

MILLHEIM.
The United Evangelicals Making Preparations to Build a Church.
Hog butchering is in full blast and quite a number of large hogs are being slaughtered.
H. E. Duck killed a hog last week that tipped the scales at 484—the heaviest one killed in the town.
Joseph Miller, of Rebersburg, killed a hog this season that weighed 514. Bully for Joe.
John Schieffer, of North street, bought the two properties of the late Allison Miller for the sum of \$440. It was sold by Dr. Frank, the administrator of said decedent.
The new culvert on North street, near the Reformed church is quite an improvement on the old one, which was put there by the management of the pike company.
Winter is here and yet there are quite a number of defective board walks that should be attended to.
Dr. F. F. Wetzel is putting in a double embankment on his property near Joe Swangers, which we hope will fully meet with his expectations.
Mrs. John Nagle of Philadelphia, is on a visit to her mother, Mrs. Rebecca Musser for a week or two.
Since the election our town is full of commercial travelers every day; among them were M. L. Wagoner, Ed. Simpson, Charley Shires; Newy Reber, "Fatty" Wilson and S. S. Bickel; some on their way up Salt river and others coming down.
There are one or two applicants for positions in this neck o' woods, under the incoming administrator of Hastings. "To the victors belong the spoils."
J. P. Gephart, esq., of Bellefonte, paid our town a flying trip last week on business, and shook hands with his many friends here.
The "United Evangelicals" of this locality will build a church here next spring. Preparations are now being made.
"Nerve" the bright little daughter of James C. Smith, who is in the hospital at Philadelphia for treatment, is improving and ere many weeks will be restored to health.
Mrs. Cal. Clark who has been on the sick list for some weeks is able to be about again.
The condition of Snyder Tobias of North street, who has been confined to the house for months, is not improving any. His limbs are perfectly paralyzed and must be handled like a little child.
The party of hunters, eight in number, who were camped at State Ridge for nearly two weeks, returned home last Saturday bringing with them one deer; the deer was shot by Milford Stover.
A very large bear was shot last week on Swift Run, near a place called Point Lookout, in Mifflin county, by a party of hunters from Herndon.
J. P. Gephart has put up a neat and substantial fence on North street above the Gallery and also a new roof on the store portico, and has put a gate on the iron fence which incloses the gang way into the cellar, thus making it safe for pedestrians. It is hoped that these improvements will not be interfered with; he gives notice by printed handbills, that any interference with these improvements will be punished to the full extent of the law. Boys keep hands off or you will get into trouble.
Pierce Single of North street, moved to some place near Snow Shoe to work in a lumber camp.
Nev. Auman has opened an oyster saloon in the same room that he occupied last summer as an ice cream saloon. Oysters served in all styles.
Pork 5 cents, beef 5 1/2 to 7, eggs 20, butter 20, potatoes 50, turkeys 7, chickens 5 to 6, onions 50, flour 75 sack B. wheat 3 1/2 pound, corn meal 2 cents per pound, corn 45, are the markets.
At the Musser House thirteen rats were caught in one night in a wire trap last week. As soon as the trap is full, which will hold about one hundred, Dan Guilford, the hostler, will ship them to China for the heathen Chinese.
John H. Womer, the tax collector, and daughter Maud, were visiting friends in Nittany Valley and Lock Haven for three or four days last week. John reports having a very pleasant as well as a profitable time.
Dr. Fred E. Gutelius, who left here a few weeks ago to take up his residence in Washington, D. C., is present nursing a sore arm on account of vaccination. When Fred got to Washington he was required by the authorities to be vaccinated.
A. B. McMullen and Jerome Spigelmyer have started a coal yard here which will be a great convenience and accommodation to our people as well as Brush Valley. They sell coal as cheap as it can be bought at Coburn, thus saving five miles of a drive and toll besides. Patronize them. "A word to the wise is sufficient."
Quite a number of our people are attending court this week, witnesses in constable Mench's assault and battery case which occurred at Coburn just before the election.
W. A. Tobias has a farm in Bald Eagle Valley, near Unionville, which he would like to sell or rent. Any one wishing this farm can find out all about it by corresponding with him or see him in person. A good chance for a live, energetic man.

Adam McAfee, esq., of Harrisburg, says that if his Democratic friends of Millheim, who sent him a barrel of apples this fall, will stop over at Harrisburg on their way up Salt river, they will be royally entertained at his residence on Market street "at the same old price."
Henry Wilson, the postmaster at Welshton, Florida, says he cured a case of diarrhoea of long standing in six hours, with one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. What a pleasant surprise that must have been to the sufferer. Such cures are not unusual with this remedy. In many instances only one or two doses are required to give permanent relief. It can always be depended upon. When reduced with water it is pleasant to take. For sale by Wm. Pealer, Spring Mills, and S. M. Swartz, Tusseyville.

A Clean Collar
One that you can keep clean all the time—a collar that does not wilt when you get over-heated; that does not fray on the edge, or tear out at the buttons, and can be cleaned by simply wiping off with a wet sponge or cloth. These collars and cuffs are made by covering linen collars or cuffs on both sides with waterproof "celluloid," thus giving strength and durability. They are the only waterproof goods so made, and every piece is stamped as follows:
TRADE MARK
CELLULOID
Ask for this, and refuse to take any imitation if you expect satisfaction. If your dealer does not keep them, send direct to us, enclosing amount, and we will mail you sample. Collars 25 cts. each. Cuffs 50 cts. pair. State size, and whether stand-up or turned-down collar is wanted.

A VETERAN'S VERDICT.
The War is Over. A Well-known Soldier, Correspondent and Journalist Makes a Disclosure.
Indiana contributed her thousands of brave soldiers to that war, and no state bears a better record in that respect than it does. In literature it is rapidly acquiring an enviable place. In war and literature Solomon Yewell, well known as a writer as "Sol," has won an honorable position. During the late war he was a member of Co. M, 2d N. Y. Cavalry and of the 11th Indiana Infantry Volunteers. Regarding an important circumstance he writes as follows:
"Several of us old veterans here are using Dr. Miles' Restorative Nervine, Heart Cure and Nerve and Liver Pills, all of them giving splendid satisfaction. In fact, we have never used remedies that compare with them. Of the Pills we must say they are the best combination of the qualities required in a preparation of their nature we have ever known. We have none but words of praise for them. They are the outgrowth of a new principle in medicine, and tone up the system wonderfully. We say to all, try these remedies."
—Solomon Yewell, Marion, Ind., Dec. 5, 1892.
These remedies are sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles \$5. Express prepaid. They positively contain neither opiates nor dangerous drugs.
Non-pull-out
is an arbitrary word used to designate the only bow (ring) which cannot be pulled off the watch.
Here's the idea
The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the groove, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.
It positively prevents the loss of the watch by theft, and avoids injury to it from dropping.
IT CAN ONLY BE HAD with J. Cas. Boss Filled or other watch cases bearing this trade mark.
All watch dealers sell them without extra cost. A watch case opener will be sent free to any one by the manufacturers.
