

COUNCIL MAKES A MISTAKE.

That Infallible Body Seems to Have a Mis- carriage.

The town council of Bellefonte a few weeks ago erected an orchestra stand in the centre of the square, and now finds itself obliged to remove the stand within ten days, upon an opinion given by attorney Clement Dale, the stand being out of place, any accident happening by frightening a team or by a collision with the stand, the borough would become involved in a law suit and in danger of having damages to pay. A sensible and timely opinion. Centre Hall may as well take the hint, dangerous gutters are now being constructed out of place, close to the driveway on each side of it, by direction of the council, no telling when an upset of a rig may be caused. Who ever knew of gutters being placed out on the drive-way of road or street running parallel with it? No town has its gutters otherwise than at the edge of the walk, which is custom and common sense as there is no danger there. Are our citizens willing to run the risk?

Opposite D. Fleishers a boorish, outlandish bridge, such as you see on a mountain road, is being put down, with an offset of about 3 feet on each side of it as a trap for accidents and where no bridge is called for. One of the councilmen tells us he has no responsibility in this job and intimated that it was the conception of Mingle and Van Pelt. A citizen who surveyed the matter closely gives it as his idea that one purpose of the job seemed to be to drain the water from a councilman's lot and cause it to flow in the direction of the Evangelical lot and Fleisher lots, illegally and unjustly draining the pockets of the taxpayers to the tune of \$400 to \$500 when the outlandish job is done. A model of the bridge and the world's gutters should be sent to the World's fair with the names of the originators of the job. When a certain element wormed itself into the council so recently many whispered, what job is in the wind? we think you have the answer—it is all on par with the unlawful favoritism in board walks, favoring councilmen at expense of taxpayers. The entire job is a disgraceful nuisance and illegal and taxpayers can refuse to pay the tax. We are sorry to allude to this job thus, it is an unpleasant duty we owe the public.

For the credit of the town the REPORTER respectfully asks the council to remove its bridge.

The Grasshopper.

The annoyance caused by grasshoppers in the lower end of Huntingdon county, says the Hollidaysburg Standard, led a resident to enclose Congressman Thaddeus Mahon two \$5 bills, which had been eaten by grasshoppers, and requesting Mr. Mahon to have them redeemed at the Treasury. The letter stated that the farmer hung his vest, in the pocket of which was the money, on the fence. When he went to get it the vest was eaten full of holes by the grasshoppers, and the money so damaged as to be of no account.

Discovered Bones.

While some men were taking out sand from the Conemaugh river, just below the Cambria water works plant on Saturday afternoon, they came across bones which they thought resembled those of a human being. They continued their excavations and presently unearthed the remnant of a man's vest with some ribs inside of it. Other bones were also found and altogether there were almost enough dug up to complete a human skeleton. They are doubtless the remains of a victim of the flood.

Sectically III.

Mrs. Michael Ulrich, an aged lady living at Tusseyville, took suddenly ill about two weeks ago with gangrene on her foot and since that time has been suffering greatly and gradually growing worse. Owing to the nature of the disease and the advanced age of the lady, recovery will be almost impossible.

Build a New House.

A stock company is being organized to build a new opera house in Philipsburg. The building will be one of the finest, and most convenient in central Pennsylvania.

Work Half Time.

The Pennsylvania railroad shops at Altoona have been ordered to work half time until further orders. This order effects between six and eight thousand men.

Veteran Re-union.

The annual re-union of the Centre Co. Veterans will be held at Hunter's park, on Sept. 2nd, instead of on the grange picnic ground as in late years.

A Whopper.

On Friday last Buck McClenathan caught a 17 inch sucker in Fisher's millrace; it weighed 2 1/2 lbs. When Buck brought it to town he felt bigger than the sucker.

Kicked by a Mule.

A young son of Nathan Hough, in Brush Valley, had his skull fractured last Thursday, by a mule kicking him on his head. The boy was found lying unconscious on the ground.

TRIBUTE OF RESPECT.

After a very brief illness Mrs. Sarah Harpster, our sister and co-worker in the W. H. and F. M. S., of St. Lukes Evangelical Lutheran church, Centre Hall, passed on the 18th day of July, to her reward on high.

Through its officers the above named society would express its sense of loss in the following resolutions:

Resolved, That whilst we bow before the will of Him without whose will not a sparrow falls to the ground, we yet keenly feel the death of our sister and co-worker.

Resolved, That in her death we see emphasized the scripture that saith, "Boast not of to-morrow, for thou knowest not what a day nor an hour may bring forth."

Resolved, That we will best express our appreciation of our sisters' personal worth and work, by more earnestly devoting ourselves to the cause of the society of which she was for so many years a member.

Resolved, That these resolutions be placed on record by our secretary and a copy sent to the Centre Hall Reporter for publication.

MRS. FOLRA O. BAIRFOOT, Pres. MISS BECKIE DERSTINE, V. Pres. MRS. JERE MILLER, Rec. Sec'y. MRS. S. W. SMITH, Cor. Sec'y. MRS. W. E. FISCHER, Treasurer.

Horse Stolen.

On Monday morning last, about one o'clock, a horse was stolen from the stable of John Rockey, living between Pleasant Gap and Zion. When the robbery was discovered first in the morning, a search was instituted for the thief and his stolen property, and descriptions of the horse were sent to all parts. The horse was afterwards found at Milesburg. The thief had taken a course over the bridges found Rockey's horse and finally landed in Milesburg where the horse was turned loose, and was found by a night watchman. The horse was turned over to Mr. Rockey, but the identity of the thief is unknown.

