

FARMERS MILLS.

The News of the Past Week as Given by Our Correspondent.

W. J. Finkle and wife left Thursday for Belleville, Mifflin county, where they expect to remain a short time visiting friends.

John Snively has been in our community for the past week baling hay for Adam Bierly.

The grain fields are beginning to look green since the warm weather has set in and with favorable weather the farmers can expect a fair crop the coming harvest.

A number of farmers are hauling their grain to market in order to have it out of the way when spring opens, and it is time to work in the ground; let others do likewise, it will give you that much of a gain in the spring.

James Beck expects to go to Houserville, and pound the anvil there; Jim is a good smith and his friends will be sorry to see him go.

Our enterprising merchant, J. H. Rishel is busy getting ready for the spring opening; give Johnny a call and he will convince you that he carries a good stock of goods and sells at bottom prices.

W. E. Yearick, living a short distance east of here is having sale and will remove to Madisonburg.

A number of Grangers attended county Grange at Spring Mills, Tuesday, March 6th.

Sadie Scholl and her aunt Lucinda, of Centre Hall, were visiting friends in our locality last week.

Jew peddlers are plentier than bees at the present time; the people should not patronize them and give them two paces for their goods; let them go and work and do not defraud the people.

Mrs. Jerry Stover has been a victim of the grip for the past few weeks.

Samuel Ream, of Penn Hall, was seen in our locality.

Some of our farmers are complaining of distemper among their horses.

Rev. Hertz was again sent back to his field of labor where he has been for two years and has made many friends. The people of the community had a donation for the reverend a few weeks ago which was quite a surprise, truly "It is more blessed to give than to receive."

James Waugh and family, north of Penn Cave arrived a few weeks ago after spending about five months in the western states; they report a nice time and were well pleased with the west.

John Brown, of Spring Mills moved into Isaac Smith's tenant house last Thursday and intends working for Isaac this summer.

John Goodhart has hired on a farm in Nitany valley for the coming summer.

Jesse Long, the obliging postmaster of Penn Cave is getting tired carrying the mail for uncle Sam and getting no pay.

Leah, Jennie and Joel Reifensnyder, of Millheim, were visiting at George Armbrusters on Sunday.

Three days is a very short time in which to cure a bad case of rheumatism; but it can be done, if the proper treatment is adopted, as will be seen by the following from James Lambert, of New Brunswick, Ills: "I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days. I am all right today and would insist on every one who is afflicted with that terrible disease to use Chamberlain's Pain Balm and get well at once." 50 cent bottles for sale by J. D. Murray, Drugist.

GEN. Beaver being a delegate to the Republican state convention, he will, no doubt, make the speech putting Hastings in nomination. When Beaver was nominated uncle Dan did the same agreeable thing for the governor. One good turn deserves another.

CHICAGO has a man who says for \$8000 he will construct a telescope by which one will be enabled to see a pin upon the moon. Let him go ahead, and if his machine will enable us to see a pin, be it a lynch-pin or a pin-acle, on the moon, he may draw on us for \$8000 and a night's lodging at a first class hotel.

MYSTERIES! The Nervous System the Seat of Life and Mind. Recent Wonderful Discoveries.

No mystery has ever compared with that of human life. It has been the leading subject of professional research and study in all ages. But notwithstanding this fact it is not generally understood why a human body should be what it is, and why the seat of life is located in the upper part of the spinal cord, and why the nerves extend to every part of the brain, and so sensitive is this portion of the nervous system that even the prick of a needle will cause instant death.

Recent discoveries have demonstrated that all the organs of the body are under the control of the nerve centers, located in or near the base of the brain, and that when these are deranged the organs which they supply with nerve fluid are also deranged. When it is remembered that a serious injury to the spinal cord will cause paralysis of the body below the injured point, because the nerve forces is prevented by the injury from reaching the paralyzed portion, it will be understood how the derangement of the nerve centers which will cause the derangement of the various organs which they supply with nerve force.

Tro-phids of chronic diseases are due to the imperfect action of the nerve centers at the base of the brain, not from a derangement of the primary or originating in the organ itself. The great mistake of physicians in treating these diseases is that they treat the organs rather than the nerve centers which are the cause of the trouble.

Dr. FRANKLIN MILES, the celebrated specialist, has profoundly studied this subject for over 30 years, and has made many important discoveries in connection with it, chief among them being the facts contained in the above statement, and that the ordinary methods of treatment are wrong. All headache, dizziness, indigestion, depression, blues, mania, melancholy, insanity, epilepsy, St. Vitus dance, etc. are nervous diseases not of the organs, but of the nerve centers. The wonderful success of Dr. Miles' Restorative Nerve Tonic is due to the fact that it is based on the foregoing principle.

Dr. Miles' Restorative Nerve Tonic is sold by all druggists on a positive guarantee. It is sent direct by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. It contains neither opiates nor dangerous drugs.

CURED BY DR. SALM AFTER HAVING SUFFERED FOR YEARS WITH STOMACH, BLADDER AND KIDNEY TROUBLE. I have been suffering with very severe stomach bladder and kidney trouble, and on account of that I felt all broken up. Couldn't follow my daily labors on account of great pains, weakness and headache; but now, after a course of treatment with Dr. Salm's cure once more instead of my daily labors with pain and consider me hale and hearty. J. A. KENNY, Indiana, Pa., April 26, 1893.

FOR MORE THAN TWELVE YEARS I HAD BEEN AFFLICTED FOR TWELVE YEARS AND THOUGH SEVEN DIFFERENT PHYSICIANS FAILED TO CURE ME. ED. DR. SALM CURED ME. For more than twelve years I suffered tortures with liver, stomach and kidney trouble. Occasionally I had to go to bed for a week at a time and was unable to work for years; but now, after only a few months' treatment with Dr. Salm I feel so well, as I never did before. I used pills of patent medicines and had several different physicians but gradually grew worse and worse. However, since I put myself under Dr. Salm's treatment I improved gradually and now can do as good a day's work as any one. I can certainly recommend the doctor to those suffering from chronic diseases of any kind. J. A. GRAMLEY, D. S. Rebersburg, Centre county, Pa.

DEAFNESS CURED BY DR. SALM AFTER A GREAT MANY CURES HAD FAILED. For quite a time I have been almost totally deaf from catarrh, particularly in my left ear, which seemed dead, and the right one got worse daily. I was very depressed and almost desperate on account of not being able to hear what went on around me; felt always tired and lost all my energy. Now I am quite a different man and feel happy once more, all this thanks to Dr. Salm's skillful treatment. I have been to three other doctors. No one can imagine how good and young I feel since I can understand once more without an effort. MICHAEL STENGER, Johnstown, Pa.

CLOSURE OF THE THROAT CURED BY DR. SALM. I have had a good deal of trouble with my eyes for the last five years. Tears running over my cheeks continually. Dr. Salm called it catarrh of the eyelids and operated on the same, and now I can keep my handkerchief in my pocket instead of wiping tears continually. MRS. MARTHA CARNY, Indiana, Pa.

CATARRH AND EAR TROUBLE CURED BY DR. SALM. For more than ten years I have had a bad case of catarrh. My ears gradually became affected to such a degree that the hearing in one ear was almost totally gone and had in the other one. I became very much alarmed, so I went to Dr. Miles' Restorative Nerve Tonic, which cured me. Diseases of women, such as have baffled the skill of all other physicians and remedies, quickly cured. Catarrh, gonorrhoea and polyoid growth cured without the use of solids or caustic. No cutting, no pain, no danger. Method of fee: restored.
