CENTRE HALL, PA., THURS. MAR. 1

THE CORNELL COLLEGE MURDER.

Hazing is one of the College vices that should be stamped out by penal statute.

The students of Cornell University who were guilty of the cowardly outrage of which we have given report, ought to be punished to the utmost extent of the law.

That any body of young American men could perpetrate such a deed as that of Wednesday evening of last week seems impossible.

It was a crime akin to that of the Anarchist Vaillant, who threw the bomb in the French Chamber.

It was a device of devilry. With the aid of glass and rubber tubes, they conveyed, or sought to convey, a current of deadly chlorine gas from a concealed stone jug into a dining hall filled with their fellow-students, the freshmen.

It was an attempt to murder the whole assemblage. It ended in murder. The participants in the attempt were murderers, deserving of execution.

The shamefully riotous conduct of a mob of students that preceded the incident makes it certain that there had been a conspiracy; and there need not be any doubt that at least some of the rioters knew of the apparatus that had been prepared for the occasion.

The university officers will cooperate with the authorities upon this occasion, in the interest of law and justice.

Last week's election went by default so far as the Democrats are concerned, knowing beforehand that the election of Grow could not be prevented.

RICHES, present and prospective, will upset some persons. John Moser, aged 63, and one of the heirs to the Moser estate, valued at \$14,000,000, has been placed in the lockup at Hazleton, violently insane.

THE post-office business at Milton increased in 1893, thirty per cent. over the previous year; evidence that business increased to the same extent and that the Wilson bill should pass.

THE Huntingdon Republicans have asked Judge Furst to be a candidate for re-election.

THE Republicans might save the expense of holding a state convention to nominate a candidate for Governor, as Gen. Hastings is now as good as nominated by acclamation.

Men Employed.

The Pennsylvania railroad, according to the report of the secretary of internal affairs, employs more men than any other road in the country. Their number is 64,611.

—Winter weather demands a warm overcoat and you can get such a one as you need at a small figure at Lewins, Bellefonte. His assortment is large, and every purchase is made satisfactory.

GROW'S PLURALITY 188,394.

Excelled Only By That of Mott, the Democratic Candidate in 1854.

The official vote in the state for congress-at-large is now complete and gives Grow a plurality of 188,294. This is the largest plurality ever given in the state to any candidate except Henry S. Mott, Democrat, who in 1854 was elected canal commissioner by a majority of 190,743 over George Darsil, Whig, in a total vote of 274,084.

The returns of the late election give Grow 485,804, exclusive of 456 votes cast for him as the representative of the "Protective Tariff Policy" Hancock, 297,966; Morrow, Prohibitionist, 11,180; Markley, Pennsylvania Democracy, 2,823; Lotier, People's Party, 5,327. Fifty-nine scattering votes were cast exclusive of 795 votes polled in Clearfield county for "William Denton Hancock."

Governor Pattison will issue a proclamation declaring Grow to have been duly elected. He will probably take his seat in congress on Monday next, on the occasion of the thirty-first anniversary of his retirement from that body.

An Esteemed Family Will Leave.

Rev. J. W. Boal having accepted a call from the Port Carbon Presbyterian church, the family will leave here for their new home early next week, having resided here the past ten months, the reverend gentleman expecting to recruit his health by a stay here and in which he has not been disappointed.

LATEST NEWS.

A dynamite bomb thrown in Lancaster last night wrecked the handsome residence of Dr. Baker.

The tariff bill was re-committed to the finance committee for adjustment on ore schedule.

A mine cave-in near Ashland, on Monday, seven men were caught; two were reached by rescuers.

Out near Pittsburgh a woman, on Monday, gave birth to five children, two boys and three girls; mother and babes are doing well.

At a public sale in Somerset county, a few days ago, beef boiled in a copper kettle the day before, remained in the kettle until it was served to the crowd next day, causing the meat to become poisoned from the copper; over 100 people became seriously ill of whom two have died.

Deserving Praise.

We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction.

It must be a good article that will induce a man to go forty miles to get it. Mr. E. R. Swetnam, of Fairfax Station, Va., says: a party came forty miles to his store for Chamberlain's Cough Remedy and bought a dozen bottles.

Musical Convention.

