

A PUBLIC MEASURE

THE WILSON BILL MEETS WITH FAVOR.

The White House Reception.—All Members Back Again.—The Selection of a Public Printer.—Tariff Legislation.

WASHINGTON, Jan. 1.—President Cleveland, the members of his cabinet and the ladies of their families, in accordance with a custom as old as our government, devoted New Year's day to receptions, official and general. For about four hours a procession composed of the diplomatic representatives of all the foreign governments, members of the cabinet, the justices of the Supreme Court, Army and Navy officers, minor officials and the general public poured through the White House where they were received by President Cleveland assisted by Mrs. Cleveland, Mrs. Stevenson, the ladies of the cabinet and several guests of Mrs. Cleveland, including the wife of ex-Gov. Russell of Massachusetts and Miss Benedict, of N. Y. Later, receptions were held at their several residences by Vice President and Mrs. Stevenson, and by members of the cabinet and the ladies of their families.

Nearly all of the Congressmen have returned. There was a quorum of both House and Senate at the White House reception today. By freely circulating among the returned members of the House your correspondent endeavored to ascertain whether conference with their constituents had increased or decreased the opposition to the Wilson tariff bill. In one respect it is apparent that it has increased it. That is, there are more Democrats who will endeavor to secure, in the caucus to be held, modifications of various clauses of the bill. But, as nearly all of them announce while stating their intentions that they will, whether successful in getting the bill modified or not, support the bill, it is clear that their opposition does not go beyond that which it is perfectly legitimate for strict party men to occupy towards a party measure not yet approved by a party caucus, and does not jeopardize the final success of the bill as approved by the caucus.

Senator Voorhees is getting a heavy mail these days, and not a few of his letters contain requests for hearings on the tariff before the Senate Finance committee of which he is chairman. None of these letters have been specifically answered, because he believes that a circular letter which he is now having sent out, containing thirty odd printed questions and requesting a reply to each, will enable nine-tenths of his correspondents to lay before the committee all the information in their possession relating to the effects of tariff upon their business just as well as they could if given a personal hearing. It is not his desire to cut any one out of a hearing and those desiring to furnish information not embraced by the printed questions will, where their prominence as manufacturers or business men justifies it, be given personal hearings.

Representative Holman has not issued the call for a Democratic caucus, but it is expected that he will do so this evening.

It is known that President Cleveland has lately given considerable attention to the selection of a new public printer and it is believed that he has picked out the man and that his nomination will go to the Senate in a few days, probably this week. Rumor has connected the name of Chief Clerk Daniels of the Interior department with the position. Mr. Daniels was not an applicant for the position, but his experience as editor and publisher of newspapers in North Carolina qualifies him, therefore should it turn out that he is the lucky man. Nearly every Democratic Senator and Representative has a personal preference for public printer but they will all be satisfied to see the position filled by any good Democrat who will give the Democrats a show at the three thousand positions in the Government Printing Office, a very large majority of which are still filled by Republicans.

A new batch of rumors concerning cabinet resignations are being sent out by Republican correspondents. There is just about as much truth in them as in those which have been periodically sent out by the same men ever since the present administration came in.

No action is expected in the House concerning the finances of the government until after the tariff bill has been passed. In fact the Ways and Means committee, which will prepare whatever financial bill that may be determined upon, will not have an opportunity to devote any time to the matter until the tariff is out of the way.

Representative Springer wishes it understood that his bill for a new national currency, which was made public a few days ago, is simply his own idea. The subject has not been con-

sidered by the committee on Banking and Currency of which he is chairman. His principal object in making the bill public was to invite criticism and suggestions.

Spring Elections.

The day for the spring elections for 1894 will be the third Tuesday of February, which is the 29th of the month, and under the present system of making nominations the time is drawing near when the party organizations will have to take up the question. The amended ballot law of 1893 requires that all nominations by certificates of party organizations for city or ward officers shall be filed in the County Commissioners' office at least twenty-eight days before the election, and nominations by nomination papers for the same offices shall be filed twenty-one days before it, not counting the day on which the paper is filed as one of them, and nominations for township and borough offices, and School Directors in the same, shall be filed with the County Commissioners at least eighteen days before the election, and nominations for same offices by nomination papers at least fifteen days before it.

