JUDGE ORVIS DEAD

SUDDEN DEATH OF THE EMINENT JURIST.

One of Pennsylvania's Foremost Legal Minds is No More.—Ill But A Few Days.—His Career.

All of our readers will learn with feelings of pain of the death of Hon. John H. Orvis, at his home at Bellefonte, on Monday afternoon last.

The Judge with a few friends, some two weeks before his death, had been out deer hunting, in which he indulged every fall. On his return he took sick, no doubt from the effects of a cold contracted from exposure in camping out. His illness rapidly took a serious turn, hemorrhage of the stomach set in and was the cause of his death. Mr. Orvis was not blessed with a sound constitution and for years had been more or less under medical treatment. He was subject to violent attacks of rheumatism.

The Centre county bar never produced a more able lawyer; his legal talents were of that high order that he ranked among the foremost minds of the legal profession in this state, and he was constantly employed in important cases from all parts of the commonwealth.

At the age of 16 years he taught the school at Rockhill, about 5 miles west of our town, and early began to read law at Lock Haven, where he was admitted to the bar, and after a few years' practice he left that town and located at Bellefonte. His legal talents soon attracted attention, and altho still young, he quickly rose to the head of the bar and gained a large practice. He was an able and ready speaker, and had the faculty of putting all he said in so plain and intelligible language, that the most illiterate juror would see his points right along. His arguments were ever logical; his one great fort was a remarkable memory; he would sit for days at a trial and listen to testimony, without taking notes, and recall it all in arguing more readily than other attorneys would from their notes.

He was elected to the legislature, on the Democratic ticket, and at once was recognized as the ablest man in the House. Just before the close of the session he was appointed assistant law judge by Gov. Hartranft, for this district composed of the counties Centre, Clinton and Clearfield, and at the following election was nominated for President Judge by the Democrats of the district and elected. He served with distinguished ability upon the bench, and before the close of his term he resigned and resumed the practice of law which was far more lucrative than the Judgeship.

He was born in Sullivan township, Tioga county, on Feb. 24, 1835. He worked at printing a short time. He made his residence in Bellefonte in 1862. In 1872 he was chosen to the Legislature; in 1873 was appointed assistant law judge, and later elected President Judge.

In Judge Orvis this journal had a valued friend, and we feel his loss; his bereaved family have our deepest sympathy. He was a member of the Disciple church, a true believer and well versed in Scripture.

The deceased leaves a widow and four children to mourn his loss; the latter are: attorney Ellis Lewis Orvis, Mrs. Canfield; Nannie, wife of Harry Keller, and Miss Carry M. Orvis.

Died at Milroy.

Dr. Abram Hershberger, well-known in this part of the county, died last Sunday night at his home in Milroy, at the age of over eighty-four years. Dr. Hershberger served three years in the last civil strife as surgeon of the 149th Reg. He was a native of Centre county and was born in Gregg township near Spring Mills.

Out in Print Again.

The Bellefonte Daily Gazette made its appearance again on Monday after a discontinuance of several weeks, brighter and newer than ever. The REPORTER hopes that business stagnation will be no occasion for its discontinuance again.

Improvements To Be Made.

Several improvements of no little importance to the town will soon be made at the station. George Benner expects to erect a new grain ware house and coal sheds, and Mr. Bartholomew expects to add a roller press to his mill for the manufacture of flour.

Piles of fall and winter goods at Lewins, Bellefonte. All latest styles and lowest prices to be had anywhere. Go and see before all gone.

DEATH OF JOHN ODENKIRK.

The Proprietor of the Old Fort Hotel Succumbs to Consumption.

Mr. John Odenkirk died on Monday morning last, at about three o'clock, after an illness of long duration. Mr. Odenkirk was afflicted with an affection of the lungs for a year or more and availed himself of the best medical attendance possible, a short time ago making a trip to the Philadelphia hospital in hopes that his declining health would be benefited. The disease however had made such ravages upon his system that he returned home again little benefited. He had been able to be about until up to about two months ago, when he was compelled through weakness to take to his bed, gradually sinking until death set in Monday morning. For almost a week his death was expected at any time; he was conscious to the end and when body and soul parted it was without a tremor. His age was 54 years, — months, — and — days.

