

AARONSBURG.

Mrs. Bressler, an Aged Lady Died at the Home of Her Son-in-law.

Earn Stover went out for foxes on Tuesday afternoon and returned with a fine wild turkey; one time it is a fox, the next a coon, the next a skunk, and this time a wild turkey.

Frank Weiser moved from Tom Hull's house into the blacksmith shop where he works on Rachel's Way, and the boys gave him a calathumpan serenade in the evening and made "Rome howl."

Samuel Andrew Bell and wife, of Bellefonte, were in town over Sunday and called on their friends before going home.

Deputy sheriff Weaver was in town, but his business calls were all outside of town. Cal never misses looking up his old friends when he comes to town.

D. H. Rote received by express on Tuesday morning from Chester county a very fine light Brahma cockerel. He has the largest breed of fowls, Light Brahmas, and the smallest Silver Duck Wing game Bantams. By the way he killed such large hogs the butchers had to shoot one four times.

The widow of Nicholas Bressler died last week and was buried on Saturday morning at Woodward. She had been staying with her son-in-law, Thomas Benner, since last April.

It is reported that the court ordered the erection of two additional school districts in Haines township, the one at Woodward and the other in the neighborhood of Johnnie Young's old homestead.

Fred Limbert's mother, who is about eighty-five years old, came to spend a part of the winter with him; while talking with the family about a week or ten days ago, dropped over and died instantly. Apparently she appeared to be in her usual good health. Her remains were taken to Madisonburg on the 3rd inst. and buried there beside her husband.

Fred Burd has been brought home and has nearly recovered from the accident with which he met some time ago in having the wheel of a heavily loaded wagon pass over him.

Prof. Kahl, the music teacher, had the misfortune to have his horse's leg kicked off while stopping at a place on the Sugar valley mountain.

Mr. Linn Haffley started out peddling on Monday morning; his grip contained shoe-grease, hair-oil, pomade, scratches grease, pills, etc.

Foe Mills.

F. W. Confer has invented a washing machine and has given it the name of "beats the bugs." He says all that is necessary is to put the wood to the kettle and the clothes in reach of the machine and it does the work.

Miss Annie Edwards, of Aaronsburg, is visiting at the home of D. T. Raymond this week.

S. J. Shunk killed three large hogs a few days ago with D. T. Raymond as boss. They averaged in weight from 50 pounds up, and one was lost in the barrel while scalding it.

John Maurer and five others arrived here on Monday morning and took train No. 106 for Cider Summit, where they intend to spend the week hunting.

Thomas R. Parks visited among friends in Millheim Sunday.

D. T. Raymond has made improvements about the buildings on his premises.

THERE is great suffering among the farmers in some sections of Nebraska. Mayor Bennis, of Omaha, has issued an appeal for aid to the sufferers outside that city. In his appeal the Mayor says: "The suffering among the farmers in the drouth-stricken districts of our state is exceedingly severe. Families are on the verge of starvation; mothers have nothing in which to wrap their babes, and nothing for themselves, except dresses made from gunny sacking; underwear and shoes are almost unknown, and fuel is a luxury only to be dreamed of. One of my informants, a clergyman, tells me that he has partaken of meals among these farmers where the greens of potato tops and mouldy bread constituted the only food." Truly this is deplorable. It is hard to conceive of such destitution and suffering in any section of our country in the year 1894.

Waterproof collars and cuffs that will not wilt, are not affected by moisture and look just like linen are all the fashion now. They are made by covering a linen collar or cuff with "celluloid" and are the only waterproof goods made with an interlining, consequently the only ones that will stand wear and give perfect satisfaction. Try them and you will never regret it. Always neat, and easily cleaned. When soiled simply wipe off with a wet cloth or sponge. Every piece of the genuine is stamped as follows:

Ask for those so marked and refuse any imitations, as they cannot possibly please you. If your dealer does not keep them, we will send a sample direct on receipt of price. Collars 25c. each. Cuffs 50c. pair. State size and whether stand-up or turned-down collar is wanted.

A RETIRED BUSINESS WOMAN.

A Page From Her History.

The important experiences of others are interesting. The following is no exception: "I had been troubled with heart disease 25 years, much of that time very seriously. For five years I was treated by one physician consistently. I was in business, but obliged to retire on account of my health. A physician told my friends that I could not live a month; my feet and limbs were badly swollen, and I was indeed in a serious condition when a gentleman directed my attention to Dr. Miles' New Heart Cure, and said that his sister, who had been afflicted with heart disease, had been cured by the remedy, and was again a strong, healthy woman. I purchased a bottle of the Heart Cure, and in less than an hour after taking the first dose I could feel a decided improvement in the circulation of my blood. When I had taken three doses I could move my ankles, something I had not done for months, and my limbs had been swollen so long that they seemed almost putrified. Before I had taken one bottle of the New Heart Cure the swelling had all gone down, and I was so much better that I did my own work. On my recommendation six others are taking this valuable remedy."—Mrs. Morgan, 509 W. Harrison St., Chicago, Ill.

Dr. Miles' New Heart Cure, a discovery of an eminent specialist in heart disease, issued by all druggists on a positive guarantee, or sent by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. It is positively free from all opiates or dangerous drugs.

are all gold as far as you can see. They look like solid cases, wear like solid cases, and are solid cases for all practical purposes—yet only cost about half as much as an ordinary solid gold case. Warranted to wear for 20 years; many in constant use for thirty years. Better than ever since they are now fitted, at no extra cost, with the great bow (ring) which cannot be pulled or twisted off the case—the

Can only be had on the cases stamped with this trade mark. All others have the old-style pull-out bow, which is only held to the case by friction, and can be twisted off with the fingers. Sold only through watch dealers. Send for a watch case opener to the manufacturer.
