Magnificent Souvenir Of The World's Fair

Placed Within The Reach Of All. The Pittsburg Times, which has a reputation for enterprise and liberality which is equaled only by its excellence as a newspaper, claps the climax with QUARRYING MACHINERY. an announcement that is certain to be universally commended. It proposes to distribute among its readers, and all who will become readers of the Pittsburg Times, the "Columbian Album," a splendid collection of photographic views of buildings and points of interest about the grounds of the World's ten parts, each containing 16 large photographs, reproduced on fine paper and accompanied by clear descriptions. Hannah is a flag station on the Bald Eagle railroad. The circumstances that we shall relate occurred a couple of weeks ago, but the story isn't too rusty to tell says the Tyrone Herald. As the morning train approached the depot in question a lady, supposed to be a waiting passenger, stepped out and gave the signal to halt; which was promptly obeyed by the engineer, and when the train had settled down in its accustomed way to receive passengers the lady approached Brakeman Bhaney, who had taken his place on the platform to receive politely and help the passenger to a seat, and said: "Mister, will you please tell me what time it is? I am a school teacher, the clocks around here have all stopped and I don't know when to to take up school." While the brakeman listened to something else the pretty little school marm had to say in an undertone, Conductor Snyder pulled his brow down over his nose and impatiently beckoned Engineer Weaver to move on. The order was promptly obeyed, but enough time intervened for some fellow belonging to the crew to saturate the air completely round that depot with swear words. It is said that to this day the atmosphere is blue and smells of brimstone for a mile in every direction from Hannah flag station.

And Still Ano.her.

Samuel Meese another of the prisoners who recently escaped from the county jail at Bellefonte, was captured at Lock Haven, and is now safely housed within the hospitable quarters of Fort Ishler. But one of the four prisoners who escaped is at large yet, and Sheriff Ishler will gather him in under his protecting wing. Meese will go back to serve his unexpired time for getting drunk and hitting a man and probably to answer to the charge of jail breaking.

Out On a Hunt,

Charley Bradford and Will Stover, of Freeport, Ill., but now on a visit to his home, form part of a party who went out on Wednesday after deer in the Seven Mountains. We hope the boys will meet with better success than has been met with by other hunting parties. Deer do not seem to be very plentiful, but the slight snow fall of Tuesday may be of no little assistance in tracking and finding their haunts.

Trusting To Luck.

A business man who doesn't advertise is like a man who goes fishing without any bait and dangles the naked hook in the water, trusting to luck that some fish will accidentally run up against it and be caught. Not infrequently men will enter some business, put up a little sign and then wait for some one to accidentally find that they want customers.

A Hunting Accident.

Last Sarurday a young man named Clarence Aikey, employed on a farm near Hartleton, took a day off for a hunt after pheasants, with a friend, and back of that town they saw a rabbit. He got on a stump to shoot, and in the act of drawing his gun to him, his double barreled-gun went off, dis-

YOUR FUTURE

IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well-marked LINE OF HEAD denotes brain power: clear LINE OF FORTUNE, fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crooked. A well-defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, 17x22 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2.00, and you will really get over \$25.00 in value. Address the publisher, W. Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whoeping cough. For ten years I have suffered terribly with castarrh ond bronchitis. The disease gradually extended to almost every other organ in my body; I became a physical and mental wreck; have tried our best brs. in the county, but I grew worse and worse until as a last resort I gave my case to Dr. Salm and I am glad to say that under his treatment I begun to improve from the very first month. That distressing cough and fearful pain in my chest has left me; I need not snap for breath any more and feel as strong as ever. The most wonderful of all is that I have not taken a single cold since the first month.
