An Important License Money Case.

A Lock Haven special of January 4, says: Judge Mayer has rendered an opinion concerning liquor license fees which is of interest all over the state. The city treasurer of Lock Haven said that all the liquor license fees were paid to the county treasurer, who got a large commission for handling the money, and he asked the court to stop the practice. The Judge decided that only the liquor license money that belongs to the county shall be paid to the county Treasurer, and what belongs to the city shall be paid directly to the City Treasurer. This opinion deprives the County Treasurer of a snug source of revenue, and transfers it to the City Treasurer.

"During the epidemic of la grippe Chamberlain's Cough Remedy took the lead here and was much better liked than other cough medicines." H. M. Bangs, druggist. Chatsworth, Ill. The grip is much the same as a very severe cold and requires precisely the same treatment. This Remedy is prompt and effectual and will prevent any tendency of the disease toward pneumonia. THE NEWS OF THE WORLD CONCISELY TOLD AND BRIGHTLY COM-MENTED UPON.

THE PATRIOT is the only complete morning newspaper that reaches Central Pennsylvania at an early hour of the day.

It is one of the foremost Democratic newspapers in the State and the only one printed at the State Capital, the official and political centre of the Commonwealth.

It prints the news, receiving it over its own wires through the extraordinary facilities of the great Press Associations, aided by its own cor-

THE PATRIOT is Democratic to the core. It is opposed to bosses and an enemy of corrupt monopolies. It isn't afraid to fight the wrong; it never hesitates to speak for the right. It makes a specialty of department news and rives more each day than all the other State pa-pers combined.

The leading question during the winter will be Tariff Reform. In November next Penn-yivania will elect a Governor, members of Congress, and a State Legislature. The man who desires to keep informed must read, and the man who reads should get THE PATRIOT, daily or weekly.

To place THE PATRIOT in the hands of a vet larger constituency we will send the DAILY from now until March 1, 1895, by mail to any new subscriber on receipt of FIVE DOLLARS. The WEEKLY will be sent to any new subscriber from now until March 1, 1895. on receipt of ONE DOLLAR.

IS IN YOUR OWN HAND.

IS IN YOUR OWN HAND.

Palmistry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the Line OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well-marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE, fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Pamily Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crooked. A well-defined LINE OF HEALTH spares you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, beasdes the superb premium picture, 17x22 inches, "I'm a Daisy!" which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equaled by any in the world for its beautiful lilustrations and subject matter, that will keep you posted on all the topics of the day, and all the fads, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose.