A musical convention is being held this week in the Reformed church at Boalsburg, under the directorship of Prof. P. H. Meyer. The class is large and is expected to reach 125 in number. It is a success socially and financially and big crowds have been in attendance throughout.

Weather was fine overhead this week; sleighing is nix. Esq. John Reifsnnyder, of Millheim, we are sorry to learn, is still too ill to attend to business.

Lafayette Neff has not improved enough to leave the house.

No Traffic Allowed.

On account of small pox at Tyrone Forges the Pennsylvania Railroad company has discontinued the sale of tickets to that point until further notice and no passenger train will stop there until further advised.

—Lewins, Bellefonte, is making a big reduction in price on all lines of goods. A big chance for purchase.

Mrs. W. A. Krise, of Johnstown, is here visiting among her many friends. Rumor has it that there will be another store in Spring Mills, which promises to make it lively for our merchants.

Mr. D. H. Ruhl has been elected Judge of Election in this precinct. He is the first judge of that political party who will have served since Gregg township is in existence.

The Penn Literary society which meets in the Academy building every Wednesday evening is going to hold an exhibition on the evening of the close of school, March 21.

Our Castle of Knights of Golden Eagle will celebrate their seventh anniversary on March 18th, in the Evangelical church, when Rev. Hertz will preach an appropriate sermon.

Mrs. J. Watson, 1022 Arizona St., Philadelphia, Pa., says: "I think Dr. Bull's Cough Syrup is a splendid remedy. I had to cough night and day and one bottle relieved me wonderfully."

YOUR FUTURE

Advertisement for Chamberlain's Cough Remedy, featuring a circular diagram of the human body with various organs labeled and the text 'IS IN YOUR OWN HAND.'

Palms assume to tell what the lines in your hand indicate. It will amuse you, if nothing more, the above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well marked LINE OF HEAD denotes brain power; clear LINE OF FORTUNE, fame or riches. Both combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is interested. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse, if crooked. A well-defined LINE OF HEALTH spurs you doctors' bills; so will the health hints in Demorest's. No other magazine publishes so many stories to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked; keep up your spirits by having Demorest's Magazine to read. By subscribing to it for 1894 you will receive a gallery of exquisite works of art of great value, besides the superb premium picture, "Pam's Daisy," which is almost a real baby, and equal to the original of painting which cost \$300; and you will have a magazine that cannot be equaled by any in the world for its beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the facts, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$1.00, and you will really get over \$25.00 in value. Address the publisher, W. Jennings Demorest, 15 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A LARGE QUANTITY means honesty; a large THIRTIETH, generosity; long FIRST DIVISION OF THUMB, strong will; LONG SECOND DIVISION, reasoning faculty. THE MOUNT OF JUPITER bestows ambition; that of SATURN, preference; the SUN, love of splendor; MARS, courage; MOON, imagination; VENUS, love of pleasure; and MERCURY, intelligence. Take our advice as above and you will be sure to possess the best and most valuable quality.

A BREAKFAST APPETITE CAN BEST BE AIDED BY THE NEWS OF THE WORLD CONCISELY TOLD AND BRIGHTLY COMMENTED UPON.

THE PATRIOT is the only complete morning newspaper that reaches Central Pennsylvania at an early hour of the day. It is one of the foremost Democratic newspapers in the State and the only one printed at the State Capital, the official and political centre of the Commonwealth.

It prints the news, receiving it over its own wires through the extraordinary facilities of the great Press Associations, aided by its own correspondents.

THE PATRIOT is Democratic to the core. It is opposed to bores and an enemy of corrupt monopolies. It isn't afraid to fight the wrong; it never hesitates to speak for the right.

It makes a specialty of department news and gives more each day than all the other State papers combined.

The leading question during the winter will be Tariff Reform. In November next Pennsylvania will elect a Governor, members of Congress, and a State Legislature. The man who desires to keep informed must read, and the man who reads should get THE PATRIOT, daily or weekly.

THE PATRIOT is the best advertising medium in Pennsylvania outside of Philadelphia and Philadelphia.

FREE TO THE UNEMPLOYED: It inserts without charge advertisements of those wanting employment. Its Help Order has brought assistance to hundreds. It has a Cent a Word Want Column for other wants.

DAILY, every week-day morning in the year, 45¢ a cent.