Death of Mrs. Wm. K. Gilliland.

Mrs. Nancy Gilliland, wife of Wm. K. Gilliland, died on Dec. 8, '93, at her home in Sunville, Venango co., where she was born July 3, 1830, and was a daughter of the late John and Isabella Foster, early settlers of that section. Her death was caused by tumors from which she suffered for the past 7 years. The evening before her death she sat at the table and ate her supper with the family. For 37 years she had been a consistent member of the Presbyterian church. She was the mother of seven children now living.

Hon. Sam'l Gilliland, of Oak Hall, writes the Reporter: "Mr. Gilliland's father was Joseph Adams Gilliland, my oldest brother; his mother was Nancy Kerr, a sister of Alex. Kerr, and a cousin of Mrs. J. Odenkirk and her brothers, and also a full cousin of Oliver Kerr, a Presbyterian minister now located in New Jersey."

A Bit of Good News.

The publishers of the Columbian Album, the wonderful Christmas gift of the Pittsburg Times to its readers, have decided to extend the scope of the work so as to make it a volume of 224 views instead of 160 as originally intended. This will necessitate an increase in the number of parts from 10 to 14. The additional numbers will be furnished to readers of the Times at the same terms as the first parts, namely six coupons and ten cents for each part. With the last part will be furnished a complete index and title page. Twenty-five thousand copies of the Columbian Album are being sent out by the Times each week. With the enlargement of the scope of the work this number should be doubled.

About a year ago I took a violent attack of la grippe. I coughed day and night for about six weeks; my wife then suggested that I try Chamberlain's Cough Remedy. At first I could see no difference, but still kept taking it, and soon found that it was what I needed. If I got no relief from one dose I took another, and it was only a few days until I was free from the cough. I think people in general ought to know the value of this remedy, and I take pleasure in acknowledging the benefit I have received from it. Madison Mustard, Otway, Ohio. 25 and 50 cent bottles for sale at J. D. Murray's Drugstore, and Wm. Pealer, Druggist, Spring Mills.

Married.

On December 24th, 1893, at the home of the bride's brother, Arthur Lee, at Tusseyville, Foster W. Frazier and Annie E. Lee, daughter of William Lee were united in marriage by Rev. C. H. Goodling. The newly married couple left on the next morning's train for the western part of the state to spend their first days of married life with the groom's brother.

Church Notice.

There will be no service in the Reformed churches at Centre Hall and Tusseyville next Sunday. The Lord's Supper will be administered as follows: At Centre Hall on January 21st, Union, Jan. 28th, Tusseyville, Feb. 4, and Spring Mills Feb. 11th.

S. H. EISENBERG.

Captain of Police, Philip J. Barber, of Baltimore, Md., says: "Salvation Oil has been used at our station the past winter for rheumatism, neuralgia, pain in the back, etc., and I have yet to meet with a failure. It is the best."

A DECISION ON STREETS.

By the Supreme Court and of Interest to Centre Hall and all Towns.

On Saturday last, the supreme court, sitting in Philadelphia, decided a case brought up from Allegheny county relative to paving, grading and otherwise improving streets under the control of cities and boroughs. The court decides that the cost of such work must be assessed on persons owning property abutting on the street where such work is done, and that citizens not having such abutting property can not be made pay any such assessment.

Some two months ago we published the law upon which this decision is founded. For the work done on the Centre Hall street, last fall by order of a few councilmen, all the cost would fall on the property holders between the Luth. and Evang. churches, providing our council had control of this street. But as this street belongs to the pike company, there is another law and a decision, which we published about four weeks ago, by which no council can do work on a pike, not owned by the boro, and pay for it out of the boro funds.

Thus it is plain that our council violated the law in two important particulars: 1. It had no right at all to do the work because the pike company, and not the boro, owns this road. 2. The council could only make the property abutting pay and none others.

Since the entire work was illegal, none need pay. The work was to go on all thro town, and the taxpayers can thank the Reporter for stopping it by exposing the wrong and violation of the law by councilmen.

Will Cost \$1,000,000.