Mr. Odenkirk was the proprietor of the Old Fort hotel, which noted hostility he conducted for a number of years, and was highly respected by all in the community. He leaves a wife and four children to mourn their loss. The children being Mrs. Frank Bradford, Miss Jennie, Will and Porter.

The funeral took place on Wednesday morning at ten o'clock, the services being held at his late home, conducted by Rev. James Boal, of the Presbyterian church, assisted by Rev. Baskerville. Interment was made in the cemetery at Centre Hall.

The services at the grave were conducted in accordance with the rites of the G. A. R., by the members of the Bellefonte and Centre Hall posts. Mr. Odenkirk was a soldier in the late war a member of Co. D., 148 reg.

The casket was bedecked by floral tributes in beautiful wreaths by Mrs. F. Kurtz, Mrs. F. Bairfoot, Miss Flora Love and Mrs. Thomas for the Post. The funeral was largely attended.

HUNG HIMSELF.

Committed Suicide Near Jacksonville, on Monday.

Mr. Perry Condo, for many years living near Jacksonville, committed suicide on Monday last, by hanging. Mr. Condo was mentally unbalanced for some years, and a continual watch was kept over him as it was always feared he would take his own life.

He was formerly a resident of Miles township and was aged about fifty years.

We are further informed, that one of the hired men, on going into the barn, found him hanging by a strap. Mr. Condo was a good citizen and a very kind neighbor. He was blind of an eye caused by an enlargement of that organ. His occupation was that of farming. He leaves an estimable wife, Barbara, nee Spangler, and several children.

Arrived Safely.

From a letter from Miss R. L. Irvine, who left on the 14th of September for Yokohama, Japan, we learn that she arrived safely on the 17th of October. The voyage was rough and stormy; only one good day on the whole trip. Now, that the journey is ended she feels well and ready for work. Her many friends here will be pleased to learn of her safe arrival and wish her much success in her chosen vocation.

Died in Philadelphia.

Mr. William Burnside, a son of Judge Burnside, died at his home in Philadelphia on Tuesday of last week. The deceased was born and reared in Bellefonte, and for a number of years was engaged in the mercantile trade there. For a time he was ticket agent for the Pennsylvania Railroad, at Philadelphia. He was about 75 years of age.

Resigns the Office.

A few days ago Postmaster Fiedler, of Bellefonte, sent in his resignation to the postoffice department, to take effect as soon as his successor could be appointed. Fiedler's term would not have expired until February next, and as the office is worth about \$2200 per year, there is much conjecture as to his resignation. There are many candidates for the office, among whom are Messrs. McQuiston, Noll, Brown, Dobbins and Fortney.

Died at Pleasant Gap.

Mrs. William Harrison died at her home at Pleasant Gap, on Saturday night, 28th, from childbirth. The infant died also. The interment occurred at that place on Tuesday. She was twenty-six years of age and leaves a husband and one child. Her maiden name was Jennie Eckenroth.

A Good Law.

The funny fellow who imagined he was smart when he fooled an editor into publishing a false rumor, is out of an occupation now. By a law passed by the late legislature the person who secures the publication of a lie is subject to punishment severe enough to prevent him from engaging in any other fun of that nature. This is a wise law. The humorous individual who has been making a practice of imposing upon editors of newspapers with items that are not only false but malicious, is devoid of humor and when brought to punishment deserves little sympathy from the public.

Made Their Wills.

The two Italians who had their hands blown off and their eyes destroyed in a quarry explosion, made their wills at the Delaware Hospital. Each possesses about \$1000 worth of property, and they desired to remember their relatives in the event of their death. The wills were written and read to them, after which each took a pen in his mouth, and guided by the physician's hand, made their attesting marks. Despite their fearful injuries, the men are likely to recover.

Quarterly Meeting.

Quarterly meeting will be held in the Methodist church at this place, on Saturday and Sunday; Quarterly Conference on Saturday afternoon. A sermon will be delivered on Saturday evening by the Presiding Elder, Rev. Hamlin, D. D. of Tyrone. Quarterly Communion will be administered on Sunday morning by Rev. Dr. Hamlin, and also services Sunday evening.