Strength and Health.

If you are not feeling strong and healthy, try Electric Bitters. If "La Grippe" has left you weak and weary, use Electric Bitters. This remedy acts directly on Liver, Stomach and Kidneys, gently aiding those organs to perform their functions. If you are afflicted with Sick Headache, you will find speedy and permanent relief by taking Electric Bitters. One trial will convince you that this is the remedy you need. Large bottles only 50c, at J. D. Murray's Drug Store.

Handsome It Is.

When one gets a view of the new court house yard at Bellefonte, you cannot help but commend the commissioners for their action in beautifying this plot. The yard is completed and the low iron fence, the fountains playing and the balance of the yard newly sodded, it presents a handsome appearance. Give Goodhart and Adams all deserving credit for these improvements. They have good ideas and have demonstrated that not only in their official career, but in the improvements made in front of the court house.

Swindlers Working their Way.

Swindlers have been victimizing farmers in the vicinity of Mt. Union, quite severely, in the past few weeks. The swindlers seem to fix upon some particular county and work it and then depart for some new field. In this manner the farmers of Centre county have been most fearfully swindled in a half dozen different games by these scamps. Centre county farmers have been led to the tune of no less than \$50,000 in a few years.

Eccentric Phrases.

Why do we always talk of putting on a coat and vest? Who puts on a coat before a vest? We also say putting on shoes and stockings. Who puts on shoes before the stockings? We also put up signs telling people to wipe their feet when we mean their boots or shoes. And a father tells a boy he will warm his jacket when he means to warm his pantaloons. We are a little eccentric in our phrases at times.

Position on a New York Paper.

Chris Murray left on Monday morning for New York, where he will begin a journalistic experience by taking a position on the Evening Sun, in that city. He also intends taking a course in the Columbia law school, and has registered as a student at the office of John B. Linn, at Bellefonte.

Services on the Picnic Ground.

Arrangements have been made by which Rev. Baskerville will have his service on September 17th, in the morning, on the picnic grounds, also Rev. Minnigh in the afternoon and Rev. Goodling in the evening.

HONEST FERTILIZERS AT HONEST PRICES.

"How to make two blades of grass grow where only one grew before."

The Liebig High Grade Acid Phosphate is the trade name adopted for the best prepared Acidulated Dissolved South Carolina Rock now being offered to the farmers of Pennsylvania, which we guarantee possible cost to the farmer not over 15% per cent, available Phosphoric Acid, which is the highest grade sold in Centre County. We sold over two hundred tons of this High Grade Acid Phosphate during the past year. It has been used on the State College farms—the farms of adjoining townships, as well as on the Centre County, during the past three years, which has given the best satisfactory results. On Wheat, Corn, Oats and other Crops, the outlook is, that we will sell more than two hundred tons this year. It is an Acid Phosphate of the highest quality, and is sold at the lowest price by the ton or car load.

CHAMPION \$25.00 PHOSPHATE.

McCalmont & Co's. Champion \$25.00 Ammoniated Bone Super Phosphate has been used by farmers of Centre county during the past three years and has produced a superior result in stimulating plant growth to all other complete fertilizers. This fertilizer contains not only a crop of grain, but stimulates a crop of grass, clover and timothy. It is equal in value to other phosphates at thirty dollars per ton. Dr. Freed of the State College proves this claim by his analysis. We sold fifty tons last year.

NITRATES AND PHOSPHATES.

In addition to the above articles we sell Ammoniated Dissolved Bone, Buffalo Honest Phosphate, Ground Bone, Muriate of Potash, Nitrate of Soda, Land Plaster, and Agricultural Salt in quantities to meet the want of buyers.

HONEST GOODS INVITES PATRONAGE.

We have given a great deal of attention and study to the merits and cost of fertilizers in which we deal. Our greatest ambition is to furnish honest fertilizers of the highest quality at the least possible cost to the farmer. We are not only a crop of grain, but stimulates a crop of grass, clover and timothy. It is equal in value to other phosphates at thirty dollars per ton. Dr. Freed of the State College proves this claim by his analysis. We sold fifty tons last year.

McCALMONT & CO., BELLEFONTE, PA.

July 13, 1893.

The general health of this valley has been good this summer, and the physicians are enjoying some rest.

Rev. Dr. Bowman, of Lancaster, preached an able sermon in the Reformed church of this place, last Sabbath.

Butter has jumped from 16 to 20 cents, it is advisable not to butter your bread on both sides now. Scarcity of pasture causes the rise.

Look out for advance in prices of hay, corn and oats. Wheat will remain low, and flour should be correspondingly cheap, not above \$3.65 per barrel; the best western patents are selling at \$3.85 per barrel.

Go to Lewins, Bellefonte, for your clothing. Their styles are perfect in every respect. Suits neat in pattern, stylishly cut and elegantly made. Nothing quite so good anywhere.

La Grippe.

During the prevalence of the Grippe the past season it was a noticeable fact that those who depended upon Dr. King's New Discovery, not only had a speedy recovery, but escaped all of the troublesome after effects of the malady. This remedy seems to have a peculiar power in effecting rapid cures not only in cases of La Grippe, but in all diseases of Throat, Chest and Lungs, and has cured cases of Asthma and Hay Fever of long standing. Try it and be convinced. It won't disappoint. Free Trial Bottles at J. D. Murray's Drug Store.

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by J. D.