The Cambria Iron company has begun and is pushing the erection of a steel mill, the estimated cost of which will reach a million dollars. The foundation has been laid and part of the construction machinery is in position. The plant is intended to be one of the models of the world, equal if not superior to the steel rail plants at Sparrow's Point, Steelton and Braddock.

There is a veritable boom in all the departments of the Gaultier Steel works at Johnstown. It is reported that the works are two months behind orders. It is at least certain that over one thousand men are working over time, many fifteen hours a day.

Electric Bitters.

This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise.—A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the Liver and Kidneys, will remove Pimples, Boils, Salt Rheum and other affections caused by impure blood.—Will drive Malaria from the system and prevent as well as cure all Malarial fevers.—For cure of Headache, Constipation and Indigestion try Electric Bitters—Entire satisfaction guaranteed, or money refunded.—Price 50 cts. and \$1.00 per bottle at J. D. Murray's Drugstore.

The Best Wind Mill Out.

The Dinges' store room will be occupied the present year for storing, trial and sale of the famous Little Bonanza Fanning Mill, that beats all ever made as a Separator. No farmer that has seen it work has failed to praise it, and hundreds have already been sold to farmers on the other side our county. It is simple, separates any mixture of seed, dirt, chaff, etc., like a charm, and if a farmer needs a fanning mill he can't help buying the Little Bonanza after seeing it work. Messrs. Leathers & Hoover will be here to wait on all who desire to examine and buy the most wonderful fanning mill ever invented.

Another Crazy Idea.

Secretary of State Osborne, of Kansas, has prepared a circular in which he advocates laws making two hours per day the limit of work of each man. He holds that labor saving machinery has made such progress that one man is now able to do as much as twenty, seventy-five years ago, and he believes that over production is responsible for the idleness of the millions to-day. This, he holds, would be done away with if two hours should be made the day's work limit.

"Our baby was sick and we bought one bottle of Dr. Bull's Cough Syrup, and were well pleased with it. It did the baby a great deal of good." Wm. Thompson, McKeesport, Pa.

CAUGHT IN A HAY PRESS.

Serious Injuries Received by Thomas Grove.

On Tuesday afternoon Thomas Grove, living about two and one-half miles east of Centre Hall on the road to Spring Mills, received serious injuries while operating a hay baling press. He was baling hay and feeding the machine, which either became clogged or did not feed fast enough. He then forced the hay into the press with his foot when the plunger caught his leg above the ankle joint and would have torn his foot off had it not been for the horse stopping.

He was brought up to Dr. Jacobs' office for treatment, but the Dr. was unable to find any broken bones owing to the swelled condition of his limb, which was three or four times its natural size. It was an exceedingly narrow escape for him, and it will be many days before he is of sound limb again.

Wolfe, St. Louis, Mo., and Jennie Bare, Rebersburg. Robert B. Montgomery, of Bellefonte and Maggie R. Kane, of Axe Mann.

DEATH IN REBERSBURG.

Mother Kraemer, Wife of Daniel Kraemer, Passes Away.

On Tuesday afternoon, 2nd, Susanna, wife of Daniel Kraemer, passed this vale of tears, surrounded by her immediate family. Mother Kraemer had been prostrated for a number of weeks from a succession of apopleptic attacks, and four or five days before her death, her condition was that of unconsciousness.

The deceased was a daughter of John Weaver, one of the early settlers and pioneer families of Brushvalley. Her age was 78 years on the 9th of last October. She has one brother living yet, George Weaver, of the same place.

The deceased had a large circle of relatives and friends, with whom she stood in high esteem. She was a faithful wife and loving mother, and a long and consistent member of the Reformed church. She leaves an aged husband, and all her children, save one, to mourn her loss. Her children are, Mrs. John Wolf, of near Rebersburg; Harry Kraemer, of Centre Hall; Mrs. Abe Luckenbach, of Bellefonte; Mrs. S. S. Wolf, dec'd; Mrs. David J. Meyer, of Centre Hall, and Mrs. Ammon Wolf, widow, Rebersburg. The funeral will take place on Friday morning, 5th, Rev. Eisenberg, of our town will officiate, the Rev. pastor of Rebersburg being ill.
