The Conducting of Pleasure Tours.

The Pennsylvania Railroad Company, through its personally-conducted tourist system, has gained an enviable reputation in the conducting of its pleasure tours, inasmuch as they send out with each individual tour an exwhose sole duty is to cater to the wants All destinations of the tours are selected with the view of giving to the tourrecreation, pleasure, and sight-seeing. ed. The rates quoted for each tour are in accordance with that liberality for which this enterprising company is noted. The tours selected for the holidays are trips of rare merit and pleasure. There will be one to Old Point Comfort on the 27th, and one to Washington on the 29th of December. The rate for the Old Point Comfort tour, \$18 from New York and \$15 from Philadelphia, covers transportation in both directions, as well as all necessary expenses during the entire four days' absence, or at same rate tickets can be had, good to return via Richmond and Washington by regular trains until January 5th, 1893, including one day's board at Old Point Comfort. The rate for the Washington tour, \$13 from New York and \$11 from Philadelphia, covers transportation going and returning, as well as accommodations at Washington's best hotels. The tour covers three days. There will also be a series of five tours to Washington, D. C., during the winter and spring of 1893, dates for which have been fixed as follows: January 19th, February 9th, March 2d, April 13th, May 4th and 25th. In addition to the abovementioned tours the company has arranged a series of five to the famous winter resort, Florida, leaving New York and Philadelphia January 31st, February 14th and 28th, March 14th and 28th, 1893. The first four tours allow a stay of two whole weeks in the Flowery State. The rate quoted from Philadelphia, \$48, covers transportation, Pullman berth, and meals en route on special train in both directions for first four tours, while tickets for the fifth tour are good to return by regular trains until May 30th, 1893, but do not cover Pullman charges or meals north-bound.

For those desiring a prolonged tour of pleasure and sight-seeing no better trip is afforded than one of the Pacific Coast tours arranged by this company, three of which will be run from New York and Philadelphia during the year 1893, departing on the following dates: February 8th, March 2d, and March 29th. The rate will cover transortation in a palace vestibuled train in both directions, meals en route, carriage drives, and side trips to prominent points of interest in California. For information regarding any of the tours, or for detailed itineraries, application should be made to the Tourist Department, Pennsylvania Railroad Company, 233, South Fourth Street, Philadelphia.

---This cold weather makes heavy clothing a necessity for comfort, and the question arises where can it be procured at a low figure and at the same time receive goods that are not shoddy. Lewins, at the Philad. Branch, Bellefonte, keeps just such a line, and when a purchase is made of him satisfactory returns can be relied upon.