THE NITTANY VALLEY RAILROAD.

The Track About Completed and Rolling Stock Purchased.

All the track but three miles of the new Nittany Valley railroad has been laid and but two bridges remain to be built. They will be completed this week. The Centre Democrat says the telegraph poles are being erected and work on all the stations progressing. Cars for the passenger trains have been purchased and will arrive soon. They consist of four fine passenger coaches and a combination smoker and mail and express car. These cars were originally built for a California road which failed. It is said to be a very fine train. The passenger service over this road will consist of three trips by this train from Bellefonte to Mill Hall and return daily.

Several new engines were purchased at Schenectady, N. Y., for passenger and freight trains. Two freight trains will be put on, each to make a round trip over the road daily. A work train will also be put on until the roadbed is in first-class condition. The round house will be located near Bellefonte, and reaps the benefits of it.

Brief Local Items.

We are informed that some one got off with about 15 bushels of Joel Kerstetter's apples one night last week. It must have been Apple-jack who was around there.

Corn husking is about all done; the quality is good, mostly, but it is not over two-thirds of a crop.

Boob, the carriage maker, is making alterations on his property, opposite this office, preparatory to his occupancy of it next spring. He sold 42 rigs in the past year. He advertises freely.

Hard Winter.

All the usual signs, as observed from the Missouri to the Yukon, by the farmer, the hunter, and the Indian, seem to indicate a hard winter in the west. The Alaskan Indians are agreed with the Indians of Oregon and Washington that the snows will be heavy and the frosts keen and long. Already the snowstorms have killed large numbers of sheep in the mountains of Kiekkit county, Wash., and in Missouri the farmers, now that hog killing has begun, are telling that the lard runs very jagged, an infallible sign, they agree, of a coming winter of unprecedented severity.

No Action Taken.

Some time ago a petition was presented to the council signed by over fifty citizens, asking that body to pass an ordinance prohibiting cows from running at large on the streets and highways of Centre Hall. The council as yet has taken no action, but it is likely at the next regular meeting the ordinance will go through with a bang. Unlike other towns there was scarcely any dissension, and nearly all heartily approve of such legislation.

A Fatal Hunting Accident.

Sunday afternoon last in McIntyre township, Lycoming county, Morris Peters was accidentally shot in the back of the head and died about one hour afterwards. Peters was poking underneath some rocks to chase a rabbit out. As the animal scampered away Peters suddenly jumped up and received a load of shot in the head which had been discharged at the rabbit by Fred Bradbury.

Goes To Mill Hall.

With the last week's issue the Sugar Valley Journal, published at Logan, by D. Scott Currin, suspends publication until the first week of April 1894, when it will reappear at Mill Hall, under the caption of the Valley Chief. The paper will be independent. The editor says that his eight years experience in journalism in Sugar Valley has neither been pleasant nor profitable.

Appeared Again.

The Bellefonte Gazette, daily, has again made its appearance after a few weeks' rest, on account of nonpayment of its subscribers. Let all in arrears on the REPORTER, bear this in mind, and pay up—a newspaper can't be run on wind or promises.

Has Again Appeared.

The Bellefonte Daily News has made its appearance again, after a years suspension. It is spry and improved in appearance.

SUDDEN DEATH.

John W. Moore Died Tuesday Morning At Two O'clock.

Mr. John Moore, grocerman, of Howard street, Bellefonte, died suddenly on Tuesday morning. On Monday morning Mr. Moore took his gun and started to the forest in search of game, and during the day walked about fifteen miles. He was subject to heart disease and during the afternoon he became so fatigued he was compelled to lie down on the damp ground to rest and was soon sound asleep; when he awoke he was thoroughly chilled and it was impossible to get warm again. With great difficulty he succeeded in getting back to the station where he took the work train to Bellefonte. When he reached home he took some medicine and went to bed about ten o'clock. Between one and two o'clock Tuesday morning his wife heard him moaning and on getting up found Mr. Moore very ill, and in a short time he became still. Dr. Harris was immediately sent for and when he arrived found that Mr. Moore was dead.

The deceased was about fifty-seven years old and leaves a wife and three children. The funeral took place this Thursday morning, at 10.30 o'clock.
