PENSIONS FOR JUDGES.

We notice that Representative Riter of Philadelphia, has introduced a bill in the House to provide for the salary of certain judges after their resignation at the expiration of their commissions. This includes the Supreme Court and Common Pleas Judges. They must have served at least twenty years and be seventy years of age, after which they shall receive full pay for the rest of their natural lives. We susadult freemen of the Republic, but if the thing continues perhaps the poor newspaper men will be retired "with full pay" before many years.

We deny the right of congress or any state legislature to pension any one except the soldier maimed in the service of his country. We do not want any pensioned classes outside of and that aping European aristocracy.

THE COST OF THE SILVER DEAL.

The purchases of pig silver made by the government since they were begun in 1878 up to the present month amount to 418,401,497 ounces. Never fort made to push up prices, but the failure has been complete. The tons of silver, which have cost the government \$432,372,907, have a market value to-day of \$351,457,257, showing a silver-mining interest.

ALLEN ELECTED.

Judge W. V. Allen, Populist, was elected United States senator from Nebraska, receiving seventy votes, four more than were necessary to a choice. All the Democrats voted solidly for by Judge Harr in the Court of Quarter at Allen, and each man was cheered Sessions, Philadelphia, as an ill-manheartily by the Independents as he cast his vote. A committee was appointed to escort Allen to the hall. He Camp. came and made a brief speech, in which he promised conservative action. Further than this he made no promises.

ABUSING THE DEAD.

A Southern Editor Shouts for Joy Because Death Has Removed Butler.

The beast is dead. Old Ben Butler is dead. Early yesterday morning the angel of death, acting under the devil's orders, took him from earth southern country there are no tears, no sighs and no regrets. He lived only too long. We are glad he has at last been removed from earth and has secured. If there be a future of peace in store for Ben Butler after his entrance upon eternity, then there is no heaven, and the Bible is a lie. If hell is only as black as the good book describes it, then there are not the degrees of punishment in which some Christians so firmly believe. He has gone, and from the sentence which has already been passed upon him there is no appeal. In our statute book many holidays are decreed. It was an egregious oversight that one on the occasion of the death of Ben Butler was work.-Nashville American.
