Interesting Items from Millheim and Vicinity.

On last Saturday evening our town was crowded with people. The young ladies were out in full force, with their best duds on. Millheim has more pretty girls to the acre than any town of its size in America or Europe.

We have a few of the most accommodating ducks in this town that can be found anywhere. All that is necessary is to throw out a few grains of corn or wheat and they will march right into your stable and lay an egg every day; at least this is the rumor. Will a certain person tell what his experience is in this matter.

Our town is beginning to look all right. On Main street the people are cleaning up and hauling the refuse away, consequently it improves the appearance very much; but some of the board walks need repairing.

Mountain fires are raging fiercely in Brush valley and Penns valley. In the Gap north of Millheim the fire burned down to the pike; much timber has been destroyed.

The chap who says he caught two trout measuring fifteen and sixteen inches respectively, at Billy Weaver's dam last week, is not believed by many of our fishermen. A fisherman who caught such fish would most certainly show up. Too thin, too thin-It looks very fishy.

On Saturday afternoon Prof. Rearick and wife of Spring Mills, visited our town on bicycles, creating quite a sensation, she being the first lady bicyclist who has gone through the town. She is an expert rider, having made a trip from Spring Mills to Centre Hall in 45 minutes.

Nev. Auman has opened an ice cream saloon in the room near the bank and no doubt will do well as he

is quite an expert at making ice cream. Danny Zeigler is home from Centre Hall and will stay a few days with his family; plant his potatoes and do the chores about the house.

The busiest man in our town is John Kerstetter, the planing mill man. He employs from five to seven hands and is supplied with all the different machinery necessary to run a first-class planing mill, and is prepared to make all kinds of furniture, and especially church furniture.

Hon. J. P. Gephart, James D. Mc-Kee, George Gross and James McFadden, all of Bellefonte, were in town last week on business and for pleasure.

William T. Buck, father of Walter Buck, the well-known tailor, died on Thursday morning at the residence of his son in this boro. Mr. Buck was a soldier of the late war, and was buried on Saturday last in the Union cemetery. The G. A. R. took the body in charge, Rev. Illingsworth conducting the services. He was aged about sixty

Prof. Neff can be seen on the street nearly every evening horseback riding; sometimes he has a young lady in charge. The Prof. is an expert rider.

Death of Mrs, Calvin Tressler. Ida, wife of Calvin Tressler, died near Peabody, Kansas, April 23, 1894, with

child-bed fever.

Mrs. Tressler, nec Stover, was born in Centre county, Pa., Dec. 30 1863 and was aged, at the time of her death, 30 years, 3 months and 24 days. She was united to her now bereaved husband Jan. 22 1885 and soon after moved to Kansas, where she gained many friends who mourn her early departure. She was a kind wife, good mother and faithful Christian, being a member of the Evangelical church at Peabody, where she is very much missed. But we would submit to our Heavenly Father, who doeth all things well. She leaves one son eight years old and an infant twelve days old. The large funeral procession showed that Mr. Tressler has the sympathy of many friends in his neighborhood.

May God give them a happy reunion in Heaven.

By her Pastor.
