

THE NEWS.

Damage suit aggregating \$50,000 were brought by members of an amateur theatrical troupe, who were recently arrested by Dayton's Chief of Police Thomas F. Farrell, without warrant.

A KENUCKY BATTLE.

One Man is Killed and Several are Fatally Wounded.

Eight or Ten of Magoffin County's Citizens Engaged on Each Side. The bloodiest fight in Magoffin county's history took place about one mile from Salersville, Tenn. there were eight or ten of the county's best known citizens engaged on each side, armed with repeating rifles and navy pistols.

FIFTY-SECOND CONGRESS.

Senate.

18TH DAY.—In the Senate the certificate of election of President McKinley from a number of States were presented and read. An order was made, after tea routine morning business, to take up on the calendar reported by the committee on Education, Diseases and Immigration, a bill in relation to the danger of the introduction of cholera into the United States.

PENNSYLVANIA ITEMS.

Epitome of News Gleaned from Various Parts of the State.

STEWART ROGERS, of Pittsburg, aged 11, who killed a playmate during a boy's quarrel, was acquitted of the charge of murder in the Allegheny County Court. The Allegheny County Commissioners decided to criminally prosecute the auditors who neglected to over-look payments for the new courthouse and to bring suit to recover the money paid to the contractor in excess of contract.

THE ELECTORAL COLLEGE.

Final Returns Make Cleveland's Majority 108.

The composition of the Electoral College, chosen on the 8th of November, is at length definitely ascertained, the last question in dispute having been settled by the decision of the Supreme Court of Oregon, which gives to a Democratic-Republican candidate for elector disputed votes which were cast in counties where his name appeared twice on the official ballot.

POPULAR SCIENCE NOTES.

It is said that two French scientists have lately discovered an entirely new property of Parady's dust, and that the result may be an important improvement in the dynamo. Children's clothes can be made inflammable by adding to the last rinse water two ounces of pulverized alum.

Table with 3 columns: State, Electors, Votes. Lists states like Alabama, Arkansas, California, Colorado, Delaware, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New York, North Carolina, North Dakota, Ohio, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Vermont, Virginia, West Virginia, Wisconsin, Wyoming.

Children's clothes can be made inflammable by adding to the last rinse water two ounces of pulverized alum. A prominent English chemist says that all children's dresses should be thus treated. Aluminum is found combined with 125 other minerals, and, therefore, constitutes a large part of the crust of the earth, but until recently has been very expensive because of the difficulty of separating it.
