM DESTRUCTIVE TO FARM-ING INTERESTS.

Sixty Million Bushels of Wheat-A Bushel for every inhabitant of the United. States. The Kansas Crop of '92.

Never in the history of Kansas has that state had such bountiful crops as this year. The farmers cannot get enough hands to harvest the great crop and the Santa Fe Railroad has made special rates from Kansas City and other Missouri River towns, to induce harvest hands to go into the state. The wheat crop of the state will be from sixty to sixty-five million bushels and the quality is high. The grass crop is made, and is a very large one; the early potatoes, rye barley and oat crops are made and are all large. The weather has been propitious for corn and it is the cleanest, best looking corn to be found in the country to-day. Cheap rates will be made from Chicago St. Louis and all points on the Santa Fe east of the Missouri River, to all Kansas points, on August 30 and Sep At the Farmers' encampment at Mt. tember 27, and these excursions will
