### A Tough Dog Tale.

The following story is made public in the Curwensville Review by Fred Comley. "He tells that he knew of a family that lived in Unionville, Centre county. They immigrated to the far west-Kansas. A dog accompanied them on their journey. After they arrived at their destination and had gotten fairly settled in their new home the dog concluded that he did not like Kansas atmosphere. The family arose one morning at an early hour and missed the canine. They wrote a letter to a friend in their former home stating that the animal had disappeared and in their opinion had been either killed or stolen. Now comes the peculiar part of the story. Comley states that in just three days from the time the dog left Kansas he was back in Unionville, he having traveled the entire distance on foot, that his legs were worn off up to the knee joints. Kind friends took him in and cared for him and in a short time new feet, toes and claws commenced to grow out of the knee joints and the dog is living to day, aged 72 years, 9 months and 301 days.

## Pronounced Hopeless Yet Saved.

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my Lungs, cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, Coughs and Colds. I gave it trial, took in all, eight bottles; it has cured me, and thank God I am now a well and hearty woman." Trial bottles free at J. D. Murray's Drugstore. regular size, 50c. and \$1.00.

Itmes of Interest In Other Counties.

Two Hungarians, names unknown, while walking on the railroad track at Gallitzin Saturday evening were struck by a passenger train and killed.

The Lock Haven Express says: A few days ago a son was born to Mr. and Mrs. Adam Berry, at Flat Rock, this county. The singular thing about the occurrence is the fact that the baby had one fully developed tooth in its mouth at birth. The tooth is a lower front tooth of perfect form.

Thomas Sh aw and Harry Crist last Sunday afternoon drove up to the residence of J. G. Stewart, in Dunnstable township, Clinton county, in a two horse buggy. The horses were hitched to an iron post. They became excited over something and one of the horses leaped forward alighting on the top of the post. The animal began to kick and struggle until the post entered his body. He continued his efforts to escape until he tore open his body and his bowels- fell out. To end his misery he was shot.

Says the Perry county Advocate and Press: On the 1st inst., Philip Williamson, aged 84 years, and Mary Ann Clark, aged 72 years, both of Liverpool, were granted a marriage license from the register's office of this county. These two are the most aged couple ever granted a marriage license in Perry county. On Sunday they were married and are receiving the congratulations of their many friends. Both are vigorous as those of much younger years. Mr. Williamson had been a widower for nine years and his bride a widow for two years.

My wife has taken six bottles of Paster Koenig's Nerve Tonic; she has had no return of the fits, and I think this remedy has had the desired effect. I cheerfully recommend it to any one suffering from that dreadful malady, "Epilepsy."

The laws of health are taught in the schools; but not in a way to be of much practical benefit and are never illustrated by living examples, which in many cases might easily be done. If some scholar who has just contracted a cold was brought before the school so that all could hear the dry, loud cough and know its significance; see the thin white coating on the tongue and later, as the cold developed, see the profuse watery expectoration and thin watery discharge from the nose, not one of them would ever forget what the first systoms of a cold were. The scholar should then be given Chamberlain's Cough Remedy freely, that all might see that even a severe cold could be cured in one or two days. or at least greatly mitigated, when properly treated as soon as the first symptoms appear. This remedy is famous for its cures of coughs, colds and croup. It is made especially for these diseases and is the most prompt and most reliable medicine known for the purpose. 25 and 50 cent bottles for sale by J. D. Murray, Druggist.
