

QUAY WILL FAVOR REEDER FOR GOVERNOR.

In consideration of the successful manner in which Gen. Reeder directed the Republican State campaign, which resulted in the return of a Republican Legislature favorable to the reelection of senator Quay, the latter, it was stated has given the State Chairman the assurance of his active support for Governor. Gen. Hastings will also be a candidate for the nomination. Senator Quay will leave for Florida next Sunday to recuperate until Congress meets.

All the CENTRE REPORTER has to say is that the Republicans don't nominate Gen. Hastings they will stand a chance to get licked again, a la Delamater.

About four years ago our now 23-year-old daughter had an epileptic fit after she had recovered from a year later she had another fit, and she could hardly believe that she had this terrible disease, "Epilepsy," but when about three months later she again had a fit we were forced to believe the fact that the dreadful malady had fastened upon her, and as we supposed a disease without a known remedy, about this time we read about the Nerve Tonic, and we concluded to try a bottle. An honest Swede tells his story in plain but unmistakable language for the benefit of the public. "One of my children took a severe cold and got the croup. I gave her a teaspoonful of Chamberlain's Cough Remedy, and in five minutes later I gave her one more. By this time she had to cough up the gathering in her throat. Then she went to sleep and slept good for fifteen minutes. Then she got up and vomited; then she went back to bed and slept good for the remainder of the night. She got the croup the second night and I gave her the same remedy with the same good results. I write this because I thought there might be some one in the same need and not know the true merits of this wonderful medicine. Charles A.
