

THE LAND OF SUNSHINE.

A Unique Country where the Skies are almost never Clouded while the air is Cool and Bracing, like Perpetual Spring.

As an anomalous southern resort, by reason of the fact that there one may escape summer heat no less than winter cold, New Mexico is rapidly becoming famous. Averaging throughout the entire territory 5,600 feet in altitude above sea-level, and characterized by dry air which, unlike a humid atmosphere, is incapable of communicating heat, the temperature in midsummer remains at a delightfully comfortable degree through the day, and at night becomes invariably brisk and bracing.

Republicans Alarmed Over the Situation. A late Washington special says: "The published programme of President Harrison's movements during the fall concludes with the announcement that after the World's Fair dedicatory services at Chicago in October General Harrison, in company with Senator McMillan, of Michigan, will make a railroad trip through the Northwest before returning to Washington. It has been learned that this trip is considered essential by the Republican managers in that section, and that extensive arrangements are already in progress to make it as effective as possible for the party."

"In private conversation these managers confess that the situation there is alarming for their party. The revolt of the farmers against the high protection demanded and dictated by the manufacturers of Pennsylvania and New England is widespread, and so far the local influences have been powerless to control it. The last card to be played, therefore, is the introduction of the President on the scene, traveling leisurely and speaking to the people from the rear of his railroad coach."

The people of the Northwest have discovered that Republican protection is a fraud, and it is isn't likely that President Harrison can convince them otherwise, no matter how much he harangues them from "the rear platform of his railroad coach."

Cloud Burst in Texas.

ALPINE, TEX., was nearly swept away by a terrible cloud burst which formed over Devil Mountains, six miles south of town, on Sunday. The water rushed down the mountains in huge volumes, tearing up trees by their roots and dashing everything in front of it to death. It ran all over the city, being from three to four feet deep. Large trees were torn up by the roots. Burros, heavy timbers, cattle and horses that floated through the town gave plain evidence of the havoc in the mountains. The ranger's camp, four miles south of town, in a narrow canon, must have been washed away, as relics were seen floating through the town. Mexicans fled from their homes to the low mountains near town and a general panic prevailed. Considerable damage was done the railroad tracks. Dean's ranch, above high water mark, 25 miles south of town, was washed away, the houses being torn down.

A Million Friends.

A friend in need is a friend indeed, and not less than one million people have found just such a friend in Dr. King's New Discovery for Consumption, Coughs, and Colds. If you have never used this Great Cough Medicine one trial will convince you that it has wonderful curative powers in all diseases of Throat, Chest and Lungs. Each bottle is guaranteed to do all that is claimed or money will be refunded. Trial bottles free at J. D. Murray's Drugstore.

Mr. Blaine has recently expressed to a friend his views on what the clear duty of the Government in the matter of the cholera danger, and what the President and Congress should at once undertake.

In substance it is to close traffic between the old country, Canada and the United States to everybody and everything, save the mails and citizens of this country now abroad, and to admit these only after perfect precaution.

Mr. Blaine's idea is that there are not and cannot be commercial relations which for a moment are to be considered in comparison to life. He has always held this country to be independent on no other, save for some of the luxuries of life, and he thinks that while we may lose and may cause loss in some quarters, such matters can be easily adjusted. He wants everything now on the water on the way from the old world kept from the land and a discontinuance of all foreign railroad traffic across the States.

We use Alcohol Centre Hall Mills - Farmers Supplies.

pure alcohol to make WOLFF'S ACME BLACKING. Alcohol is good for leather; it is good for the skin. Alcohol is the chief ingredient of Cologne, Florida Water, and Bay Rum the well known face washes. We think there is nothing too costly to use in a good leather preservative.

Acme Blacking retails at 20c. and at that price sells readily. Many people are so accustomed to buying a dressing or blacking at 5c. and 10c. a bottle that they cannot understand that a blacking can be cheap at 20c. We want to meet them with cheapness if we can, and to accomplish this we offer a reward of

\$10,000

for a recipe which will enable us to make WOLFF'S ACME BLACKING at such a price that a retailer can profitably sell it at 10c. a bottle. We hold this offer open until Jan. 1st, 1893.

A Perfect Success. VII The Rev. A. Antoine Refugio, of Texas, writes: "I think Pastor Koenig's Nerve Tonic is a perfect success, for any one who suffered from a most painful nervousness as I did. I feel like myself again after taking the Tonic."

Before I took Pastor Koenig's Nerve Tonic I could not sleep nights and had a numbness of the legs, arms and sometimes all over the body, being taking the second dose of your Nerve Tonic I could sleep well, and in three days all numbness was gone and have not felt it since. FERDINAND BRENN, 274 St. Paul St., Montreal, March, 1891.

A Valuable Book on Nervous Diseases. Free to any address and poor patients can also obtain this medicine free of charge. This remedy has been prepared by the Reverend Pastor Koenig, of Fort Wayne, Ind., since 1876 and is now prepared under his direct supervision.
