FACTS WORTH REMEMBERING.

During the dull times for business and for the industries, very many of the employers of labor here and elsewhere have striven to arrange things in the way most advantageous to the wage earners.

The whole of the business and industrial community was in strained circumstances for weeks; but even at the worst time there was a helpful disposition toward the men and women in their pay.—New York Sun.

FARMERS BEWARE.

Our good farmers will observe that since the repeal of the Sherman silver bill by the house, wheat has gone up five and six cents, and prospect of its continuing to rise. This proves that some of the dummies who have been talking 60 cent silver to the farmers know as little about that as about some other things.

For a lame back or for a pain in the side or chest, try saturating a piece of flannel with Chamberlain's Pain Balm and binding it onto the affected parts.

Notice.

The members of the Spring Mills, Georges Valley and Farmers Mills congregations will please come prepared September 17th, with a liberal collection for Synodical purposes.

All Denominations to Assemble in a Religious Parliament.

All the great religions of the world and of christendom, all shades of religious beliefs will be represented and exploited in the coming two weeks in the hospitable halls of the Art Palace, at the World's Fair.

Its object in the language of Mr. Bonney, who may be considered Chief Patriarch of the Cosmic Church, and who therefore speaks ex-cathedra, is to bring together the world's religions in an assembly "in which their common aims and common grounds of union may be set forth and the marvelous religious progress of the nineteenth century be reviewed."

The programme gives ample promise that this object will be effectually attained, for in the union meetings of the parliament able ministers and laymen of all creeds will set forth the reasons for the faith that is within them.

Deserving Praise.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction.

A Bad Accident.

A few days ago, while John Brown and Benj. Gentzel, of Spring twp., were getting ready for a squirrel hunt the gun of Mr. Brown was accidentally discharged by which Mr. Gentzel had a number of shot lodge in his leg, that may give him a number of holidays.

Improving.

Will Shoop, of Williamsport, of whose sickness we made mention last week, was taken to the hospital at that place on last Saturday morning, and on Sunday morning an operation of a serious nature was performed and for a time he was in a critical condition, but is now slowly improving with hopes of recovery.

Typhoid Fever.

Some mild cases of typhoid fever are reported in the neighborhood of Centre Hill. Among these are a daughter of Felix Burkholder, blacksmith Beaver, and a case in James Runkle's family.

Among the incidents of childhood that stand out in bold relief, as our memory reverts to the days when young, none are more prominent than severe sickness. The young mother vividly remembers that it was Chamberlain's Cough Remedy cured her of croup, and in turn administers it to her own offspring and always with the best results.
