Was He a Victim ?

Guyer Mattern, of this county, well known to all our readers, was a manager in the Carnegie works, during the strike. He came home sick and

The poisoning conspiracy at Homestead presents the question to us, whether Guyer Mattern was one of the early victims of the poisoned food? It seems to us probable under recent developements, as the poisoned food began to have its effect before any suspicions were aroused, and in the case of the above named citizen of our county, he may have been among the early victims before suspicion attracted attention as to the prime cause of his

Pronounced Hopeless Yet Saved.

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my Lungs, cough set in and finally terminated in Consumption.
Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on Those or four bottles of Pastor Koenig's Nerve one of the greatest remedies. earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, Coughs and Colds. I gave it trial, took in all, eight bottles; it has cured me, and thank God I am now a well and hearty woman." Trial bottles free at J. D. Murray's Drugstore, regular size, 50c. and \$1.00.

At His Old Game.

The Renova Record says: "C. E. Sober, the champion wing shot of the world, exterminated an entire flock of pheasants one day last week in the wilds of Baker's Run. This may seem incredible, but it is strictly true. The number killed was twenty-four, which were placed together on the string and taken to his home at Lewisburg, Saturday last. Mr. Sober has killed hundreds of pheasants in this county, but his last day's hunt surpassed his former record.

Bear Killed.

On Wednesday afternoon, as Mr. Loneberger had stationed himself along the pike in the gap about two miles beyond this place, watching for foxes, a bear unexpectedly made its appearance and came so close to Mr. Loneberger, that he was able to put a load of shot into bruin, just back of the front leg, killing it. The bear weighed about 200 pounds.

McCalmont & Co.'s stable was destroyed by fire last night at Bellefonte. es were first discovered about half-past ten o'clock. In the stable were thirteen head of horses and it was impossible to save any of these, the fire having gained such headway, and they were burned. The loss will be considerable.

THE PRESS COMPANY LIMITED. Philadelphia, Pa.

The laws of health are taught in the schools; but not in a way to be of much practical benefit and are never illustrated by living examples, which in many cases might easily be done. If some scholar who has just contracted a cold was brought before the school so that all could hear the dry, loud cough and know its significance; see the thin white coating on the tongue and later, as the cold developed, see the profuse watery expectoration and thin watery discharge from the nose, not one of them would ever forget what the first systoms of a cold were. The scholar should then be given Chamberlain's Cough Remedy freely. that all might see that even a severe cold could be cured in one or two days, or at least greatly mitigated, when properly treated as soon as the first symptoms appear. This remedy is famous for its cures of coughs, colds and croup. It is made especially for these diseases and is the most prompt and most reliable medicine known for the purpose. 25 and 50 cent bottles for sale by J. D. Murray, Druggist.
