Too Much Jamaica Ginger.

At the Eighth avenue M. E. church save 25 per cent. at C. P. Longs, last Friday Rev. Leidy, of Bellwood, Spring Mills. Revs. Brill and Gilbert, of Tyrone, Rev. Miller, of Altoona, and three other ministers of the Methodist Episcopal church, appointed by Rev. Dr. Hamlin, presiding elder of this district were assembled to hear the testimony in a case against Rev. R. E. Wilson, pastor of the Simpson Methodist Episcopal church, this city, on the charge of intoxication, made by members of his congregation.

Testimony was offered by several witnesses to the effect that on November 3, while en route to Roanoak to attend a convention of the Railroad Men's Christian association, Rev. Wilson became intoxicated and remained in that condition for some time; that there was no liquor found about him, but he had an unmistakable appearance of being under its influence.

The defense made was that while at Harrisburg, where Rev. Wilson and some more of the party remained over night, he was taken sick and for relief took some jamaica ginger, getting an overdose of it.

A bottle of jamaica ginger was taken from Rev. Wilson while in this condition by some of the party he was with. The bottle was about two-thirds empty.

The hearing continued all day, and Tuesday night a verdict of guilty of intoxication without immoral conduct was given. Rev. Wilson was not censured and will probably appear in his church on Sunday as usual.-Altoona Gazette.

## Pronounced Hopeless Yet Saved.

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my Lungs, cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, Coughs and Colds. I gave it trial, took in all, eight bottles; it has cured me, and thank God I am now a well and hearty woman." Trial bottles free at J. D. /Murray's Drugstore, regular size, 50c. and \$1.00.

The laws of health are taught in the chools; but not in a way to be of much practical benefit and are never illustrated by living examples, which in many cases might easily be done. If some scholar who has just contracted a cold was brought before the school so that all could hear the dry, loud cough and know its significance; see the thin white coating on the tongue and later, as the cold developed, see the profuse watery expectoration and thin watery discharge from the nose, what the first systoms of a cold were.

#### Shortest on Record.

The Lewisburg correspondent of the Williamsport Grit chronicles a recent proceeding which will go on record. He says:

"A unique method of divorcement has been invented by a Lewisburg colored woman that is worthy of a patent right. The husband and wife had frequent quarrels; finally the husband threatened to get a divorce. "Divose, divose, was dot wat ye wants," retorted his spouse. "Ile gib ye won so quick ye don't know whar ye is," and seizing the marriage certificate that hung on the wall she tore it in two and gave him a half, with the laconic remark, "Git," and he got." ----
