Quite a curiosity was discovered on

It was the entrance to a cave. a calcareous nature.

could see and hear water running. old home at Zion. From off this cavern room there runs a passage, through which you have to crawl for quite a distance, but which has not been thoroughly explored as yet, although it is thought that quite a lot of caverns will be found when the cave is thoroughly explored.

The reason the cave is thought to tions believed to have grown since in fields. The trip cost about \$35.50 .this limestone country, where they Bellefonte Gazette. grow rapidly, is the evidences of hewn niches and rough-cut pictures and hieroglyphics. On the floor there were many instruments of stone and burnt clay that were in very good condition. They looked like Indian articles and the place had evidently been an Indian habitation some two hundred years ago. The owner expects to develop the cave in the near future to find out whether the passageway leads to more discoveries of a similar nature,

Lemont Evangelical Church, The REPORTER learns from an informant that the Lemont Evangelical church by virtue of certain stipulations which have not been adhered to, new building. Wm. Rishel has promis likely to be forfeited by the Esher wing. It appears that Mr. John I. -Landlord David Ruhl, of the Thompson, of Lemont, donated the ground, etc., to the Evangel. Church Association, so long as the Association worships in said church, and in case of a failure to do so, the property is to revert to Mr. Thompson. There having been no worship held in this church under the Ev. As. for quite a period of time, Mr. Thompson now claims, with some plausibility, that the property reverts to him and that the Esher peo-

Their starting point seems to have been Spring Mills, four in the lot and obtained Mills. their tools there. After the robbery bits of packages found on the road inlicated they had gone to Milroy.

ised \$500 and a lot for the new church.

On Tuesday one of the suspected fellows was offering to sell some underwear at the station in this place; the fellow happening to see Mr. Long and constable McClintick not far off, he took to his heels with the constable and several others in pursuit. He was formerly from Milroy but for some time has been living here.

We learn since that this party made proof he was innocent.

# Evan M. Blanchard Dead.

We regret to announce the death of Evan M. Blanchard, at Bellefonte, on Thursday evening of last week. Mr. Blanchard was taken ill nearly two years ago. He was an honest and upduties as a citizen. He was associated in the practice of law with his brother Edmund Blanchard, who died several Hon. John Blanchard, Esq., who represented this district in congress about 50 years ago. Ev. Blanchard was beloved and esteemed by all-he had no

# Brag Husking.

Can any of our Centre county farmers beat this brag: William A., Geo. and Richard Johnson husked 770 bushels of corn on the Ray farm, out the Indiana branch, in ten days. This is fast work but they did still better on another occasion, when in one day they busked 75 bushels each and tied up the fodder.

# The Survey Completed

The surveyors have finished running the line of the electric railway from The distance is seven miles and the grade is about 22 feet to the mile. It is stated the road can be built at nominal expense, and will be a profitable investment.

# Death of Col. D. K. Tate.

One of Bellefonte's well-known residenters, Col. D. K. Tate, died on Sun-Mr. Tate was a good citizen and greatly respected. He was a contractor and builder. He leaves a wife, four sons and three daughters.

Residents of Stone Valley have petitioned the Bellefonte Central Railroad We have been informed there are that villey to Huntingdon, offering company to extend its line through that valley to Huntingdon, offering \$75,000 and free right of way.
