

**It Won't Win.**

The business man who gets his job printing done out of town instead of patronizing the local newspaper office, is not, to say the least, intensely public spirited. Of course, if he can get better work and better prices, it is all right, but as a rule he can't do it. A printing office in your own town is much more likely to take pains to give you a good quality of stock and do a good job than out-of-town office that perhaps never expects another job from you. If you save anything at all by it the amount is so small that it does not justify you. The quality generally corresponds pretty accurately with the price. The way to build up industries in your town is to patronize them. All things being equal the local business man is entitled to your patronage. It is your duty as a good citizen to patronize your neighbors, who will have many an opportunity to do you a good turn. No other man, unless it be the minister, does anything like the amount of gratuitous work for the public that the local newspaper man does. No other man does half so much for the general interest of the town. Think over this a little, and the next time you are asked to send your job printing out of town, tell the genial solicitor who stuffs you with fairy tales that the Lord has blessed you with a better sense of public decency than that. Tell him you expect your local newspapers to stand by you, and that you expect to be several dollars ahead at the end of the year and have a clear conscience boot by standing by them. —Pnnxsutawney Spirit.

**Fool the Judge.**

Judge Savidge, of Sunbury, is out a five dollar bill on sharpers whose base of operation is in Chicago. Last week the judge's wife and two sons were at the great fair. One day in the absence of the judge an expressman called at the house with a package addressed to one of the judge's sons. It was a C. O. D. package costing \$3.50 and the express charges, were \$1.50, it coming from Chicago. The hired girl supposing that it was all right paid the \$4.75 and the expressman went off and shipped the money to Chicago. In the evening the judge returned home and the girl informed him of the package's arrival. He said it was something that Mrs. Savidge, had sent home he supposed, so nothing more was thought of the matter. The next day the judge decided to open the box; when he did so he was surprised to find half a dozen bottles of medicine, which no one had ordered, but which some smart Chicagoan had sent to him C. O. D.

**WERE OUT OF DEBT.**

**Pennsylvania's Finances Are in Excellent Shape at Present.**

The state of Pennsylvania is practically out of debt, and to-day could pay every outstanding bond if called upon at a moment's notice from the amount of cash on hand. The sinking fund has \$1,700,000. Allegheny railroad bonds, a gilt-edged security; \$3,450,000 United States 4 per cent. and \$700,000 in cash, almost \$6,000,000 in all. Added to this there is \$6,554,040.75 which was in the general fund when Treasurer Morrison slammed the door of the safe at the close of business on October 31st.

**An Old Friend.**

In a series of interviews with members of the last congress, 31 out of 43 remarked that they were readers of *The Youth's Companion*. For definite and trustworthy information on the questions of the day it is really unique, while the high character of its stories, the wide field covered by its special articles, and its contributions from the most famous writers in Europe and America, are well known.

Its program for next year seems brighter than ever. Some of the important stories are: "The Deserter," by Harold Frederic; a Tale of the Great Mutiny in India, by Sara Jeanette Duncan; several Romances of the Sea, by W. Clark Russell; Tales of the War, and of the Frontier in Early Days. Henry M. Stanley contributes two thrilling narratives from Darkest Africa, and Archibald Forbes writes of his "Closest Call." Naval Battles are described by Admirals, and Military Life by Generals. Then there are articles on Choosing an Occupation, Boys Who Should Not Go to College, Physical Training, Recreations of all kinds, and many other practical subjects.

Another pleasant feature is the charming picture of a young lady of colonial times, "Sweet Charity," reproduced in colors from a painting by Ferris, which is presented to all subscribers who send their \$1.75 for a new subscription or a renewal.

**May Die for His Bride.**

The boarding house of Rev. G. W. Dunlap, Williamsport, Pa., was the scene last Saturday evening a week ago of a novel blood-letting episode. Among the boarders was Earnest Brown, about twenty-two years old, who had come to town four weeks ago from Denver. That evening he came home, paid his week's board, and after supper went alone to his room to dress. Soon cries for assistance were heard, and he was found lying on the bed, bleeding profusely. A son of Rev. Dunlap summoned Dr. W. E. Glosser, who found Brown suffering from a deep knife cut in his right side, which the patient declares was self-inflicted. At the hospital the patient states that he was dressing, and that his necktie wouldn't fit to suit him, and that in anger he grabbed his knife and thrust the blade into his side. He may not recover.

**THE BEST PLASTER.**—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a bandage dampened with Pain Balm. 50 cent bottles for sale by J. D. Murray, Druggist.

HARPER & KREAMER, CENTRE HALL.

is an arbitrary word used to designate the only bow (ring) which cannot be pulled off the watch.

**Here's the idea**

The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the groove, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

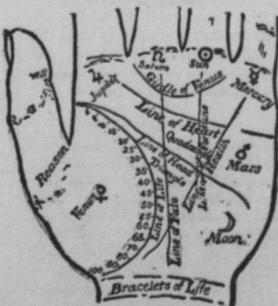

It positively prevents the loss of the watch by theft, and avoids injury to it from dropping.

IT CAN ONLY BE HAD with Jas. Ross Filled or other watch cases bearing this trade mark.

All watch dealers sell them without extra cost. A watch case opener will be sent free to any one by the manufacturer.

**YOUR FUTURE**

**IS IN YOUR OWN HAND.**

Palmetto assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well-marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE, fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 12x22 inches. "I'm a Daisy" which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the facts, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family, and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscriptions at once, only \$2.00, and you will really get over \$25.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUADRANGLE means honesty; a large TRIANGLE, generosity; long FIRST DIPLOM OF THUMB, strong will; LONG SECOND DIPLOM, reasoning faculty. THE MOUNT OF JUPITER betokens ambition; that of SATURN, prudence; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the largest and most valuable quality.

There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough. For sale by J.
